MIKRON THEATRE COMPANY LIMITED**CHAIRMAN'S REPORT**

for the period from **6 APRIL 2015** to

30 NOVEMBER 2015

This year has proved another milestone in Mikron's development.

The success of the two plays, the ability of the acting company to integrate with each other and their audiences, and the overwhelming audience appreciation, all back up the progression of our wonderful company.

We set an ambitious audience target of 12,000 at the 2014 AGM. We exceeded this by over 30% - reaching 16,553. We should be very proud of 'The Office' in making this happen.

One overriding reason for the success is the choice of play which takes place years before the season. Choosing the appropriate subject that fits into the ethos of the company and still being true to the original aims is something that is taken very seriously. The choice of celebrating the Women's Institute and then the sourcing of the history of fish and chips, struck an immediate note with audiences, and they responded in huge numbers.

Our name and profile has once again risen, we reached larger numbers of television and printed press audiences than ever before, public recognition obviously helped us attract new 'Mikronites'. It is a continuing trend.

As ever, we are hugely grateful to our sponsors, supporters and funding bodies in these continuing turbulent times, but look forward, as usual, to 2016.

MIKRON THEATRE COMPANY LIMITED

DIRECTORS' REPORT

for the period from **6 APRIL 2015 to**

30 NOVEMBER 2015

The directors present their report and unaudited financial statements of the charitable company for the period from 6 April 2015 to 30 November 2015. The year end was shortened to 30 November 2015 from 5 April 2016 to tie in with the touring season of the shows. This means that the comparatives are not entirely comparable with this year's figures. The directors have adopted the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" (FRS 102) in preparing the report and financial statements of the charitable company.

The financial statements have been prepared in accordance with the accounting policies set out in notes to the accounts and comply with the charitable company's governing document, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published on 16 July 2014.

Objectives and activities

The charitable company's principal activity during the period was that of providing theatrical and educational entertainment to the public at large in furthering the company's charitable purposes for the public benefit.

Achievements and performance

The achievements and performance are covered in the Chairman's Report on page 2 and the review of the financial period below.

Review of the financial period

The attached accounts show the results for the period with an excess of income over expenditure of £11,983 on the general unrestricted funds (year ended 5 April 2015: excess of income over expenditure of £10,051), and an excess of expenditure over income of £2,136 and £504 (year ended 5 April 2015: excess of income of expenditure of £5,806 and £5,969) on the unrestricted designated funds and restricted funds respectively.

Reserves policy

The Trustees have reviewed the reserves of the company. Acknowledging the relative uncertainty of incoming resources for the provision of the company's activities it has been agreed that the level of reserves required, as represented by unrestricted funds, should ideally equate to not less than three months unrestricted expenditure. Actual general unrestricted funds are well in excess of this, equating to five months unrestricted expenditure.

Structure, governance and management

Governing document

The organisation is a charitable company limited by guarantee, incorporated on 18 May 1972 and registered as a charity on 23 February 1973. The company was established under a Memorandum of Association which established the objects and powers of the charitable company and is governed under its Articles of Association. In the event of the company being wound up members are required to contribute an amount not exceeding £1.

INDEPENDENT EXAMINER'S REPORT TO THE DIRECTORS OF MIKRON THEATRE COMPANY LIMITED

I report on the financial statements of the company for the period ended 30 November 2015 which are set out on pages 6 to 16.

Respective responsibilities of trustees and examiner

The trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements. The trustees consider that an audit is not required for this period under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the financial statements under section 145 of the 2011 Act;
- follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the financial statements present a "true and fair view" and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- 1 which gives me reasonable cause to believe that, in any material respect, the requirements:
 - to keep accounting records in accordance with section 386 of the Companies Act 2006; and
 - to prepare financial statements which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities

have not been met; or
- 2 to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.

MIKRON THEATRE COMPANY LIMITED

NOTES TO THE FINANCIAL STATEMENTS

30 NOVEMBER 2015

1 Accounting policies

a) General information and basis of preparation

The charitable company constitutes a public benefit entity as defined by FRS102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011, the Companies Act 2006 and UK Generally Accepted Practice as it applies from 1 January 2015.

The financial statements are prepared on a going concern basis under the historical cost convention.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

The charity adopted SORP (FRS 102) in the current period. No transitional adjustments were required resulting from this and there are no consequential changes in accounting policies.

b) Fund accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Designated funds are unrestricted funds earmarked by the Management Committee for particular purposes.

Restricted funds are funds which are to be used in accordance with restrictions imposed by donors or which have been raised by the charity for particular purposes. The aim and use of restricted funds is set out in the notes to the financial statements.

c) Income recognition

All incoming resources are included in the Statement of Financial Activities when the charity is legally entitled to the income and the amount can be measured reliably and it is probable that the income will be received.

However, any income received during a financial period intended by the payer for use in funding expenditure of some future financial period is carried forward as deferred income until the period of intended use is reached.

No amount is included in the financial statements for volunteer time in line with the SORP (FRS102).

The following specific policies are applied to particular categories of income:

Donated facilities and donated professional services are recognised in income at their fair value when their economic benefit is probable, it can be measured reliably and the charity has control over the item. Fair value is determined on the basis of the value of the gift to the charity. For example the amount of the charity would be willing to pay in the open market for such facilities and services. A corresponding amount is recognised in expenditure.

MIKRON THEATRE COMPANY LIMITED

NOTES TO THE FINANCIAL STATEMENTS (continued)

30 NOVEMBER 2015

1 Accounting policies (continued)

Voluntary income is received by way of grants, donations and sponsorships and is included in full in the Statement of Financial Activities when receivable. Grants, where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant.

Investment income is included when receivable.

d) Resources expended

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Expenditure is recognised where there is a legal or constructive obligation to make payments to third parties, it is probable that the settlement will be required and the amount of the obligation can be measured reliably.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs, included within support costs in note 5, include those costs associated with meeting the constitutional and statutory requirements of the charity and include the accountancy fees.

All costs are allocated between the expenditure categories of the Statement of Financial Activities on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, others are apportioned on an appropriate basis.

The charity makes contributions towards the Equity Pension Scheme, a Personal Pension Plan, for actors opted into the scheme. Contributions are expensed as they become payable.

e) Tangible fixed assets

Tangible fixed assets are included at cost less accumulated depreciation. Cost includes costs directly attributable to making the asset capable of operating as intended.

Depreciation is provided at the following rates in order to write off the assets over their estimated useful lives. In the year of acquisition tangible fixed assets are depreciated from 6 April.

Boat	- 20% per annum straight line
Van	- 25% per annum straight line
Staging, lighting and sound equipment	- 25% per annum straight line
Computer and office equipment	- 25% per annum straight line

f) Stock

Stock consists of purchased goods for resale. Stocks are valued at the lower of costs and net realisable value.

g) **Going concern**

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The trustees believe that budgeted income and expenditure is sufficient with the level of reserves for the charity to be able to continue as a going concern.

h) **Financial instruments**

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as either financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.
