TRUSTEES' ANNUAL REPORT YEAR ENDED 5 APRIL 2019

The trustees present their report along with the financial statements of the charity for the year ended 5 April 2019. The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's trust deed, applicable law and the Statement of Recommended Practice "Accounting and Reporting by Charities preparing their accounts in accordance with FRS 102".

Objectives and Activities

The trust has widely drawn objects and may apply its income to such charitable purposes as the trustees think fit. For a large number of years the trustees have concentrated on making annual grants to a range of charities, generally varying between £500 and £1,500. The trustees review the beneficiaries and from time to time amendments are made to the list. When funds allow the trustees occasionally make larger one-off grants. Most of the beneficiaries are charities concerned with the welfare of people both in the UK and overseas. The list of grants made during the year is appended to the financial statements and shows the categories of beneficiaries that the trustees are currently supporting.

Public Benefit

The charity trustees have complied with their duty to have due regard to the guidance on public benefit published by The Charity Commission.

Achievements and Performance

During the year the charity has made 49 donations to charities benefiting a wide sector of the public, especially charities concerned with the welfare of people both in the UK and overseas (as shown on pages 9 to 11). The work of the charities supported has included providing treatment for people who are drug or alcohol dependent, providing help for people with learning disabilities, people who are homeless and children suffering from cruelty. It also has included providing medical help and emergency support abroad.

Financial Review

The financial statements are to be found on pages 5 to 13 and these show the financial results of the charity for the year.

The annual grants decided in February 2019 to be awarded by the Trustees were paid out in March 2019.

Cash investment income received amounted to £50,874 (2018 £54,885).

Income from securities has decreased slightly compared to 2018. Bank interest has remained low. Management and administration costs included in charitable activities totalled £2,795 (2018 £2,718) and governance costs totalled £6,552 (2018 £8,220).

The movements in investments are shown on pages 12 and 13.

Reserves and Investment Policies

The trustees generally aim to match expenditure to income in a given year. Once administration fees have been paid the remaining monies are applied to make grants to beneficiaries. The trustees do not consider it necessary to hold large reserves of unrestricted funds.

The investment policy is to balance income return with capital growth with a moderate exposure to risk. Investments are recommended by Investec for approval by the trustees. The trustees receive regular reports from Investec so that they may review the performance of the investments.

TRUSTEES' ANNUAL REPORT YEAR ENDED 5 APRIL 2019

Risk Management

The trustees have reviewed the risks faced by the charity and have implemented systems to mitigate the risks. In particular the trustees consider that the major risk is the value of the charity's investments. To mitigate this the trustees use the services of a leading investment adviser, Investec.

Structure, Governance and Management

The constitution of the charity is set out on page 1.

The Trustees who have served during the year and since the year end are set out on page 1.

The power of appointing new trustees resides with the existing trustees.

Decisions are made by the trustees in consultation with each other.

Trustees' Responsibilities in Relation to the Financial Statements

Law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing those financial statements the trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles of the Charities SORP (FRS 102);
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any departures disclosed and explained in the financial statements; and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the trustees on 23 October 2019

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF

THE GILBERT EDGAR TRUST

I report to the trustees on my examination of the accounts of the Trust for the year ended 5 April 2019 which are set out on pages 5 to 13.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

James Cowper Kreston has provided some book-keeping services and I have applied the Revised Ethical Standard 2016 issued by the Financial Reporting Council.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or

2. the accounts do not accord with those records; or

3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a "true and fair view" which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
