**REPORT OF THE TRUSTEES**

The Trustees present their report with the financial statements of the charity for the year ended 31<sup>st</sup> December 2019. The Trustees have adopted the provisions of the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in July 2014.

**LEGAL AND ADMINISTRATIVE INFORMATION**

**Name of the Charity**

The official name of the charity is the 'Royal Naval Benevolent Society for Officers' (RNBSO). However, in 2008 the Trustees agreed to adopt the working title of the 'Royal Navy Officers' Charity' (RNOC).

**The Council structure and Trustees**

The Council members, who are the Trustees of RNBSO, are as follows:

President - Admiral Sir Mark Stanhope, GCB, OBE, DL

**STRUCTURE, GOVERNANCE & MANAGEMENT**

**Governing Documents**

The charity was founded in 1739 and in 1838 was incorporated by Royal Charter as the Royal Naval Benevolent Society (RNBSO). In 1996, 1997 and 2007 additional supplements to the Charter were granted.

The charity is governed by a set of rules, which were last amended in 2019 and approved by the members of the Society at the Annual General Meeting in July 2019.

**The Council**

The members of the governing Council meet thrice yearly and are, for the purposes of charity law, the Trustees of RNBSO. Trustees may be elected to the Council for a period of three years and retire by rotation, albeit offering themselves for re-election each year, if they remain eligible. The President is elected by Trustees from amongst its senior members. The Chairman and Deputy Chairman are elected from the Trustees by the Council to serve in those offices for a period of one year. They may also offer themselves for re-election, as long as they remain eligible.

The RNBSO is a subsidiary charity of the RNRMC but retains its own Trustees for the day-to-day administration of the charity. The RNRMC is, however, the Corporate Trustee with a power of veto at a General Meeting.

**Trustees Induction and Training**

New members of the Council attend the NCVO run Trustee Induction Course; receive an induction pack, which includes a description of their duties and responsibilities, and current policy documents for the charity. Further in-house and external training is available if required.

**Management and Administration**

The executive business of the charity is administered by the CEO, supported by two staff members jointly employed by the charity and ARNO which shares the same premises. All members of the Council give their time voluntarily and receive no benefits other than travelling expenses.

**Volunteers and Related Parties**

The RNBSO is also the sole Trustee of the ARNO Charitable Trust (CT). In addition, it manages the RN Scholarship Fund (RNSF) as a sub-charity. Work continues to subsume the RNSF into the main RNBSO Fund.

**Risk Management**

The Trustees monitor the principal risks in the charity via a Risk Matrix that is scrutinised by the Finance and Administration Sub Committee (FASC) and discussed by the Board annually. The Trustees believe that the charity is, under normal circumstances, both sustainable and resilient, in its structure, governance and administration. The Risk Matrix identifies the following areas as those of the highest potential risk if not mitigated:

<b>Risk</b>	<b>Mitigation</b>
Loss of key Staff	Robust supersession planning Ongoing review of records, systems, plans and projects. Internal cross desk training.
Compliance	Operating in an honest and ethical manner Monitoring changes in regulation/legislation Ensuring high quality and timely legal advice

**OBJECTIVES & ACTIVITIES**

**Objects**

The governing document enables relief to be given to Officers and former Officers of the Royal Navy, the Royal Marines, the Royal Naval Reserve, the Royal Naval Volunteer Reserve, the Royal Marine Forces Volunteer Reserve and the Queen Alexandra's Royal Naval Nursing Service, their spouses, former spouses and dependants who are in need.

When reviewing the objectives of the charity and in planning for the future, the Trustees have referred to the guidance contained in the Charity Commission's general guidance on public benefit.

**PUBLIC BENEFIT**

In shaping our objectives for the year and planning our activities, the trustees have considered the Charity Commission's guidance on public benefit, including the guidance 'public benefit: running a charity (PB2)'.

