## REPORT OF THE TRUSTEES

The trustees present their report and the audited financial statements for the year ended 5<sup>th</sup> April 2017. The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's trust deeds, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published on 16 July 2014.

The Trustees confirm that the Charity Commission's general guidance on public benefit has been considered in relation to the objectives of the Charity. The report below sets out those objectives and describes how they have been met in the current year.

## STRUCTURE, GOVERNANCE AND MANAGEMENT

The Chapman Charitable Trust was established for general charitable purposes on 30<sup>th</sup> October 1963 by the late Mrs. Marjorie Chapman, one of whose two sons, one of her grandsons, a granddaughter and two great grandsons, served as trustees during the year.

The trustees met twice formally during the year on 31<sup>st</sup> October 2016 and 4<sup>th</sup> April 2017.

### Statement Of Trustees' Responsibilities

Law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the charity's financial activities during the year and of its financial position at the end of the year. In preparing financial statements giving a true and fair view, the trustees should follow best practice and:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping accounting records which disclose with reasonable accuracy the financial position of the charity and enable them to ensure that the financial statements comply with applicable law and the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### Risk Assessment

The trustees have considered the risks to which the Chapman Charitable Trust is exposed and believe that these will be mitigated by:

- A body of trustees with the necessary experience and competence to supervise all the aspects of the Trust's work;
- Regular trustees' meetings with effective reporting to ensure proper review of grant making coupled with the consideration and approval by trustees of all grants made;
- Retention of competent investment managers who have not been delegated dealing discretion but regularly attend trustees' meetings; and
- An effective system of internal control to ensure the correct operation of the Guidelines for Grant Making, together with the signature by two trustees on all cheques.

### OBJECTIVES AND ACTIVITIES

The trustees have powers to apply the income and capital of the Trust Fund in or towards the furtherance of such charitable purposes and objects as they from time to time think fit. The trustees have established guidelines for the use of funds available and details of grants made to areas identified are given at the foot of the list of grants made.

## REPORT OF THE TRUSTEES

- continued

The Trust's assets comprise stock exchange investments and cash on an interest bearing account, the income from which is distributed to a wide range of recognised charities, but mainly those in which the late settlor or the trustees have a personal interest, concern or involvement. Grants are not made to individuals nor to overseas charities.

The trustees continued with the long established policy of distributing income as it arises since the administration and operating expenses are low and do not require a reserve to be maintained. The level of income achieved in 2017 was considered satisfactory and consistent with the income target established by the trustees.

On Behalf of the Trustees

INDEPENDENT AUDITORS' REPORT  
TO THE TRUSTEES OF THE CHAPMAN CHARITABLE TRUST

We have audited the financial statements of Chapman Charitable Trust for the year ended 5<sup>th</sup> April 2017 which comprise the Statement of Financial Activities, Balance Sheet and the related notes.

This report is made solely to the Trustees, as a body, in accordance with the Charities Act 2011. Our audit work has been undertaken so that we might state to the Trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Trust and the Trustees as a body, for our audit work, for this report or for the opinions we have formed.

**Respective Responsibilities of Trustees and Auditors**

The responsibilities of the Trustees for preparing the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) are set out in the Statement of Responsibilities of the Trustees.

We have been appointed auditors under Section 144 of the Charities Act 2011 and report in accordance with regulations made under Section 154 of that Act. Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

**Scope of the audit of the financial statements**

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the charity's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the trustees; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Report of the Trustees to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

**Opinion on financial statements**

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 5<sup>th</sup> April 2017 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

**Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters where the Charities Act 2011 requires us to report to you if, in our opinion:

- the information given in the Trustees' Annual Report is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

NOTES TO THE FINANCIAL STATEMENTS  
YEAR ENDED 5TH APRIL 2017

The Chapman Charitable Trust is a charitable trust established for general charitable purposes and is registered in England and Wales. Its principal place of business is 62 Wilson Street, London EC2A 2BU.

1. ACCOUNTING POLICIES

Basis of Accounting

The accounts (financial statements) have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

The trust constitutes a public benefit entity as defined by FRS 102 and the reporting currency is GBP.

Reconciliation with previous Generally Accepted Accounting Practice

In preparing the accounts, the trustees have considered whether in applying the accounting policies required by FRS 102 and the Charities SORP FRS 102 a restatement of comparative items was needed. No restatements were required.

Going Concern

The trustees consider that there are no material uncertainties about the Trust's ability to continue as a going concern. There are no significant areas of adjustment and key assumptions that affect items in the accounts.

Valuation of Investments

In accordance with the Charities SORP, the investments of the Charity have been revalued at market value at the balance sheet date.

Income Recognition

Investment income is included in the accounts when received.

Expenditure Recognition

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably. All expenditure is accounted for on an accruals basis.

Restricted Funds

None of the funds held by the Charity is restricted.

NOTES TO THE FINANCIAL STATEMENTS

1. ACCOUNTING POLICIES – continued

Cash Flow

The financial statements do not include a cash flow statement because the charity, as a small reporting entity, is exempt from the requirements to prepare such a statement by virtue of its early adoption of Update Bulletin 1 of the Charities SORP (FRS 102).

Financial instruments

The Charity only enters into basic financial instruments transactions that are initially recognized at transaction value and subsequently measured at their settlement value.

Cash and cash equivalents

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours. Cash equivalents are highly liquid investments that mature in no more than three months from the date of acquisition and that are readily convertible to known amounts of cash with insignificant risk of change in value.
