Review of Activities and Achievements

Introduction

Through our team of volunteers and staff, Our Great Commission (OGC) partners with churches, local councils, communities and civil societies to organise various community initiatives such as health days, youth conferences and monthly feeding program run by our young people. Our work has empowered many young people to gain direction and belief to gain and achieve goals that they set for their lives no matter their circumstances or background and to see the importance of having holistic mindset towards life.

OGC believes that every young person has something positive to contribute to society.
