The Trustees at the time of the approval of this Report are set out below. They acted for the whole of the year ended 31 December 2019, except as otherwise stated -

Hiten Anand, BSc

Mark Bradberry
Carolyn Carter, DipMaglaw, Jp
Philippa Mistry-Norman, вA, Dip
Greville Norman, $\mathrm{BSC}($ Econ), $\mathrm{CPFA}, \mathrm{ACIS}, \mathrm{AGP}$
Dr Anthony Pruss, Bsc, PhD, mbBs, LRCP, mRCS, AFOM
Rosemary Pruss
Richard van Maanen, BSc, FRICS, AcIArb, ACsIOB
Lucie-Jane Lewis, mbe

Chair
Minute Secretary
Membership Secretary
Hon Treasurer and Hon Secretary

Appointed as a Trustee 27 April 2019

The Bede Griffiths Charitable Trust is a Charitable Trust governed by a Constitution amended on 21 August 2016 and registered with the Charity Commission, number 1106071.

The governing body of the Trust is the Committee, which comprises from 5 to 11 Trustees, who are elected by the membership for periods of three or four years.

## REPORT OF THE TRUSTEES

The Trustees present their report along with the financial statements of the Charity for the year ended 31 December 2019. The financial statements have been prepared using the accounting policies set out in Note 1 to the financial statements and comply with the requirements of the Charities Act 2011 and 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK (FRS 102) (effective 1 January 2015)'.

## Objectives and activities

The Bede Griffiths Charitable Trust was formed in 2003 and registered with the Charity Commission in 2004 with the following objects, unchanged by the constitution amended in 2016 -

1. The advancement of religion in particular to promote understanding and co-operation between the major religions and faith communities of the world.
2. The relief of poverty in the Indian sub-continent by the provision of such grants as the trustees shall determine from time to time, with particular reference to the work and vision of Father Bede Griffiths.

Father Bede Griffiths was an English Benedictine monk who went to live in Southern India in 1955 "to find the other half of his soul". He lived there for the last 35 years of his life, first helping to establish a Christian ashram in Kerala and then taking over the spiritual leadership of the Saccidananda Ashram (better known as Shantivanam) near Trichy in Tamil Nadu. He wrote many books and spoke in many parts of the world promoting interfaith understanding and dialogue. As well as being a great spiritual teacher, Father Bede actively supported the poor and destitute in the villages around Shantivanam. Further information about Bede Griffiths is at www.bedegriffiths.com. Brother Martin, a friend and disciple of Father Bede and one of the community at Shantivanam, suggested that the Trust was formed in Father Bede's name to help projects initiated by the Ashram and by individuals associated with the ashram.

The Trust fulfils its objects by making grants to charitable projects in India initiated and managed by local people known to the Trustees, and many of the Trust's supporters, in response to the social and economic needs of the most disadvantaged people. The projects are in villages within around 10 miles of the Ashram, called Thannirpalli, Pattavarthi, Veerambur and Inungur. In January or February each year the project managers in India submit an application to the Committee for grants for their financial year commencing in April, common to all Indian charities. Applications are normally accompanied by a financial statement of income and expenditure of the project in the previous year and/or by audited accounts.
The Trust is supported by members of the Bede Griffiths Sangha, an active community of followers of Father Bede which was founded in 1993 (see www.bedegriffithssangha.co.uk), by Chigwell and Prince's Mead Schools and a wider community inspired by the work of the Trust itself and its projects. Support for the Trust is largely but not exclusively in the UK and there are organisations named after Fr Bede in the USA and many parts of Europe.

## Achievements and performance

## Cumulatively to 31 December 2018

Cumulatively from its formation to 31 December 2018 the Trust had raised $£ 775.8 \mathrm{k}$ mostly in donations and gift aid, with a little income from sales, events and interest.

The Trust made grants up to 31 December 2018 to fund the following major infrastructure -

- A home for the destitute elderly
- A tuition centre in a very poor village in which children had previously studied under a street-lamp
- A home near the Southern tip of India for children from poor families who were badly affected by the tsunami of Boxing Day, 2004.
- Homes constructed from bricks, mortar and tiles to replace homes made of wood and leaves

## REPORT OF THE TRUSTEES

## Achievements and performance (continued)

- An infants' school and a junior school
- A multi-purpose hall located between the infants' and junior schools, used for dining, overflow classes, rehearsals and, by the infants, for taking a nap.

