**DIRECTORS' AND TRUSTEES' REPORT**

**FOR THE YEAR ENDED 30 APRIL 2019**

The trustees are pleased to present their annual consolidated directors' and trustees report together with the financial statements of the Stakeholder Democracy Network (the 'Charity' or 'Company') and its subsidiaries (together the 'Group') for the year ended 30<sup>th</sup> April 2019, which are also prepared to meet the requirements for a directors' report and Companies Act purposes.

The financial statements comply with the Charities Act 2011, the Companies Act 2006, the Memorandum and Articles of Association, and Accounting and Reporting by Charities: Statements of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

**OUR PURPOSE AND ACTIVITIES**

The group supports the efforts of those affected by the extractives industry and weak governance. We work with governments, companies, communities and other stakeholders to ensure the promotion and protection of human rights. The group has operated for 15 years in the Niger Delta and has offices in Port Harcourt (Nigeria) and London (UK). Our work is underpinned by strong relationships with stakeholders across the region, our local presence, and a strong focus on research and political economy analysis, which helps us to understand and respond to the constantly shifting dynamics of the Niger Delta.

Our vision is one of a new global economic and social contract, which corrects the asymmetry of power in negotiating social contracts between stakeholders in the global economy. Our vision is one that ensures basic rights – including economic and social development – are not sacrificed in one part of the world to the benefit of another.

Our mission is to support the efforts of those affected by extractive industries and weak governance through rights-based community empowerment. We strive to protect human rights and demand responsive governance.

The group has two subsidiaries that are registered in Nigeria whose activity is to aid Stakeholder Democracy Network to carry out its objectives in Nigeria. The first of these is Citizens Direct Network Limited, a company registered with the Corporate Affairs Commission (CAC) in the Federal Republic of Nigeria with the company number 847695. The second of these is Niger Delta Stakeholders Initiative for Community Development and Empowerment, a company registered with the Corporate Affairs Commission (CAC) in the Federal Republic of Nigeria with the company number CAC/IT/NO 73022.

**Achievement and activities**

The group continued to gain relevance and have influence on development initiatives within the Niger Delta region. This was done through expanding its number of funding partnerships and increasing its relationships with existing funding partners. Main activities for the period under review were the implementation of alternative livelihood pilots to help prove the economy can be diversified away from the oil industry and provide economic empowerment to citizens of the Niger Delta; the setup of a citizens reporting initiative for the elections in the Niger Delta which allowed for detailed reporting of incidents and issues; assisting the Federal Government in Nigeria to produce coordinated policy plans for development in the Niger Delta region; working with INEC to understand the lessons learnt from recent elections and how these can help improve future elections processes; working with the Ministry of Environment to promote the passing of key environmental legislation; and amplifying the voices of local communities through radio discussion to make sure their views are taken into consideration in political and development processes. The Trustees have focused on delivering sustainable impacts through programmes that provide good value for money so that donor funds can be used to maximum effect on the ground in the Niger Delta and further deepen the community engagement work that is fundamental to the group's success.

**Public benefit statement**

In shaping our objectives for the year and planning our activities, the trustees have considered the Charity Commission's guidance on public benefit, including the guidance 'public benefit: running a charity (PD2)'. The achievements and activities above demonstrate the public benefit arising through the group's activities.

**DIRECTORS' AND TRUSTEES' REPORT (Cont/d)**

**FOR THE YEAR ENDED 30 APRIL 2019**

**FINANCIAL REVIEW**

The Statement of Financial Activities showed a surplus of £100,921(2018 – deficit £8,917) for the year and reserves stand at £529,170 (2018 - £410,650).

The financial position of the group continued to improve during the reporting period as our portfolio of work increased and we built upon the foundation laid in prior years. The group has benefited from some long term funding as they, and the donor community, could more clearly identify what initiatives were likely to make impact in the current political and business environment over the past few years. The group therefore went through a period of building upon its financial stability and has structured itself to best deliver on its charitable objectives and be best prepared for future growth of the organisation.

**Principal funding sources**

The main funding sources for the group are grants awarded from government agencies. During the period under review the main grant authorities were The Dutch Embassy in Abuja, The UK Foreign & Commonwealth Office, The MacArthur Foundation and The UK Department of International Development.

**Investment powers and policy**

Under the Memorandum and Articles of Association, the group has the power to invest in any way the Trustees see fit.

**Reserves policy**

The Trustees consider it prudent to maintain an adequate balance of unrestricted reserves to cover the group's contractual commitments and provide a sound base for the future. Ideally, this should be equivalent to a minimum level of 2 months of the annual budget. At the 30<sup>th</sup> April 2019 the unrestricted reserves not invested in fixed assets totalled £325,688 (2018 – £246,065).

**FUTURE ACTIVITIES**

The charitable group have further built upon partnerships with the Nigerian government administration at a Federal, State and Local level and will further leverage these to amplify the voice of local communities in order for them to actively participate in their own development. The charitable group will continue to extend its alternative livelihood work to help diversify the economy away from the oil industry and provide economic opportunities for the citizens of the Niger Delta. The donor base will continue to be increased so that income streams are diversified which will help to reduce financial risk within the organisation. This is a time of significant change and opportunity in the Niger Delta as we look to capitalise on the potential for change after the Nigerian elections that took place in early 2019. The group will capitalise on this through its long-term experience at both the grass-roots and policy level.

