FRANCO-BRITISH SOCIETY
Report of the Directors
For the year ended 31st January 2019

The directors present their report and the unaudited financial statements of the company for the year ended 31st January 2019. This is also a trustees' report required by the Charities Act 2006 and all trustees are directors.

Constitution

The Franco-British Society is a company limited by guarantee and a registered charity governed by its memorandum and articles of association.

Objects of the charity

The Franco-British Society is dedicated to encouraging closer relations between Britain and France. It acts as a focus for those individuals, groups and companies who wish to keep in touch with France, her history, language and current affairs, through a range of educational and cultural activities.

Directors and trustees

The directors during the year under review were:-

D Grieve QC

P McCoy FCA (resigned 30th April 2019)

G Merrylees (appointed 29th April 2019)

R Fairburn (appointed 29th April 2019)

Appointment of council members

All members are circulated with invitations to nominate council members prior to the AGM. When considering appointing new council members, the council has regard to any specialist skills that the Society needs.

Council members' induction and training

New members are made aware of their legal obligations, guidance on public benefit, the content of the Memorandum and Articles of Association and the financial state of the Society together with forecasts for the current year.

Review of activities

During the year, a programme of monthly events was carried out to encourage the cultural and educational links between Britain and France. The literary prize was awarded in recognition of furthering Franco-British relations.

Public benefit

The Trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our objectives and activities and in the planning of future activities. It is the judgment of the Trustees that activities in pursuit of the above objectives fully meet the public benefit test, which they have kept in mind in planning programmes for the charity. In delivering services and in the appointment of volunteers and trustees, the charity operates a strict policy of no discrimination on any grounds.

FRANCO-BRITISH SOCIETY
Report of the Directors
For the year ended 31st January 2019 (continued)

Results

The net resources surplus for the year before unrealised gains amounted to £30,042.

Reserves policy and risk management

The trustees seek to maintain a level of reserve income that the charity will require to sustain its programme of events. Free reserves amounted to £21,415 at 31st January 2019. Major risks that the charity faces are examined each year and systems developed to monitor and control these risks to mitigate any impact that they may have on the charity in the future.

Investment policy

It is considered that the most appropriate policy for investing funds is a balanced managed portfolio of equity and fixed interest securities with a medium/low risk category.

Statement of Trustees' responsibilities

The trustees (who are also directors of the charitable company for the purposes of company law) are responsible for preparing the Trustees' report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (UK GAAP).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources (including the income and expenditure) of the charitable company for that period. In preparing those financial statements, the trustees are required to:-

- 1) select suitable accounting policies and apply them consistently;
- 2) observe the methods and principles in the Charities SORP;
- 3) make judgements and estimates that are reasonable and prudent;
- 4) state whether applicable UK accounting standards have been followed, subject to any departures disclosed and explained in the financial statements;
- 5) prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

This report, which has been prepared in accordance with the special provisions relating to companies subject to the small companies regime within Part 15 of the Companies Act 2006, was approved by the Board and signed on its behalf by:

FRANCO-BRITISH SOCIETY
Independent Examiner's Report
For the year ended 31st January 2019

My report on the financial statements on the following pages for the year ended 31 January 2019 has been prepared in accordance with the Charities Act 2011 and with financial reporting standards applicable in the UK (FRS 102).

Respective responsibilities of Trustees and Independent Examiner

As described on previous pages, the charitable company's Trustees, who are also the directors of the Company for the purposes of Company law, are responsible for the preparation of the financial statements.

The Trustees consider that the audit requirement of Section 144(1) of the Charities Act 2011 does not apply, and that there is no requirement in the memorandum and articles of the charity for the conducting of an audit, and that the accounts do not require an audit in accordance with Part 16 of the Companies Act 2006 and that no member or members have requested an audit pursuant to section 476 of the Companies Act 2006. As a consequence, the Trustees have elected that the financial statements be subject to independent examination.

Having satisfied myself that the charity is not subject to audit under any legal provision, or otherwise, and is eligible for independent examination, it is my responsibility to:-

- examine the accounts under section 145 of the Act;
- follow the procedures in the General Directions given by the Charity Commission under section 145(5)(b) of the Act; and;
- state whether particular matters have come to my attention.

I conducted my examination in accordance with the General Directions given by the Charity Commissioners. An examination includes a review of the accounting records and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking of explanations from you as trustees concerning such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and, consequently, we do not express an opinion on the view given by the accounts.

I planned and performed my examination so as to satisfy myself that the objectives of the independent examination are achieved and before finalising the report I obtained written assurances from the Trustees of all material matters.

This is a report in respect of an examination carried out under section 145 of the Act and in accordance with any directions given by the Commission under subsection (5)(b) of that section which are applicable; and that no matter has come to my attention in connection with my examination which gives me reasonable cause to believe that in any material respect the requirements :-

- to keep accounting records in accordance with section 386 of the Companies Act 2006 and section 130 of the Charities Act 2011;
- to prepare financial statements which accord with the accounting records and comply with the accounting requirements of section 396 of the Companies Act 2006 and The Charities Act 2011 and;
- that the financial statements be prepared in accordance with the methods and principles set out in the Statement of Recommended Practice for accounting and reporting by charities FRS102

have not been met or to which, in my opinion, attention should be drawn in my report in order to enable a proper understanding of the accounts to be reached;

Nadine Pickworth

b Basis of Preparation

The financial statements have been prepared under the historical cost convention, with the exception of investments, which are included at market value. This is in accordance with the Companies Act 2006, Charities Act 2011 and the Charities Statement of Recommended Practice (FRS102). The Trustees have evaluated the funding and the operating activities and reserves position and have no material uncertainties about the Charity's ability to continue as a going concern.

c Fund Accounting

Unrestricted funds comprise the accumulated surplus that is available for the use at the discretion of the Council in furtherance of the objects of the charity.

Restricted funds are subject to special conditions imposed by the donor and are to be used to provide music scholarships.

The endowment fund represents a capital sum for generating income for scholarships.

Incoming Resources

All incoming resources are included in the SOFA when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies apply to the categories of income:

Voluntary income comprises all incoming resources from membership subscription and donations. Voluntary income is recognised on a receivable basis as is gift aid.

FRANCO-BRITISH SOCIETY
Notes to the Accounts (continued)
For the year ended 31st January 2019

Investment income comprises income from common investment funds and interest received from interest bearing deposits and securities.

Incoming Resources from Charitable Activities comprise event receipts from educational charities.

Resources Expended

Expenditure is accounted for on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.

Cost of generating funds comprise the costs associated with attracting voluntary income.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

All costs are allocated between the expenditure categories of the SOFA on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, others are apportioned on an appropriate basis.

Pensions

The charity does not operate a pension scheme.

Debtors

Trade debtors are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for impairment of trade debtors is established when there is objective evidence that the Company will not be able to collect all amounts due according to the original terms of receivables.

Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

Other financial liabilities, including bank loans, are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method.

Expenditure of a capital nature is capitalised at cost as fixed assets.

Depreciation is provided on reducing balance basis at a rate of 20% per year.