The infants' school

The multi-purpose hall

The junior school

Grants were also made up to 31 December 2018 to contribute towards -

- The majority of the running costs of -
- Two kindergartens, a day centre for the elderly and two centres training adults in typing, computing and tailoring
- A home for the destitute elderly
- A tuition centre in a very poor village
- A centre near the Southern tip of India for children from poor families who were badly affected by the tsunami of Boxing Day, 2004
- Infant and junior schools providing English-medium education for, currently, around 250 pupils.
- The educational expenses of poor children
- The distribution of milk to the poorest families
- The provision of rice, eggs and clothing for the elderly.

## Financial Review

The year to 31 December 2019
The year 2019 was unusual for the Trust in that two major fundraising campaigns were initiated specifically for infrastructure at the Tim Pruss Memorial School -

- The Rotary Club, mostly in Lymington, granted $£ 10.5 \mathrm{k}$ to the Trust for enhancements to the equipment at the School, including solar panels, fans and exterior lighting. These were completed in 2019 and representatives from the Rotary Club went to see them in November 2019.
- Mike Pruss and two friends ran the Long Beach marathon in October 2019 also to raise funds for equipment and further enhancements at the School. The Trust plans to make grants from these funds, of $£ 33.2 \mathrm{k}$ after costs, in 2020.

In the meantime the Trust ended the year 2019 with an unusually high cash balance of $£ 46.1 \mathrm{k}$.
The Trust also received a very generous donation from a former Trustee and her husband for western-style toilets at the home for the elderly, at Ananda ashram and for staff at the Timothy Pruss Memorial School. These were installed during the year.

Trustees organised a wine-tasting which followed the AGM and, for the second time, a Jumble Sale. They raised $£ 310$ and $£ 410$ net respectively in the year.

## REPORT OF THE TRUSTEES

Financial Review (continued)
Improved infrastructure at the Timothy Pruss Memorial School

One of the fans

An example of the exterior lighting

Solar panels (batteries are included)

In 2019 gross income was $£ 105.5 k$. (2018-£59.2k.). Total expenditure for 2019 was $£ 76.0 k .(2018-£ 55.2 k).$.
The Trust made grants in 2019 of $£ 75.1 \mathrm{k}$ to the following projects -

- The majority of the running costs of -
- Kindergartens, a day centre for the elderly and two centres training adults in typing and tailoring operated by the Swami Bede Dayananda Trust (£6.0k)
- A home for the destitute elderly operated by Shantivanam (£4.0k)
- A tuition centre in a very poor village operated by Shantivanam (£1.0k)
- Infant and junior schools named in memory of Timothy Pruss providing English-medium education for, currently, around 250 pupils and operated by BLESS ( $£ 41.0$ )
- Enhancements in the infrastructure at the Timothy Pruss Memorial School above, following the grant from the Rotary Club (£10.5k)
- Support for the Saccidananda Ashram ( $£ 4.0 \mathrm{k}$ )
- The provision of rice, eggs and clothing for the elderly by Ananda Ashram (£3.9k)
- The installation or improvement of toilets at the Home for the Elderly, Ananda Ashram and Timothy Pruss Memorial School ( $£ 3.7 \mathrm{k}$ ) following a donation specifically for that purpose
- The educational expenses of poor children ( $£ 1.0 \mathrm{k}$ )

The cost of generating voluntary income was $£ 431$ and governance costs, for Trustees' insurance and costs associated with the AGM, were $£ 322$.

The Trustees confirm that since the year end they are not aware of any events that would have a material detrimental impact on its position.

