Objectives and activities

Summary of the objects of the charity set out in its governing document

To advance in life and help the young people of Littleport and the surrounding area through:

Advancing education;

The provision of recreational and leisure time activities provided in the interest of social welfare, designed to improve their conditions of life.

Providing support and activities which develop their skills, capacities and capabilities to enable them to participate in society as mature and responsible individuals.

To promote for the benefit of the inhabitants of Littleport and the surrounding area the provision of facilities for recreation or other leisure time occupation of individuals who have need of such facilities by reason of their youth, age, infirmity or disablement, financial hardship or social and economic circumstances or for the public at large in the interests of social welfare and with the object of improving the condition of life of the said inhabitants.

Additional details of objectives and activities (Optional information)

In planning our activities for the year we kept in mind the Charity Commission's guidance on public benefit during our Trustee Meetings.

We continue to concentrate on providing a large variety of activities to appeal to as wide a range of young people as possible as well as providing adult social activities which are also lacking in the community. This benefits people by developing their confidence and social skills as well as bringing the community closer together, as we welcome everyone, regardless of age, ability, social/cultural background or faith.

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

The Centre houses a Tea Shop, which is popular with community members of all ages, as well as being used by local Care Home residents and the Café at the Indoor Arena is always busy. Kung Fu sessions provide a social after-school activity for the younger people of Littleport, as does the Cinema Club. The Music Rooms are used for giving music lessons and provide a rehearsal venue for local bands. There is also a free toy and book Swap Shop for children and a free play room with a garden used by parents and children. Extra activities are organised in the school holidays. Local adults enjoy the Fitness Classes and Live Music Events. YPL's Charity Shop sells good quality second-hand items at very reasonable prices, which is important in this area of high unemployment, as is the opportunity for people to buy and sell items at the Auctions. The Cycle Shop has provided a local source of new and second-hand bicycles as well as a Repair Shop which will also loan bicycles to those who rely on them while theirs are being repaired. The IT Suite is of great benefit to the community, enabling the Centre to run free computer courses and give local people access to computers and the Internet on an ad hoc basis as well as schoolchildren needing computers for their homework. It is particularly useful to unemployed people who must search for jobs online.

We would not be able to offer such a variety of provisions to the community without the help of our many volunteers, who help in all areas from supervision of young people to working in the kitchens, the Charity Shop, the Auctions, the Cycle Shop and office.

Activities and the running costs of the Centre are financed by the revenue from the Tea Shop & Café, Charity Shop, Cycle Shop, now twice-weekly Auctions, room hire and our own fundraising efforts.

Section D

Achievements and performance

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

In 2018 YPL continued to concentrate on providing different activities to appeal to as wide a range of community members as possible. This benefits people by developing their confidence and social skills as well as bringing the community closer together, as we welcome everyone, regardless of age, ability, social/cultural background or faith.

Many of YPL's activities from last year continued, including the free Computer Courses, the Swap Shop, the Cycle Shop and Repair Service and the twice-weekly Auctions. The Tea Shop at the Centre in the village is still a focal point for many local residents and the Café at the Indoor Arena is always busy on auction nights as well as being popular with those working on the industrial estate where it is situated and HGV drivers passing the premises. The Charity Shop in the village enables people to buy good quality second-hand items at very reasonable prices. However, to maintain the community's interest and enthusiasm, some new ideas were implemented.

A mother and toddler group was started at the Granby Street Centre, which attracted many local mothers with babies and young children. The Performing Arts Centre continues to be the venue for the Shaolin Kung Fu lessons as well as DJB Fitness who also started a Walk/Run Club designed to help people improve their stamina. In the course of the year the Performing Arts Centre also hosted Adult Ballet classes and Boxing training, thus providing healthy options for young people and adults. The Performing Arts Centre was also used on an occasional basis by local drama groups and individuals as well as the YPL Cinema Club, with film showings tailored for young people in specific age-groups. The Performing Arts Centre has also been made available for local parents to use for children's parties free of charge.

Demand for cycles and repairs fell dramatically after Christmas 2017, and after the first quarter of the year it was regretfully decided that the Cycle Shop would be closed and the remaining stock sold at the Auctions.

In May a special Auction of the contents of a local ten-pin bowling alley attracted a very large number of bidders, some of whom became regulars at the usual twice-weekly Auctions. To celebrate the Royal Wedding, the Tea Shop hosted a Royal Cream Tea which was very popular.

YPL staged some Live Music events this year, including a 60's Night and a Rockhouse event, which were enjoyed by many village residents, their families and friends.

As usual, Christmas was a time for extra activities, including a free Film Show with Santa for local children on Christmas Eve and a Christmas Dinner with table service was enjoyed by many at the Indoor Arena Café.

Section D	Achievements and performance
	Donations of furniture, clothes and all manner of bric-a-brac continue to flow into the Charity, all of which have to be sorted and some collected before they can be sold at the Charity Shop and the Auctions. The time that volunteers spend doing this is invaluable, as is all the other work they do which keeps YPL going; those who work in the Tea Shop and Café during the day and those who give up their time in the evenings and on Saturdays to keep the Auctions running smoothly, the admin staff who are responsible for publicising the Centre, producing all manner of posters, as well as all the necessary paperwork for the Auctions and trying to keep track of the accounts, and all those who help out generally. It would be impossible for YPL to continue without the time and expertise the volunteers give.

Brief statement of the charity's policy on reserves	We are using our income from events and specific grants to complete various projects involving renovating the infrastructure of our premises to enable us to increase the range of activities we can offer the older youth of the area, and will concentrate on building up reserves at the bank in the future. At present our priority is using the funds we raise to sustain and extend the activities the Charity can offer rather than building up reserves in the Bank.

The finance for the overheads and running costs of the Centre are generated by its enterprises and activities. This would be impossible without the Volunteers, whose contribution, together with Phil's and the Trustees' hard work and vision, enables YPL to function on a day-to-day basis. Independent examiner's report to the trustees of Young People Littleport

I report to the charity trustees on examination of the accounts of the Trust for the year ended 31 December 2018.

Responsibilities and basis of report

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act'). I report in respect of my examination of the Trust's accounts carried out under section 145 of the Act. In carrying out my examination I have followed all applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement- matter of concern identified

I have completed my examination. I have identified matters of concern that give me reasonable cause to believe that:

- 1. accounting records were not kept in respect of the Trust as required by section 130 of the Act: and
- 2. the accounts do not accord with those records.

The receipts and payments accounts prepared for the Trust show only transactions reflected in the bank account. The trust operates 2 teashops for which records of cash income and expenditure have not been maintained for 9 months of the year. It has not been possible to quantify the unrecorded cash transactions but both income and expenditure have been understated in the accounts. The Trust holds twice weekly auctions selling items on behalf of third parties and also items donated to the Trust. again no records have been maintained to show cash transactions. The figure shown as auction/furniture income represents gross proceeds of items sold, some of which does not represent the charity's own income. It has not been possible to quantify the errors.

I confirm that there are no other matters to which your attention should be drawn to enable a proper understanding of the accounts to be reached.
