RAGALLA AID PROJECT

ANNUAL REPORT FOR THE YEAR ENDED 31 JULY 2019

The Report of the Trustees

The trustees present their report and accounts for the year ended 31 July 2019.

Name, Registered Office and Constitution of the Charity

The full name of the charity is **Ragalla Aid Project**. The charity was formed as an unincorporated charity in January 2000. Its registered charity number is **1079120**.

The registered address of the charity has been amended to – Wayside, Winchester Road, Waltham Chase, Southampton, SO32 2LG. The telephone number is 01489 890162.

The Objects of the Charity and how it is attempting to achieve the objectives.

The charity is governed by a trust deed in which the objects are set out as follows:

1. To relieve the need, hardship and distress of persons resident on the island of Sri Lanka. This object is achieved by the provision of monetary gifts/ grants to individual beneficiaries. The beneficiaries will be selected by the Executive Committee and personal financial circumstances and needs will be examined thoroughly, generally including a personal interview with one of our local trusted contacts in Sri Lanka.

Generally gifts/ grants will be distributed as regular payments (e.g. monthly) to assist recipients with money management. The list of recipients will be reviewed regularly by the Executive Committee and discussed with the members of the charity at each A.G.M.

Generous donations continue to be received for on-going general projects. Needs are identified through local contacts and gifts/ grants disseminated and the end results monitored to ensure correct usage.

2. To promote the education, welfare and health of children on the island of Sri Lanka. This object is achieved by supplying school requisites, educational materials and uniforms to schools selected by the Executive Committee. Also providing monetary gifts/ grants for the building of pre-school feeding centres which operate under local voluntary management committees and to support child care and child health facilities in areas of Sri Lanka selected by the committee.

Also by giving talks and distributing publicity materials in the United Kingdom to increase awareness amongst adult groups of the situation of children in poor areas of Sri Lanka.

Public benefit

The Trustees have complied with Section 4 of the 2006 Charities Act to give due regard to the public benefit. They have reviewed guidance set out by the Charity Commission and believe that the Charity meets its obligation in this respect because its purpose is the relief of people of all ages and gender who are in need, hardship and distress, and the promotion of children's education, welfare and health on the island of Sri Lanka. The Trustees will continue to review the activities of the Charity to ensure that these are consistent with the legal objects set out in its constitution.

Objects achieved in the year, a review of activities and significant changes and developments and plans for the future.

The board of trustees are satisfied with the performance of the charity during the year and the position as at 31 July 2019 and consider that the charity is in a position to continue its activities during the coming year and that the charity's assets are adequate to fulfill its obligations.

The particular ways in which objectives have been achieved are described below:

Contributions from volunteers - the day to day affairs of the charity are attended to by the trustees on a voluntary basis. Voluntary individuals also assist with the running of sales/ coffee mornings, etc. as required.

Intangible income - the charity has no intangible income.

Achievement of objectives - on an on-going basis the charity continues to support:

- funding of education for two students at university level, two at A-level, one youngster at college. Three others continue to attend special schools for the mentally impaired.
- assisting 13 families needing support (1. Father & breadwinner murdered. 2 Three orphans taken in by an aunt. 3. A diabetic amputee. 4. Widows with small children. 5. Wife injured in the Easter 2019 Church Bombings (family support and ongoing medical treatment).)
- supporting five pensioners to enable them to live more comfortably.
- also six special cases are being supported – four girls and two boys who are either physically or mentally handicapped or both.
- Supporting one baby (Ayush) with numerous and on-going physical difficulties.
- providing three crèches with milk and biscuits on a regular basis.
- providing the main source of support for a Day Care Centre in Bandarawela for 30 under-privileged four year olds. Uniforms, including socks and shoes are provided. The children are given breakfast and lunch each day plus vitamin tablets and healthchecks.. The two teachers and the warden have their salaries paid by us. School books and craft materials are also provided and children are also given school bags, books and anoraks when they leave the DCC and start at their primary schools.
- the project is continuing to support The Colombo Centre for Special Education, which gives respite and educational care for mentally handicapped men, aged 18+ (no upper age limit). Giving lessons in reading, writing, maths, money, cooking, dance, exercise, playacting and sports.
- In total we have built / re-built or partially funded 20 pre-schools over the years of which nine pre-schools for children continue to be funded for a nutrition food programmes with the provision of midday meals and some school equipment. Also we support teachers in 5 of the Centres by supplementing their very low wages.
- Providing support for a girls / young ladies empowerment centre in Koddamunai (near Batticaloa).
- food parcels have been given to families during the March 2018 visit.
- the girl's home for semi-orphans at Mahiladithivu on the east coast (originally built by Ragalla after the tsunami) has again been running well for the past year. The on-going running costs for this home are funded by Ragalla Aid Project on a monthly basis. 16 girls aged between 11 - 16 live here with two carers and a cook. They attend the local school, returning daily to the home.
- two new Pre-School / Feeding Centre buildings have been funded during the year at Karuverpenkerny and Konavil in the North East of the island. Both already had children and teachers but no buildings in which to meet. Funding came from two most generous donors for which we are very grateful. The centres were opened for use in February 2019 although ceremonial openings for both have yet to be arranged.. Karuverpenkerny has been built to a slightly larger size so that it can double up as a community centre for adults too.

