The Brian Mercer Charitable Trust

Trustees' Report

For the Year Ended 5 April 2018

The trustees present their annual report and audited financial statements for the year ended 5 April 2018. The financial statements have been prepared in accordance with Financial Reporting Standard 102 and the Charities SORP and in compliance with the Charities Act 2011.

The financial statements have been prepared in accordance with the accounting policies set out in notes to the accounts and comply with the charity's governing document, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published on 16 July 2014 (as amended by Update Bulletin 1 published on 2 February 2016).

Structure, governance and management

The Trust is a registered charity, charity number 1076925, and was established under a Declaration of Trust dated 5 July 1999. The trust was established in 1998 as a lasting tribute to its founder. The trust does not actively fundraise and seeks to continue the charitable work desired by the donor through the careful stewardship of its existing resources.

New trustees are appointed by the existing trustees by resolution. There are no fixed terms under which trustees must serve or seek re-appointment. The trustees meet at least three times a year and agree the broad strategy and areas of activity for the Trust, reviewing all areas including grant making and investment policy. The day to day administration of the charity is dealt with directly by the secretary of the trustees, who reports back to the trustees.

On appointment new trustees receive a formal induction which provides a brief history of the Trust, copies of meeting minutes (where relevant), copies of previous year's annual reports and accounts, a copy of the governing trust deed. Guidance is also provided on investments and the grant making process. All trustees are able to access further training to aid them in their duties and improve the management of the Trust. This is available through the National Council for Voluntary Organisations (NCVO), of which the Trust is a member, or other sources.

All trustees give of their time freely and no trustee remuneration was paid in the year. Details of trustee expenses and related party transactions are disclosed in note 4 to the accounts. Trustees are required to disclose all relevant interests and register them with the board of trustees and in accordance with the Trust's policy withdraw from decisions where a conflict of interest arises.

Risk management

The trustees have considered the major risks to which the charity is exposed and have reviewed those risks and established systems and procedures to manage those risks.

The trustees consider the principal risk that the trust faces is the variability in performance of the investment portfolio and recent macro-economic events creating volatility in world stock markets has demonstrated this risk. To mitigate the risk the trustees have appointed Investment Managers who manage the investment portfolio on their behalf. The trustees meet with the Investment Managers, and receive investment reports, on a regular basis to review financial performance and to discuss potential future investment returns.

The Brian Mercer Charitable Trust

Trustees' Report (*continued*)

For the Year Ended 5 April 2018

Objectives and activities for the public benefit

The objects of the Trust are as follows:

- 1) the advancement of education and in particular, but not restricted to, the provision of grants for the promotion of medical and scientific research and the dissemination of the useful results thereof; and
- 2) the furtherance and promotion of any other exclusively charitable objects and purposes in any part of the world as the Trustees may in their absolute discretion think fit.

Within these broad objectives Trustees have hitherto focused grant making to the following areas: Eyesight (30%), Liver disease (30%), Arts (20%) and "Others" (20%). Following a detailed review of grant giving and evidence of effectiveness these have now been changed to:

1. PREVENTION AND RELIEF OF HUMAN SUFFERING (75%)

To support interventions directed towards reducing suffering caused by poverty and ill health whether in the UK or overseas. Such interventions must be of proven best-value or demonstrate the potential to become so. Both direct interventions (e.g. provision of medical treatment) and indirect interventions (e.g. medical or technological research) will be considered.

2. ARTS (15%)

To encourage and support the development of promising young artists (working broadly in the field of visual arts), especially within the North West of the UK.

3. CAUSES LOCAL TO BLACKBURN, LANCASHIRE (10%)

To provide funding for well-designed, evidence-based interventions benefiting those living in the area of Blackburn, Lancashire.

Grant making policy

The Trust continues to:

- Be more proactive in seeking out effective organisations to support and less reliant on responding to applicants who have sought out the Trust.
- Prioritise applications that are supported by rigorous evidence of cost-effectiveness
- Increase its use of independent charity evaluators in finding effective interventions/organisations.

The Brian Mercer Charitable Trust

Trustees' Report (*continued*)

For the Year Ended 5 April 2018

How our grant programmes delivered public benefit:

Trustees are confident that the Trust's objectives are wholly charitable and that the means of selecting causes/organisations to fund meet the requirements of the best expert advice available.

