

TWENTY FOURTH REPORT OF THE TRUSTEES TO THE FOUNDATION GOVERNORS – 2019

The Trust is governed by a Trust Deed dated December 17 1993.

Trustees during 2019:

Martyn Charles Robert Caswell (Chairman), Alan Henry Davis, Paul Dennis (Clerk), Peter Edwards, Kathryn Joy McLoughlin, Derek Raymond Woodward (Treasurer).

The Trustees are still seeking to appoint a replacement for Heather Livermore who resigned as a Trustee in June 2018.

Succession Planning.

The Trustees remain conscious that they actively need to take steps to plan for the future and that there is a particular need to find a suitably qualified person to become involved in the financial management of the Trust with a view to assuming responsibility. This process is still ongoing.

Investment Adviser: To be appointed.

Independent Examiner: Mr. T. Byrne, 18 Swan Way, Enfield.

Trust objectives.

- To advance the education of the students of the School by providing or assisting in the provision of the educational, recreational and other charitable facilities financed by the Local Education Authority.
- To develop and maintain the fabric and amenities of the School's buildings and to assist in the provision of new buildings.
- To provide financial assistance in whatever charitable ways that the Trustees consider promote the well being of the School and the education and welfare of its students and staff.

Further Trust details, procedures and policy.

The Prize Fund, Polycarp Fund, Mabel Roberts Fund and the 1981 Fund are permanent endowments.

Trust monies may be invested in the purchase of such stocks, funds, shares, securities and other investments as the Trustees shall in their absolute discretion think fit.

Subject to such consents as are required by law, the Trustees may borrow money whether or not on the security of the Trust property or any part of it, with power to charge any part of the capital or income with repayment of the money so borrowed.

Staff.

There are no paid staff.

Trust Expenses.

No expenses were incurred during 2019.

Trust Representation on the Governing Body of the School.

The Trust no longer has a specific position reserved for a representative of the Trustees. The original Trust Document states that a minimum of four Trustees should be Governors and this is currently the case.

Donation received.

The Trust was pleased to receive a further donation of £500 for the Bursary Fund from Sarah Stopford whose late husband John was the son of the School's Founder. John had contributed to the Stopford Bursary for several years along with his brother Robert.

The Trust's Funds.

1. The Development Fund

The objective of this fund is to help finance the following.

- The Governors' liability for the provision of accommodation and specialist facilities needed by the School in order to reach satisfactory standards.
- The Governors' liability for other works approved by the DfE.
- Off- programme building of long-term benefit to the School.
- Other work permanently improving existing buildings or creating longterm facilities.

The Trustees have made a grant of £13,000 to the School to replace the life-expired Projector and associated equipment in the Hall.

2. The 1981 Fund

This fund was raised by a group of far-sighted parents and friends of the School together with the first Head Master with the aim of giving the School a permanent endowment.

No payments were made from this fund in 2019.

3. The Mabel Roberts Fund.

An endowment to provide an income with which to help students in cases of individual need in paying for such items as school uniform and games clothing; school journeys to places at home and abroad; musical instruments and other equipment necessary to the full development of the students; support for students in cases of domestic crisis and to help other cases as the trustees may determine at their discretion.

The Trustees received six requests for Grants from the School during 2019 and paid a total of £792 to enable these students to take part in School trips and attend conferences. The Trustees will continue to apply the maximum grant figure of £150 to stay in line with School policy. In the case of trips, the application form submitted to the Trustees must include details of the educational value of the trip concerned.

4. The Polycarp Fund.

Endowed by Dr. Geoffrey Roberts, the first Head Master, together with other benefactors, to provide an income to meet the expenses of the School Chapel and religious services and otherwise to advance the spiritual life of the School.

The Trustees made a payment of £951 from the accrued Fund income to the School during 2019.

5. The Prize Fund.

These are endowments providing an income for certain annual prizes. £529 was granted to the School towards the cost of Prizes awarded in 2019.

6. The Stopford Bursary.

Established by Robert Stopford, Patron of the School and son of Bishop Stopford and maintained up to 2011 by annual donations from both him and his brother John Stopford. Following the death of John Stopford in August 2011, Robert Stopford continued to make an annual donation and the Trustees augmented this amount from investment income. In December 2014 and having consulted the Trustees, Robert Stopford decided to make a donation of £10,000 to the Bursary Fund and to stop his annual payments. Together with the Gift Aid that was claimed this generous gesture has guaranteed that Stopfordians will benefit from the Bursary for the forseeable future.

Andrew Constantinou, who received the 2018 Bursary, successfully completed the first year of his Mechanical Engineering Course and has now been paid the second instalment of his award.

The Trustees have approved the School's nomination of Menar Hassan to receive the 2019 Bursary. Menar is now studying Linguistics and Japanese at Birkbeck College, London University. She has formally accepted the Bursary and has now received the first £350 instalment of her award.

7. The Wastell Bursary.

The Trustees founded the Wastell Bursary in memory of Ian Wastell MA., JP., Benefactor and Governor from 1985-2008. The Bursary is awarded annually to a student who is going to study an Honours Degree course in History or a related subject. If there is no suitable candidate in this category the award will be made to a student taking an Honours Degree course who is in need of financial assistance.

Tanya Allen, who received the 2018 Bursary, successfully completed the first year of her Podiatry course and has now been paid the second instalment of his award.

The Trustees have approved the School's nomination of Stephen Fox to receive the 2019 Bursary. Stephen is now studying History with Philosophy at the New College of Humanities in London. He has formally accepted the Bursary and has now received the first £350 instalment of his award.