The Charity has dispatched some £ 24,588 from Unrestricted Funds during the 2018/19 financial year and £11,000 from Restricted Funds.

Significant changes and developments and plans for the future.

Apart from the building of the two new pre-schools mentioned above 2018/19 has been a further year of consolidation with support continuing to our numerous on-going smaller projects. Any request for funding for larger projects will only be considered if the required funds are offered by donors prior to any final commitment.

Following the sad death of our founder, Mrs Pene Gordon, in mid-2019 it has not proved possible for any of the other Trustees to undertake a fact finding trip during this financial year.

However, regular communications with our network of contacts in Sri Lanka has enabled us to keep tabs on beneficiaries and to identify new needs. Reports from these local helpers in Sri Lanka indicate that the various children's homes and feeding centres supported by Ragalla were continuing to function well and doing a wonderful job for the local people.

The organizational structure and how decisions are made

The board of trustees meets at least twice a year as a full board to discuss future plans and to ratify actions taken since their last meeting. The day to day outworking of the plans is undertaken by two trustees (consulting by telephone / e-mail where necessary with other trustees).

Method of election of the members of the board of trustees

The trustees are elected by the members annually at the AGM with the existing trustees standing down but offering themselves for re-election where appropriate. The number of trustees shall not be less than two and not more than six in total. Individuals will be invited to become new trustees when required, after considering the skills and expertise they can offer.

Trustee induction and training

New trustees will be provided with copies of the trust deed, recent accounts and minutes of previous trustee meetings to enable them to ascertain the financial, legal, organization and charitable objectives of the trust. They will also be provided with a copy of Charity Commission publication CC3 and made aware of the other information and advice available from the Charity Commission.

Relationships with other groups, charities and individuals

The charity has no relationships with other groups, charities and individuals within the terms of SORP.

Details of related parties and transactions with related parties

The charity has no related parties within the terms of SORP.

Transactions and Financial Position

The financial accounts are set out on pages 9 to 22. The financial statements have been prepared implementing the Statement of Recommended Practice for Accounting and Reporting by Charities issued by the Charity Commission for England and Wales (effective October 2000) and in accordance

with the Financial Reporting Standard for Smaller Entities (effective June 2002). The trustees consider the financial performance by the charity during the year has been satisfactory.

The Statement of Financial Activities show net incoming resources for the year of a revenue nature of £12,820 and net realized outgoing resources of a capital nature of £nil, making net overall realized incoming resources of £12,820. The total reserves at the year end after reserving for unrealized losses of £nil stand at £45,947.

A majority of the expenditure is spent on direct charitable purposes.

The charity holds no fixed assets.

Availability and adequacy of assets

The board of trustees is satisfied that the charity's assets are available and adequate to fulfill its obligations.

Policy on Reserves, Investment Policies and Investment Performance

The trustees have resolved to maintain reserves, where possible, sufficient for three months of anticipated normal operation. Our normal operations have historically been funded in the main by regular sponsors and it is expected that this policy will continue for the foreseeable future.

The present investment policy is to keep funds in liquid form as projects often require to be undertaken at short notice. With overall funds having diminished in 2016 / 2017 the Trustees agreed at the 2017 A.G.M. to close the CAF Cash, CAF Gold and Lloyds Treasury Fixed Term Account in late 2017 and consolidate all funds in our Lloyds Bank Charity Current Account (as reflected in the accounts). In the past year further (and often unexpected) donations have been received (e.g. In Memoriam gifts and legacies) which have increased the Balance in Hand as shown above and in the Accounts.

The charity has no fixed assets.

Monitoring of investment policy and surplus funds is undertaken by the trustees at their periodic meetings and by the treasurer on a day to day basis.