## Impact

Although the Trust is undeniably small, averaging a turnover of around $£ 55 \mathrm{k}$ pa over approximately 16 years of operation, it has had a disproportionately significant impact on its beneficiaries for the following reasons -

- The Trust has been very efficient in converting donations and other income into projects. Note 2 to the accounts shows that $92.9 \%$ of all incoming resources to date has been provided in grants, $0.4 \%$ spent on the cost of sales and $0.4 \%$ on remitting money overseas with, as explained above, an unusually high $5.7 \%$ remaining in unapplied funds. Only $0.6 \%$ of turnover has therefore been spent on the administration of the Trust.

## REPORT OF THE TRUSTEES

- The Trust's purchasing power in India has been significantly greater in India than it would have been in the UK because, despite higher inflation in India than in the UK, costs have continued to be much lower there than in the UK. Examples of this are that the construction of a home for up to 25 destitute elderly people costing $£ 13,000$ in 2005 could be financed by the Trust with the donation from a single family, that the infants and junior schools now educating 250 pupils each cost around $£ 7,000$ to build in 2007 and 2008 respectively and the most recent, brick and cement, family home with a tiled roof cost around $£ 2,095$.
- Its beneficiaries are very poor and a relatively small input of resources can produce a disproportionately large enhancement to their lives.

When determining grant allocations, trustees have had regard to the guidance issued by the Charity Commission on public benefit. In doing so, trustees have been mindful that, as a charity for the relief of poverty, the Bede Griffiths Charitable Trust is required to satisfy the 'benefit' aspect only. The charity does not have a purpose which is for the benefit of named individuals, whether or not they are poor.

## Reserves Policy

Trustees recognise that donors generally give money so that it can be applied to projects within a relatively short timescale. At the end of 2019 reserves were $£ 1,985$ (cf $£ 2,491$ at the end of 2018).

The Trust maintains an unrestricted fund and 8 restricted funds. The unrestricted fund is applied to meet both the balance of grants for restricted funds which do not have sufficient cash and grants for which there is no restricted fund. Typically in recent years only 2 or 3 of these restricted funds have had cash balances in excess of what is required to pay the grants approved by the Trustees in the following year. The Trust is heavily dependent on fundraising, donations and gift aid received during the year in which grants are made as is illustrated by the fact that it had cash balances of $£ 15,824$ at 31 December 2018 and made grants totalling $£ 75,095$ in 2019. The period from January to April or May each year is crucial for income, because the Committee tends to make its final grantmaking decisions in April and many of its grant payments in April or May. For the past few years the Trust has been in a position where it has needed to ration many grants as compared with grant applications but this has led to it using all, or very nearly all, of the cash in the unrestricted fund by the end of April or May.

The Trust can exhaust or almost exhaust its unrestricted fund and most of its restricted funds in this way in April or May because it has no staff and very little in the way of overheads - its commitments are only to its donors and beneficiaries - and because it receives regular donations, usually monthly, from its supporters to its unrestricted and restricted funds. It also operates a sponsorship scheme for children attending the Timothy Pruss Memorial School at $£ 12$ a month with gift aid or $£ 15$ a month without. This covers the average cost of educating each pupil taking account of the amount which the poorest families can afford to contribute to the cost. Around $80 \%$ of the parents are landless agricultural labourers.

The Trust maintains a detailed monthly cash budget which forecasts its commitments and the income it has secured and on which it can reasonably rely.

## Future Plans

Trustees commit the Trust and grants are approved only to the extent that resources are available in appropriate funds to pay them and project managers in India are aware of the Trust's policy in this regard. On whatever scale the Trust can support them, its activities continue to improve the lives of its ultimate beneficiaries.

The Trust has a fundraising strategy and plans to hold at least one fundraising event each year. The Chair and two of his friends will be attempting to climb the equivalent height of the highest point in the Tamil Nadu, in one day, on their local climbing wall. Long-term supporter, Alan Bishop is planning to undertake the walk of just over 200 miles from St Bees Head to Robin Hood Bay starting on 10 May 2020. There are also plans for coffee mornings and a jumble sale.