Examples of grants made are provided below:

Prevention and Relief of Human Suffering

£100,000 was paid to Medecins Sans Frontiere, an international humanitarian organisation and £130,000 was paid to Drugs for Neglected Diseases, £100,000 of this being a one off payment to help treat sleeping sickness, a fatal disease if left untreated. The remaining £30,000 will be paid to DNDi for the next four years. A one off payment of £150,000 was also paid to Sightsavers, a charity that the trust continues to support.

Arts

The BMCT continues to support local schools by providing a grant of £2,500 to the art departments of ten schools and the British Art Medal society received a grant of £8,000 in the year.

Causes Local to Blackburn Lancashire

The Trust supports Blackburn Youth Zone (£25,000 per annum), an innovative multicultural venue that provides facilities for sport and personal development in Blackburn town centre.

A commitment was made this year to support Nightsafe, a local homeless charity that supports homeless young people aged 16-24 , over three years at £25,000 per annum.

Monitoring achievement

Trustees are aware of the limitations of being able to effectively monitor the achievements of their grant giving. Nevertheless, the following procedures are applied:

Where large grants are given there is special attention to independent evidence of effectiveness before the grant is made. A meeting is usually held with the chief executive (or other senior personnel of the organisation). Brief written feedback is required annually and a more rigorous review using evidence from external sources (e.g. charity evaluators) made every three years, before the grant is reviewed.

In the case of smaller grants (as for example the RBS and Blackburn Youth Zone) Trustees have developed close working relationships with the organisations themselves and are actively involved in reviewing the activities of the organisations.

Fundraising

The Charity does not do any fundraising activities.

Financial review

The Trust's work is entirely reliant on income and investment returns from its endowments. The funds held by the Trust have derived from the estate of the late Brian Mercer who died on 22 November 1998.

The Brian Mercer Charitable Trust

Trustees' Report (*continued*)

For the Year Ended 5 April 2018

The Trustees have placed funds for investment with Sarasin and Partners LLP. During the year the Trust has made unrealised investment losses of £171,624 reflecting the movement in stock markets (2017: investment gains of £3,345,105 were made). At 5 April 2018 the funds invested were valued at £29,151,360 (2017:£29,254,547).

During the year, the trustees paid and agreed grants for charitable purposes amounting to £901,480 (2017: £1,109,445). Grants are made in accordance with decisions reached after discussions at meetings of the Trustees and after taking advice, where appropriate.

Investment policy

Investments are held in the name of a nominee company. The trustees' policy is to invest for a combination of capital growth and income.

The trustees make use of the advice and support of their investment managers, Sarasin and Partners. The performance of the fund is reviewed frequently with the investment managers and investment reports are discussed at trustee meetings. Future performance is considered after taking due advice from the investment manager.

The trustees have a written investment policy which is regularly reviewed and updated as necessary.

Reserves

The trustees aim to maintain cash reserves at a level which equates to approximately twelve months of charitable expenditure, including grant commitments. The trustees consider that this level will provide sufficient funds to meet the Trust's charitable commitments and ensure that there are sufficient funds available to cover governance costs. Unexpected expenditure or costs arising from an urgent need can be met from ongoing investment income. Future applications for grants will be considered in line with the grant making policy and will be funded from the investment return as resources allow.

The balance held in cash reserves at 5 April 2018 was £1,328,493 (2017:£1,092,330), against grant commitments and anticipated governance costs of £500,000. Any residual balance in cash reserves will be reinvested for the future.

Although the trustees are empowered to use both the income and capital of the trust in furtherance of the objects of the trust, the trustees have resolved to make charitable distributions out of the income of the Trust thereby maintaining the capital of the trust. The trustees may invest the funds of the Trust in any lawful manner.

Future plans

Trustees will assess the effect of the changes made to their objectives and application procedures, making refinements where necessary.

Grant awards

In the next 12 months, the trustees anticipate that they will make grants utilising as much as possible of the investment income realised in the previous year.

The Brian Mercer Charitable Trust

Trustees' Report (*continued*)

For the Year Ended 5 April 2018

Trustees' responsibilities for the financial statements

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the Trust and enable them to ensure that the financial statements comply with applicable law. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the trustees on 02 October 2018 and signed on their behalf by:

The Brian Mercer Charitable Trust

Notes to the Financial Statements *(continued)*

For the year ended 5 April 2018

1. Accounting Policies

1.1 Basis of preparation

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 (as updated through Update Bulletin 1 published on 2 February 2016), the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) the Charities Act 2011 and UK Generally Accepted Practice as it applies from 1 January 2015.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2015 which has since been withdrawn.