Effectiveness of Fund Raising Policies

The charity relies on gifts from donors, both regular sponsors of Sri Lankan children / families and general giving from the wider public who have heard of our work through friends and supporters. Thus we have been able to continue supporting our existing on-going beneficiaries. During the year we have received a number of significant personal donations and one charitable trust lump sum donation. Some of these donations were utilized to build two new Pre-Schools during the year (for which purpose they were specifically given). The Trustees wish to record their grateful thanks for the continued loyalty of donors.

Sponsors are secured and maintained through information meetings given voluntarily by various trustees from time to time at the request of groups, clubs, etc. and by the production of periodic newsletters which are mailed to all sponsors.

Modest fund raising to meet UK administration costs (newsletter printing and postage and bank charges) donating specifically for this purpose (currently 3 pence in the £).

The Charity's Grant Making Policies

During 2018/19 gifts totaling £24,588 were given from **Unrestricted** funds to the charity's 'normal' on-going support to beneficiaries.

Restricted funds – The sum of £5,000 was in hand from 2017/18. Gifts totaling £6,000 were received during 2018/19, with donations given to beneficiaries amounting to £11,000. This leaves a balance in hand of £Nil at the financial year end.

Designated funds – there are none presently held.

Legal Status

The charity is an unincorporated charity governed by a trust deed adopted by its members. The only restriction in the governing document is that aid must be given solely to person's resident on the island of Sri Lanka.

There are no other restrictions on the operation of the charity or on its investment powers, other than those imposed by general charity law.

The members of the Board of Trustees of the Charity during the year ended 31 July 2019 and as at 22nd December 2019 (the date of the AGM and the approval of the accounts) were:

Chair	Mr. Graham Gordon
Treasurer	Mr. Brian Catlin
Secretary	Miss Wendy Gordon
Other Members	Mrs. Sally Awdry

Bankers

The charity's main bankers are Lloyds TSB, The Square, Bishops Waltham, Southampton, Hampshire, SO32 1GS Account number 0869418 Sort Code 30-90-85

Independent Examiners under the Charities Act and details of their qualifications

An independent examination of the accounts was carried out free of charge for which the trustees would like to record their most grateful thanks. The examination was carried out by:

Ragalla Aid Project

The report of the Trustees for the year ended 31 July 2019

Statement of Trustees Responsibilities

Charity Law requires the Board to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity as at the end of the financial year and of the surplus or deficit of the charity. In preparing those financial statements the Board is required to :-

- select suitable accounting policies and then apply them consistently
- make judgments and estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements.

The trustees are also responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which are sufficient to show and explain the charity's transactions and enable them to ensure that the financial statements comply with the regulations made under the Charities Act. They are also responsible for safe guarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are also responsible for the contents of the trustees report, and the responsibility of the independent examiner in relation to the trustees' report is limited to examining the report and ensuring that, on the face of the report, there are no inconsistencies with the figures disclosed in the financial statements.

Signed:-

Mr. Graham Gordon
Chair of the Trustees
22 December 2019

Ragalla Aid Project

Report of the Independent Examiner to the Trustees of the charity on the accounts for the year ended 31 July 2019

I report on the financial statements of the charity on pages 9 to 22 for the year ended 31 July 2019 which have been prepared in accordance with the Charities Act 2011 (the Act) and with the Financial Reporting Standard 102, (effective 1st January 2016) adapted to meet the needs of unincorporated organisations, as modified by FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015 (as amended by the Bulletin issued in February 2016) published by the Charity Commission in England & Wales (CCEW), effective January 2015 (The SORP), under the historical cost convention and the accounting policies set out on page 14.

Respective responsibilities of the Trustees and the Independent Examiner

As described on page 6, the charity's Trustees are responsible for the preparation of the accounts.

The Trustees consider that the audit requirement of Section 144(1) of the Charities Act 2011 (the Act) does not apply, and that there is no requirement in the Governing Document for the conducting of an audit. As a consequence, the Trustees have elected that the financial statements be subject to independent examination.

Having satisfied myself that the charity is not subject to audit under any legal provision, or otherwise, and is eligible for independent examination, it is my responsibility to:-

- a) examine the accounts under Section 145 of the Act;
- b) follow the procedures in the General Directions given by the Charity Commission under section 145(5)(b) of the Act and;
- c) state whether particular matters have come to my attention.