RNBSO is a membership organisation as well as a charity and on being established only members were eligible for financial assistance. In 1997 Trustees agreed to widen the criteria so that all serving and retired officers, whether members or not, would be eligible for benevolence in the future. Furthermore, the list of beneficiaries was widened to include wives, dependent children and former wives. Recently, with the approval of the Charity Commission, former officers of the Woman's Royal Naval Service have also become eligible to receive assistance.

**Grant Making Policy**

In accordance with its Royal Charter, the charity delivers its objects for public benefit by enabling financial relief to be extended by the Trustees to all officers of the Naval Service and their dependants who are in financial distress.

**SIGNIFICANT ACHIEVEMENTS**

The RNBSO continues to meet the need of all beneficiaries from its own investment income. In addition to regular beneficiaries, the number of new applicants continues to increase and in some cases applications are particularly complex. Applications are normally dealt with within 3 working days although in emergency cases can be resolved within 24 hours. A copy of the latest Impact report can be accessed at the charity website. [www.rnoc.org.uk](http://www.rnoc.org.uk). The recently updated ARNO/RNOC website [www.arno.org.uk](http://www.arno.org.uk) is being visited on a regular basis and all IT systems have been updated to ensure the latest compliance.

**FINANCIAL REVIEW**

**Investment Controls and Restrictions**

The Trustees ensure that the capital held by RNBSO is invested prudently and conservatively over the long term for the ultimate benefit of beneficiaries. The aim is to achieve a balance of income and capital growth through an agreed investment strategy.

Cazenove Capital Management continues to manage the charity's Investment Portfolio on a discretionary basis. The investment performance is measured against a composite portfolio benchmark which is regularly reviewed by Trustees.

Trustees have considered whether they should impose any ethical restriction on the investment of RNBSO's assets and have concluded that they would not wish to restrict the investment manager's ability to achieve their primary objectives. Nevertheless, Trustees believe it to be in the charity's long-term interests that its investments favour those companies that pursue ethical and socially responsible policies and have instructed fund managers to consider this position when choosing investments for the charity.

ANNUAL REPORT AND ACCOUNTS  
FOR THE YEAR ENDED 31<sup>st</sup> DECEMBER 2019**

**Investment Performance**

In comparison to Q4 2018 - portfolio performance was strong in the final quarter of 2019 and for the year as a whole as global equities, which form a large portion of the portfolios, ended 2019 at all-time highs. In the wider picture, investors have been encouraged by the prospect of a trade deal between the US and China, with a “phase one” deal now agreed. This is good news for global economic activity and Cazenove recently upgraded their growth forecast for 2020 to 2.6%. Despite the more optimistic economic backdrop, global government bonds have also remained in demand, with yields still at very low levels.

Returns across the portfolio were all positive and the year-end investment valuation for our combined restricted and unrestricted funds stood at £15,956,975. The Unrestricted portfolio generated a total return of 15.1% against a composite benchmark return of 14.4%.

We enter the New Year with a neutral allocation to equities. Easing global trade tensions provide a tailwind for global growth in 2020. However, stock markets may already be “pricing in” the improved outlook. Over the course of 2019, share prices rose sharply but earnings expectations drifted lower. As a result, shares have become more expensive, leading us to become more cautious. We remain underweight bonds, though some areas of the market – such as emerging market debt – look more appealing. We continue to favour alternatives assets, including listed infrastructure and renewable energy, which offer attractive diversification benefits and an attractive income stream.

**Financial Outcome**

Incoming resources for the year amounted to £647,417 and resources expended totalled £622,708 giving rise to a net income of £24,709 before recognised gains and losses on investments. Investment income was £590,934 and legacies/donations, for which the Council are extremely grateful, amounted to £56,483.

The total sum expended on grants during the year was £423,280 compared with £427,078 in 2018, with this slight decrease being a result of greater almonisation as opposed to a drop in applications. As in previous years the amount of applications from serving personnel continues to rise. Grants continue to be administered in a timely manner and it is extremely rare that valid applications are not met in full.