The financial statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are presented in sterling which is the functional currency of the charity and rounded to the nearest £.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

The charity adopted SORP (FRS 102) in the current year and an explanation of how transition to SORP (FRS 102) has affected the financial reported financial position and performance is given in note 1.2 below.

1.2 Funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

1.3 Incoming resources

Investment income is accounted for in the period in which the charity is entitled to receipt and the amount can be measured with reasonable certainty. Other income is accounted for on an accruals basis as far as it is prudent to do so.

1.4 Resources expended and irrecoverable VAT

Liabilities are recognised as resources expended as soon as there is a legal or constructive obligation committing the Trust to the expenditure. All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to that category.

All expenditure is directly allocated to the relevant categories and no apportionments are considered necessary.

Irrecoverable VAT is charged against the category of resources expended for which it was incurred.

1.5 Raising funds

The costs of raising funds consist of investment management fees

The Brian Mercer Charitable Trust

Notes to the Financial Statements *(continued)*

For the year ended 5 April 2018

1.6 Charitable activities – Grants payable

Grants payable are payments and commitments made to third parties in the furtherance of the charitable objectives of the trust. Grant commitments are recognised when a constructive obligation arises that results in payment being unavoidable. In accordance with the Charities SORP, grants are therefore accounted for once the offer has been made in writing.

1.7 Charitable activities - Governance costs

Governance costs comprise all costs involving the public accountability of the Trust and its compliance with statutory regulation and constitutional good practice. These are analysed in detail in note 4 to the financial statements.

1.8 Taxation

As a registered charity, the Trust is generally exempt from Income Tax and Capital Gains Tax, but not from VAT.

1.9 Investments

All investments are carried at their fair market value. Investments in equities and fixed interest securities are all traded in quoted public markets. The basis of fair value for quoted investments is equivalent to the market value, using the mid price. Asset sales and purchases recognised at the date of trade at cost (that is their transaction value). Realised and unrealised gains and losses are taken to the Statement of Financial Activities. Investment income has been taken into account on the basis of due date of payment.

1.10 Judgements and key sources of estimation uncertainty

There have been no significant judgements (apart from those involving estimates) made in the process of applying the accounting policies.

There have been no key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

2. Investment income

	2018	2017
	£	£
Income from UK listed investments (before deduction of fees)	1,186,456	1,119,708
Interest receivable on short term deposits and cash at bank	347	491
	<u>1,186,803</u>	<u>1,120,199</u>

3. Raising Funds

	2018	2017
	£	£
Management Fees		
Earned on Sarasin funds	224,368	207,210
Rebate	<u>(94,982)</u>	<u>(81,397)</u>
Net fees charged	<u>129,386</u>	<u>125,813</u>

Sarasin and Partners LLP charge fees to underlying investment funds in excess of the fee charges agreed with the trustees and a rebate of the excess fees is therefore made.

Independent Auditor's Report on the Financial Statements to the Trustees of The Brian Mercer Charitable Trust

For the Year Ended 5 April 2018

Opinion

We have audited the financial statements of The Brian Mercer Charitable Trust for the year ended 5 April 2018 which comprise the Statement of Financial Activities, the Balance Sheet, the Cashflow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the charity's trustees, as a body, in accordance with part 4 of the Charities (Accounts and Reports) regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

In our opinion the financial statements:

- give a true and fair view, of the state of the charity's affairs as at 5 April 2018, and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with the United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including FRC's Ethical Standard, and we have fulfilled our ethical responsibilities in accordance with these requirements. We believe that the audit evidence is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Independent Auditor's Report on the Financial Statements to the Trustees of The Brian Mercer Charitable Trust

For the Year Ended 5 April 2018

Other information

The trustees are responsible for the other information. The other information comprises the information included in the trustees' annual report¹, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 require us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the Trustees' Annual Report; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Trustees' Responsibilities Statement set out on page 6, the trustees are responsible for the preparation of the financial statements which give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concerns basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

¹ Use the title of the document issued by the charity containing the audited financial statements.

Independent Auditor's Report on the Financial Statements to the Trustees of The Brian Mercer Charitable Trust

For the Year Ended 5 April 2018

Auditors responsibilities for the audit of the financial statements

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with regulations made under section 154 of that Act.

Our objectives

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.