Basis of Independent Examiner's Statement and scope of work undertaken

I conducted my examination in accordance with the General Directions given by the Charity Commission under section 145(5)(b) of the Act, setting out the duties of an Independent Examiner in relation to the conducting of an Independent Examination. An Independent Examination includes a review of the accounting records kept by the charity and of the accounting systems employed by the charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you, as Trustees, concerning such matters. The purpose of the examination is to establish as far as possible that there have been no breaches of charity legislation and that the financial statements comply with the SORP, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements.

The procedures undertaken do not provide all the evidence that would be required in an audit, and information supplied by the Trustees in the course of the examination is not subjected to audit tests or enquiries, and consequently I do not express an audit opinion on the view given by the financial statements, and in particular, I express no opinion as to whether the financial statements give a true and fair view of the affairs of the charity, and my report is limited to the matters set out in the statement below.

I planned and performed my examination so as to satisfy myself that the objectives of the Independent Examination are achieved and before finalising the report I obtained written assurances from the Trustees of all material matters.

Ragalla Aid Project

Independent Examiner's Statement, Report and Opinion

Subject to the limitations upon the scope of my work as detailed above , in connection with my examination, I can confirm that :-

This is a report in respect of an examination carried out under 145 of the Act and in accordance with General Directions given by the Charity Commission under section 145(5)(b) of the Act which may be applicable;

and that no matter has come to my attention in connection with my examination which gives me reasonable cause to believe that in any material respect the requirements :-

to keep accounting records in accordance with with Section 130 of The Charities Act 2011;

when preparing accounts on an accruals basis, to prepare financial statements which accord with the accounting records and comply with the accounting requirements of the Act and the Regulations setting out the form and content of charity accounts;

have been prepared in accordance with The Charities Act 2011. and with the methods and principles set out in the FRS102 Statement of Recommended Practice - Accounting and Reporting by Charities (effective January 2016)

have not been met or to which, in my opinion, attention should be drawn in my report in order to enable a proper understanding of the accounts to be reached;

The Trustees acknowledge their responsibilities for complying with the requirements of charity legislation with respect to accounting records and the preparation of accounts.

The charity is subject to Independent Examination under charity legislation, and the report of the Independent Examiner is on page 8.

The Trustees are satisfied that, although the charity is not registered under the Companies Acts, if it were so registered, it would be eligible to prepare accounts in accordance with the provisions in Part 15 of the Companies Act 2006. applicable to companies subject to the small companies regime.

MR B CATLIN

Trustee

Approved by the board of trustees on 22 December 2019

The notes attached on pages 14 to 22 form an integral part of these accounts.

Ragalla Aid Project

Notes to the Accounts for the year ended 31 July 2019

1 Accounting policies

Policies relating to the production of the accounts.

Basis of preparation and accounting convention

The accounts have been prepared on the accruals basis, under the historical cost convention, and in accordance with the Financial Reporting Standard 102, (effective 1st January 2016) and 'FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015 (as amended by the Bulletin issued in February 2016) published by the Charity Commission in England & Wales (CCEW) ,effective January 2016, (The SORP), and in accordance with all applicable law in the charity's jurisdiction of registration, except that the charity has prepared the financial statements in accordance with the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015 (as amended by the Bulletin issued in February 2016) in preference to the previous SORP, the SORP 2005, which has been withdrawn, notwithstanding the fact that the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008 refer explicitly to the SORP 2005. This has been done to accord with current best practice.

Risks and future assumptions

The charity is a public benefit entity. There are no significant adjustments to the entries in these accounts arising from judgements or assumptions made by the Trustees and no entries which require adjustment in future periods.

Policies relating to categories of income and income recognition.

Nature of income

Gross income represents the value, net of value added tax and discounts, of goods provided to customers and work carried out in respect of services provided to customers.

Categories of Income

Income is categorised as income from exchange transactions (contract income) and income from non-exchange transactions (gifts), investment income and other income.

Income from exchange transactions is received by the charity for goods or services supplied under contract or where entitlement is subject to fulfilling performance related conditions. The income the charity receives is approximately equal in value to the goods or services supplied by the charity to the purchaser.

Income from a non-exchange transaction is where the charity receives value from the donor without providing equal value in exchange, and includes donations of money, goods and services freely given without giving equal value in exchange.

Income recognition

Income, whether from exchange or non exchange transactions, is recognised in the statement of financial activities (SOFA) on a receivable basis, when a transaction or other event results in an increase in the charity's assets or a reduction in its liabilities and only when the charity has legal entitlement, the income is probable and can be measured reliably.

Income subject to terms and conditions which must be met before the charity is entitled to the resources is not recognised until the conditions have been met.