Budgeted expenditure for 2020 based on cash and forecast income is unusually high at around $£ 90 \mathrm{k}$, because it includes grants to be made from funds raised at the Long Beach marathon in 2019, but actual expenditure will

## REPORT OF THE TRUSTEES

depend on what cash is available in applicable funds at the appropriate times. In 2020 the Trustees plan to continue to make grants towards -

- The running costs of -
- A kindergarten, a day centre for the elderly and two centres training adults in typing and tailoring
- A home for the destitute elderly
- Nursery and primary schools providing English-medium education for around 250 pupils
- The educational expenses of poor children
- The provision of rice, eggs and clothing for the elderly.

The Trust has insufficient funds to consider long term investments. The Trust's current policy is to keep any surplus liquid funds in a deposit account with its bankers, HSBC, and to maintain liquidity by regular transfers from the current to the deposit account and vice versa. Around $£ 500$ is normally kept in the current account and the remainder in the deposit account.

## Risk Management

The Trustees seek to conduct business within a framework of good governance, prudent financial control and sustainability. In principle, the Trustees believe that the framework suggested by the Charity Commission offers a comprehensive and coherent methodology, and it has been adopted by the Trust.

The Trust therefore considers its major risks under the following categories:

- Governance and management
- Operational risks
- Finance risks
- External risks
- Law and compliance risks

The trustees are concerned that its resources have been able to meet a diminishing proportion of the funds requested by some of the projects it supports and have kept project managers informed of this. The sterling/ Rupee exchange rate continues to be a concern though the Trust has made it clear that this risk is borne by the Indian charities. The Trust has insufficient funds to mitigate exchange rate risk.

Because the Trust allocates grants solely to projects in India and does not employ agents in that region, trustees need to pay particular attention to questions of actual need and the proper expenditure of funds in relation to those needs. Of the risks identified in the risk register, the most challenging therefore are the risk of fraud or error, on the part both of the Trust and of project managers, and the risk of inappropriate use of funds by the projects in India. To mitigate against these risks, the Trust applies due diligence to all its own financial processes and requires the same on the part of the Indian charities by means of a memorandum of understanding with each. Monitoring of expenditure is achieved through an agreed reporting process in combination with face-to-face meetings with project managers when trustees visit India.

## REPORT OF THE TRUSTEES

Long trips are therefore unavoidable. Trustees have decided that they must give themselves adequate time for travel to reduce risk of injury/ illness and that flying, though environmentally damaging, is an acceptable mode of transport where feasible. Trustees bear the costs of visits themselves.

The Trustees have insured their liabilities as trustees.

## Structure, governance and management

The Trust adopted a formal membership scheme in August 2016. At the time of approving this report, its membership was just over one hundred. Members are kept informed during the year by the circulation of newsletters of which there were four in 2019.

Members of the Committee are appointed at Annual General Meetings, usually on the recommendation of the Committee. The Committee's recommendations were based on the Committee's knowledge of the skills, commitment and charities experience of the individual and on the basis of his/ her familiarity with the work of the Trust and the projects it supports.

At the Trust's 2019 AGM Lucie-Jane Lewis MBE was appointed as a Trustee. Lucie was awarded the MBE for services to the Charitable Giving Sector and to the Naomi House, Children's Hospice in Hampshire. She visited India and the Timothy Pruss Memorial School in November 2019. She was very impressed with the school and is keen to look at the ways she can help raise funds for the ongoing support of the Trust including particularly the school.

The Trustees meet formally at least three times a year but there is frequent consultation amongst the Trustees outside formal meetings, particularly amongst those with specific responsibilities. In addition a number of Trustees visit one or more of the projects in India at their own expense at least once a year. The Trust's Chair took a party of six to see the projects in February 2019 and in November 2019 Tony and Mary Pruss led a party of eleven people, including representatives of the Rotary Club of Lymington and their son, Michael, to visit the Timothy Pruss Memorial School. The purpose of such visits is partly to satisfy trustees, grantors and donors that the projects are being managed properly and that the outcomes of the projects are generally as agreed with the Trustees when considering applications for funding.

The Trust has no staff but it has the considerable continuing commitment and voluntary input of its Officers and other Trustees.