The Trustees (who are also directors of Stakeholder Democracy Network for the purposes of company law) are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulation.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of its income and expenditure for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF**  
**STAKEHOLDER DEMOCRACY NETWORK**  
**(Limited by guarantee)**

**Opinion**

We have audited the financial statements of Stakeholder Democracy Network for the year ended 30<sup>th</sup> April 2019, which comprise the Consolidated Statement of Financial Activities (Summary Income and Expenditure Account), Statement of Financial Activities (Summary Income and Expenditure Account), the Consolidated Balance Sheet, the Statement of Cash Flows and Consolidated Statement of Cash Flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the group's and charitable company's affairs as at 30<sup>th</sup> April 2019 and of the group's and charitable company's incoming resources and application of resources, including the group's and charitable company's income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

**Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Conclusions relating to going concern**

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- The directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- The directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the group's ability to continue to adopt the going concern basis of accounting for a period of at least 12 months from the date when the financial statements are authorised for issue.

**Other information**

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information we are required to report that fact.

We have nothing to report in this regard.

**Opinions on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- The information given in the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- The directors' report has been prepared in accordance with applicable legal requirements.

# INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF (Contd/)

## STAKEHOLDER DEMOCRACY NETWORK (Limited by guarantee)

### Matters on which we are required to report by exception

In the light of the knowledge and understanding of the group and charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us;
- the financial statements are not in agreement with the accounting records and returns;
- certain disclosures of trustees' remuneration specified by law are not made;
- we have not received all the information and explanations we require for our audit;
- the trustees were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies exemption in preparing the Directors' and Trustees' Report.

### Responsibilities of directors

As explained more fully in the directors' responsibilities statements set out on page 13, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the group's and charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

### Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

**NOTES TO THE ACCOUNTS**

**FOR THE YEAR ENDED 30 APRIL 2019**

**1. ACCOUNTING POLICIES**

**1.1 Basis of preparation of accounts**

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) – (Charity SORP (FRS 102) Revised), The Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006. The group has opted for an early adoption of Charity SORP (FRS 102) Revised.

Stakeholder Democracy Network meets the definition of a public benefit entity under FRS 102.

The accounts (financial statements) have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts.

**1.2 Preparation of accounts on a going concern basis**

The Group's Financial Statements show net surplus before gains on consolidation of £100,921 for the year and unspent reserves of £529,170. The trustees are continuing to secure further funding and consider that the group will have sufficient resources for the next 12 to 18 months and on this basis the group is a going concern.

**1.3 Group financial statements**

The group financial statements consolidate the accounts of Stakeholder Democracy Network (the 'company') and its subsidiaries, Citizens Direct Network Limited and Niger Delta Stakeholders Initiative for Community Development and Empowerments. The Directors have taken advantage of the provisions of Section 408 of the Companies Act 2006 and do not present an individual profit and loss account for the company.

**1.4 Income**

Income is recognised when the group has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received and amount can be measured reliably.

- Income received by way of grants, donations and legacies are included in full in the Statement of Financial Activities when received, unless they relate to a specified future period, in which case they are deferred.
- Income from charitable activities received by way of revenue grants and donations are credited to restricted incoming resources on the earlier date of when they are received or when they are receivable, unless they relate to a specified future period, in which case they are deferred.
- Grants, donations and legacies of general nature which are not conditional on delivering certain levels of service are included as part of Grants, Donations and Legacies as shown under note 2 and 3.
- Membership fees are credited to incoming resources in the period to which they relate.
- Facility hire income is recognised as earned (that is, as the related goods or services are provided)
- Investment income is included when receivable.
- Income from activities includes income recognised as earned (as the related goods and services are provided) under contract. Course fees received in advance for the subsequent year are recognised as deferred income until the following year.

**1.5 Volunteers and donated services and facilities**

Donated professional services and donated facilities are recognised as income when the group has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit from the use by the group of the item is probable and that economic benefit can be measured reliably. In accordance with the Charities SORP (FRS 102), the general volunteer time of the Friends is not recognised and refers to the trustees' annual report for more information about their contribution.

On receipt, donated professional services and donated facilities are recognised on the basis of the value of the gift to the group which is the amount the group would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt. No such donations were received during the year.

**NOTES TO THE ACCOUNTS (Cont/d)**

**FOR THE YEAR ENDED 30 APRIL 2019**

**1.6 Expenditure recognition and irrecoverable VAT**

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

Expenditure is classified under the following activity headings:

- (a) Costs of generating funds are those cost incurred in attracting voluntary income, running a bar and those incurred in other trading activities that raise funds.
- (b) Expenditure on charitable activities includes the costs directly associated holding classes, events and running a sailing centre, to further the purposes of the group and their associated support costs.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

Expenditure is recognised when a liability is incurred. Contractual arrangements and performance related grants are recognised as goods or services are supplied.