**Reserves Policy**

The aim of the charity is to maintain sufficient resources to continue to be self-financing in perpetuity. It aims to hold its free reserves to a level equivalent to six months of its own expenditure, which would require a liquid reserve of around £250k. At the year end funds amounted to £16.1m of which £356k are restricted and are therefore not freely available. The remaining funds are therefore £15.7m, the majority of which are represented by investments which the trustees deem to be held for the longer term in order to generate an income stream for the charity and remain sustainable for future generations.

**FUTURE PLANS**

**Future Activities and Aims**

The standard regular annual grant currently stands at £2500 pa. During 2020 the Benevolence subcommittee will review the level of grants and any other significant changes within the Benevolence sector before reporting their findings and any recommendations to the Board.

**STATEMENT OF TRUSTEES RESPONSIBILITIES**

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and UK Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the charity's Trustees are aware:

- there is no relevant audit information of which the organisation's auditor is unaware, and
- the charity's Trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information

# REPORT OF THE INDEPENDENT AUDITORS TO MEMBERS OF THE ROYAL NAVAL BENEVOLENT SOCIETY FOR OFFICERS

## Opinion

We have audited the financial statements of The Royal Naval Benevolent Society for Officers for the year ended 31 December 2019 which comprise specify the titles of the primary statements such as the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 'The Financial Reporting Standard Applicable in the UK and Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 December 2019, and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

## Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs(UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the audit of financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

## Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

## Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities Act 2011 requires us to report to you if, in our opinion:

## **REPORT OF THE INDEPENDENT AUDITORS TO MEMBERS OF THE ROYAL NAVAL BENEVOLENT SOCIETY FOR OFFICERS**

- the information given in the Trustees' Annual Report is inconsistent in any material respect with the financial statements; or
- the charity has not kept adequate accounting records; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we required for our audit.

### **Responsibilities of trustees**

As explained more fully in the trustees' responsibilities statement set out on page 4, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

### **Auditor's responsibilities for the audit of the financial statements**

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with regulations made under section 154 of that Act.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs (UK) we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purposes of expressing an opinion on the effectiveness of the charity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the charity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

**REPORT OF THE INDEPENDENT AUDITORS TO MEMBERS OF  
THE ROYAL NAVAL BENEVOLENT SOCIETY FOR OFFICERS**

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

This report is made solely to the charity's trustees, as a body, in accordance with Chapter 3 of Part 8 of the Charities Act 2011. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to any party other than the charity and charity's trustees as a body, for our audit work, for this report, or for the opinion we have formed.

**ROYAL NAVAL BENEVOLENT SOCIETY FOR OFFICERS**  
**NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> DECEMBER 2019**

**1. ACCOUNTING POLICIES**

**a) Basis of preparation**

These financial statements are prepared on a going concern basis, under the historical cost convention, as modified by (the revaluation of land and buildings and) investments being measured at fair value through income and expenditure within the Statement of Financial Activities.

The financial statements have been prepared in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102). The charity is a public benefit entity for the purposes of FRS 102 and therefore the charity also prepared its financial statements in accordance with the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (The FRS 102 Charities SORP) and the Charities Act 2011.

The financial statements are prepared in sterling, which is the functional currency of the company. Monetary amounts in these financial statements are rounded to the nearest pound.

The financial statements comprise the charity and its subsidiary, the Royal Naval Scholarship Fund (RNSF), under a Charity Commission Scheme.

The principal accounting policies adopted in the preparation of the financial statements are set out below.

**b) Going Concern**

The trustees have assessed whether the use of the going concern basis is appropriate and have considered possible events or conditions that might cast significant doubt on the ability of the charity to continue as a going concern. The trustees have made this assessment for a period of at least one year from the date of approval of the financial statements. In particular the trustees have considered the charity's forecasts and projections and have taken account of pressures on donation and investment income. After making enquiries the trustees have concluded that there is a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. The charity therefore continues to adopt the going concern basis in preparing its financial statements.

**c) Income**

All income is recognised when there is entitlement to the funds, the receipt is probable and the amount can be measured reliably.