All income is accounted for gross, before deducting any related fees or costs.

Ragalla Aid Project

Notes to the Accounts for the year ended 31 July 2019

Donated goods, facilities and services

Donated fixed assets are recognised at the current fair value. All such donations are recognised as donation income, and debited to fixed assets.

Donated goods that are not fixed assets are accounted for at a fair value, unless it is impractical to reliably measure the value of the donated items.

In the absence of any direct evidence of fair value of donated goods, then a value is derived from the cost of the item to the donor or, in the case of goods that are expected to be sold, the estimated resale value after deducting any anticipated costs of sales.

If it is impracticable to measure the fair value of goods donated for resale, or the costs of valuation outweigh the benefits, the donated goods are recognised as income when sold, with an equivalent amount being recognised as an expense.

The costs of goods donated for distribution to beneficiaries is deemed to be the fair value of those goods upon receipt. When the goods are distributed freely or for a nominal consideration, then the carrying amount is adjusted at the time of sale, to the value at the point of distribution and the adjustment is shown as a cost of donations made.

The carrying amount of any stock held for distribution is assessed for impairment at the reporting date. All donated goods are recognised as donation income, and debited to trading stock. When trading stock is subsequently sold, or appropriated to meet an expense, then the carrying value of the stock is recognised as an expense. In accordance with the SORP, goods donated for distribution to beneficiaries, or for consumption by the charity are included in '*legacies and donations*'. Goods donated for resale are included in '*Income from other trading activities*'

The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt. If the goods held are to be distributed freely or for a nominal consideration, then the carrying amount is subsequently adjusted to reflect the lower of deemed cost adjusted for any loss of service potential and replacement cost. Replacement cost is the economic cost incurred if the charity was to replace the service potential of the donated goods at its own expense in the most economic manner.

Donated services and facilities (including seconded staff and use of property) are included in the accounts on the basis of the value of the gift to the charity.

All donated services and facilities are recognised as donation income when received, (provided the value of the gift can be measured reliably) and recognised as an expense with an equivalent value.

Policies relating to expenditure on goods and services provided to the charity.

Recognition of liabilities and expenditure

A liability, and the related expenditure, is recognised when a legal or constructive obligation exists as a result of a past event, and when it is more likely than not that a transfer of economic benefits will be required in settlement, and when the amount of the obligation can be measured or reliably estimated..

Liabilities arising from future funding commitments and constructive obligations, including performance related grants, where the timing or the amount of the future expenditure required to settle the obligation are uncertain, give rise to a provision in the accounts, which is reviewed at the accounting year end. The provision is increased to reflect any increases in liabilities, and is decreased by the utilisation of any provision within the period, and reversed if any provision is no longer required. These movements are charged or credited to the respective funds and activities to which the provision relates.

Ragalla Aid Project

Notes to the Accounts for the year ended 31 July 2019

Volunteers

In accordance with the SORP, and in recognition of the difficulties in placing a monetary value on the contribution from volunteers, the contribution of volunteers is not included within the income of the charity.

However, the trustees value the significant contribution made to the activities of the charity by unpaid volunteers and this is described more fully in Note 4.

Policies relating to assets, liabilities and provisions and other matters.

Cash and bank balances

Cash held by the charity is included at the amount actually held and counted at the year end. Bank balances, whether in credit or overdrawn, are shown at the amounts properly reconciled to the bank statements.

2 Liability to taxation

The Trustees consider that the charity satisfies the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 for UK corporation tax purposes. Accordingly, the Charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by chapter 3 part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively on the specific charitable objects of the charity and for no other purpose. Value Added Tax is not recoverable by the charity, and is therefore included in the relevant costs in the Statement of Financial Activities.

3 Winding up or dissolution of the charity

If upon winding up or dissolution of the charity there remain any assets, after the satisfaction of all debts and liabilities, the assets represented by the accumulated fund shall be transferred to some other charitable body or bodies having similar objects to the charity.

4 The contribution of volunteers

The charity depends on the support of its volunteers, which is much appreciated. The charity administration is undertaken by the trustees on a voluntary basis and other volunteers assist with the running of various fund raising events. Due to the difficulty of calculating a financial value of volunteer time and achievements this has not been recognised in the Statement of Financial Activities. The volunteers and the charity accept and agree that no contract of employment is created by these arrangements.

No employees received emoluments (excluding pension costs) in excess of £60,000 per annum.

5 Remuneration and payments to Trustees and persons connected with them

No trustees or persons connected with them received any remuneration from the charity, or any related entity.