**1.7 Allocation of support costs**

Support costs are those functions that assist the work of the group but do not directly undertake charitable activities. Support costs include back office costs, finance and administration personnel, payroll and governance costs which support the group's programmes and activities. These costs have been allocated between cost of raising funds and expenditure on charitable activities. The basis on which support costs have been allocated are set out in note 6 and 8.

**1.8 Funds structure**

The general fund comprises those monies, which may be used toward meeting the charitable objectives of the company at the discretion of the Management Board.

The restricted funds are monies raised for, and their use restricted to, a specific purpose or donations subject to donor imposed conditions.

**1.9 Tangible Fixed Assets And Depreciation**

Tangible fixed assets are stated at cost less depreciation. Individual fixed assets costing £500 or more are capitalised at cost.

Depreciation is provided at rates calculated to write off the cost or valuation of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

|                                |   |                    |
|--------------------------------|---|--------------------|
| Fixtures, fittings & equipment | - | 20% Net book value |
| Motor vehicle                  | - | 25% Net book value |

**1.10 Debtors**

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

**1.11 Cash at bank and in hand**

Cash at bank and in hand includes cash deposits and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

**1.12 Creditors and provisions**

Creditors and provisions are recognised where the group has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

**NOTES TO THE ACCOUNTS (Cont/d)**

**FOR THE YEAR ENDED 30 APRIL 2019**

**1.13 Financial Instruments**

The Trust only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

**1.14 Judgement and key sources of estimation uncertainty**

In the application of the group's accounting policies, the group is required to make judgments, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

| Commonwealth Foundation - CMAP | A project that brings musicians, producers and scholars together with local artists and writers through production and performance sessions: sharing skills and experience, making new music and encouraging debate on locally significant issues, from forced evictions to election violence. Sessions-in-the-Shed will make the socially excluded margins of the city a centre of musical creativity and connection. |

|                               |  |
|-------------------------------|--|
| Dutch Embassy                 | This project combines advocacy and social accountability approaches to achieve two main objectives: 1) to promote the clean-up of the Niger Delta and prevent oil spills and gas flaring, through improved environmental regulation and enforcement. Our work includes government engagement and a public campaign to call for improved legislation (particularly the separation of environmental regulation from other aspects of oil industry regulation); promoting compliance with best practice in oil pollution response, clean-up and compensation; and improving the capacity of the Ministry of Environment to enforce regulation. SDN also supports the Bodo Mediation Initiative, which is facilitating the oil spill clean-up in Bodo community, Gokana Local Government Area. 2) to promote good governance, particularly through greater budget transparency and accountability, and working towards free and fair elections. SDN's approach includes working directly with communities to engage with government, hold them to account, and increase citizen participation in government decision making. |
| Foreign & Commonwealth Office | Through this project, SDN aims to promote stability in the Niger Delta. Our approach combines research, consultation and the implementation of pilot projects to identify and support alternative approaches to stabilisation and development in the region. The lessons are presented to decision-makers at the state, federal and international level, to outline opportunities for scale-up and replication of the innovative approaches in their own activities and policies. The project focuses on Bayelsa, Delta and Rivers states.   |
| McArthur Foundation           | This project aims to improve mutual accountability between electricity providers and consumers in Nigeria, and thereby reduce corruption in the industry. It does this through building engagement between electricity customers, distribution companies and regulators, and by promoting greater uptake of reporting mechanisms to prevent fraud. The use of radio shows, town hall meetings and social media are key components of this project. The project is being implemented in Edo and Delta states, and includes key engagements with the Benin Electricity Distribution Company (BEDC).  |
| SACE                          | This project aims to promote transparency and accountability in electricity distribution by improving engagement between customers and Port Harcourt Electricity Distribution (PHED) Company. In particular, we aim to develop a complaints reporting and resolution mechanism with PHED using a mobile app, to enable customers to report problems with electricity supply and track PHED's response.   |
| DFID                          | This project supported the improved conduct of elections in the Niger Delta. It helped enable INEC, the police and other relevant actors to respond more effectively to electoral fraud and violence, through the provision of high-quality reporting and proactive engagement on observed election risks. Building on previous work by SDN and other organisations involved in observation and documenting electoral incidents in the Niger Delta, the project trained citizen observers to report on indicators of electoral fraud, violence and manipulation. Coordinating with existing civil society initiatives under the umbrella of the Civil Society Situation Room, we worked with the Armed Conflict Location & Event Database Project and Democracy Reporting International to train observers and produce high quality election observation reports.  |

OSIWA

This project aims to contribute to the promotion of gender equality in political representation and decision-making in Rivers State, and to contribute to greater understanding of women’s status in politics across Akwa Ibom, Bayelsa and Rivers states. It involves consulting women across Rivers State on their priorities in advance of the 2019 elections, and working with women’s groups to engage with electoral candidates on these policy priorities. We will also be working with the Nigeria Women’s Trust Fund to conduct research across the three states to generate original research and greater understanding of the status of women’s political engagement and the barriers they face to entering politics in the Niger Delta, and to establish a mentoring scheme for young women interested in entering politics.