Legacies are recognised following probate and once there is sufficient evidence that receipt is probable and the amount of the legacy receivable can be measured reliability. Where entitlement to a legacy exists but there is uncertainty as to its receipt or the amount receivable, details are disclosed as a contingent asset until the criteria for income recognition are met.

Income is deferred when the donor attaches conditions outside the charity's own control or specifies that the resources are to be used in a future accounting period.

**d) Expenditure**

Liabilities are recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category.

Grants payable are payments made to third parties in the furtherance of the charitable objects of the Charity. Unconditional grant offers are accrued once the recipient has been notified of the grant award and its payment is probable. Grant awards that are subject to the recipient fulfilling performance or other conditions are accrued when the recipient has been notified of the grant and either the performance condition is met or any remaining unfulfilled condition attaching to the grant is outside of the control of the Charity.

**ROYAL NAVAL BENEVOLENT SOCIETY FOR OFFICERS**  
**NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> DECEMBER 2019**

**1. ACCOUNTING POLICES (Continued)**

**e) Volunteers and donated services and facilities**

The value of services provided by volunteers is not incorporated into these financial statements. Where services are provided to the charity as a donation that would normally be purchased, this contribution is included in the financial statements at an estimate based on the value of the contribution to the charity.

**f) Irrecoverable VAT**

Irrecoverable VAT is charged against the category of resources expended for which it was incurred.

**g) Allocation of overhead and support costs**

Overhead, support and governance costs are allocated between the cost of raising funds and charitable activities. Overhead, support and governance costs relating to charitable activities have been apportioned between activities.

**h) Costs of raising funds**

The costs of raising funds consist of investment management fees, other direct costs of raising funds and an apportionment of overhead, support and governance costs.

**i) Charitable activities**

Costs of charitable activities include grants payable, other costs directly associated with providing benevolence to beneficiaries and an apportionment of overhead, support and governance costs.

**j) Governance costs**

Governance costs comprise all costs involving the public accountability of the charity and its compliance with regulation and good practice. These costs include costs related to statutory audit, legal fees and Trustee meeting expenses together with an apportionment of overhead and support costs.

**k) Fixed asset investments**

Investments are stated at market value inclusive of accrued income as at the balance sheet date. The statement of financial activities includes the net gains and losses arising on revaluation and disposals throughout the year.

Changes in fair value and gains and losses arising on the disposal of investments are credited or charged to the income or expenditure section of the Statement of Financial Activities as 'gains or losses on investments' and are allocated to the appropriate fund holding or disposing of the relevant investment.

**l) Realised and unrealised gains and losses on investments**

All gains and losses are taken to the income and expenditure section of the statement of financial activities as they arise. Realised gains and losses on investments are calculated as the difference between sale proceeds and opening market value or purchase date if later. Unrealised gains and losses are calculated as the difference between the market value at the end of the year and opening market value, or purchase date if later. Realised and unrealised gains are separated in the statement of financial activities.

**m) Funds structure**

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by the donor.

Unrestricted funds comprise those funds which the Trustees are free to use for any purpose in furtherance of the charitable objects. Unrestricted funds include designated funds where the Trustees, at their discretion, have created a fund for a specific purpose.

**1. ACCOUNTING POLICES (Continued)**

**n) Cash and cash equivalents**

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less.

**o) Financial Instruments**

The company has elected to apply the provisions of Section 11 'Basic Financial Instruments' of FRS 102 to all of its financial instruments. Financial instruments are recognised in the company's balance sheet when the company becomes party to the contractual provisions of the instrument. Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

With the exceptions of prepayments and deferred income all other debtor and creditor balances are considered to be basic financial instruments under FRS 102. See notes 12 and 13 for the debtor and creditor notes.

**p) Employee Benefits**

The costs of short-term employee benefits are recognised as a liability and an expense.

**q) Critical accounting estimates and areas of judgement**

In the view of the trustees in applying the accounting policies adopted, no judgements were required that have a significant effect on the amounts recognised in the financial statements nor do any estimates or assumptions made carry a significant risk of material adjustment in the next financial year.