## Statement of Trustees' responsibilities

Law applicable to charities in England and Wales requires the Trustees to prepare statements for each financial year that give a true and fair view of the charity's activities during the year and of its financial position at the end of the year. In preparing financial statements giving a true and fair view, the Trustees should follow best practice and -

- Select suitable accounting policies and then apply them consistently;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements; and
- Prepare the financial statements on the going-concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy the financial position of the charity and which enable them to ascertain the financial position of the charity and which enable them to ensure that the financial statements comply with applicable laws, and regulations. They are also

## REPORT OF THE TRUSTEES

responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent Examiner
Mr Roger Timms, FCA has indicated that he wishes to stand down as the Trust's Independent Examiner beyond these accounts. He has been the Examiner from 2010 inclusive onwards - so 10 years - free of charge. Trustees are enormously grateful to him. The Trust is actively seeking a new Examiner for 2020 onwards.

Approved by the Trustees on 19 January 2020 and signed on their behalf by -

Hon Secretary

19 January 2020

## REPORT OF THE INDEPENDENT EXAMINER

I report to the trustees on my examination of the accounts of the Bede Griffith Charitable Trust for the year ended 31 December 2019.

Responsibilities and basis of report

Independent examiner's statement

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect -

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes forming part of the financial statements
For the period ended 31 December 2019

## 1. Principal accounting policies

### 1.1 Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with applicable accounting standards. In preparing the financial statements the charity follows, except where indicated below, the standards of the Statement of Recommended Practice for Charities. The Trustees' policy is that the Trust should adopt best practice. Accordingly the Trustees have decided to account on an accruals basis.

### 1.2 Fixed assets

The Trust has no fixed assets. Assets of the Trustees, such as computer equipment and use of their homes for meetings, are made available for the benefit of the Trust at no charge.

### 1.3 Incoming resources

Donations are recognised in the period in which the Trust is entitled to receipt and receipt is probable. Income is deferred only when the charity has to fulfil conditions before becoming entitled to it or where the donor has specified that the income is to be expended in a future period. The Trust received and was advised of no legacies in 2018 or 2019.

### 1.4 Resources expended

Expenditure is accounted for on accruals basis and allocated to the appropriate heading in the accounts. Expenditure is recognised in the period in which it is incurred.

### 1.5 Charitable expenditure and basis of allocation of costs

The Trust has no staff, no salaries and its only governance costs related to Trustees' insurance and cost related to the development of a new website. It also incurs bank charges in generating voluntary income and in transferring funds to India and, occasionally, in buying goods for sale. These costs are allocated directly to appropriate funds and, being immaterial, are otherwise met from the unrestricted fund.

### 1.6 Gifts in kind

Voluntary income received by way of donations to the charity is included in full in the Statement of Financial Activities when receivable. Gifts in kind are included at market value and as resources expended at the same value when distributed, except for time devoted to the Trust or costs incurred by the Trustees for the Trust unless these are reimbursed.

### 1.7 Fund accounting

The Trust meets its objects almost exclusively by making grants to charities in Tamil Nadu, India. It maintains restricted funds for each of those charities, each of which may have one or more than one purpose and activity. In the latter case the Trust may maintain restricted funds for some of those individual activities as well as for the totality of that charity's activities. A description of the activities of each charity is provided in note 10. Gift aid is, and since the formation of the Trust has been, credited to the same fund as the donations which gave rise to it except where the donor has expressly requested to the contrary. Funds held by the Trust are either -

Unrestricted general funds - these are funds which can be used in accordance with the charitable objects at the discretion of the Trustees.
or Restricted income funds - these are funds that can only be used for particular restricted purposes narrower than the objects of the Trust. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.
The Trust has no endowment and no designated funds.

### 1.8 Transfers

All funds are held for the Trust. Transfers may be executed for projects which have been completed but have a remaining surplus. Transfers from restricted funds have taken place only with the donor's consent. Trustees agreed transfers from the unrestricted fund to restricted funds to meet any expenditure in those restricted funds for which there is insufficient restricted income.

### 1.9 Irrecoverable Value Added Taxation

The Trust is not registered for Value Added Tax. Irrecoverable Value Added Taxation is aggregated with the expenditure to which it relates.

Notes forming part of the financial statements For the period ended 31 December 2019
2. Detailed income and expenditure account

| 46,075 | 15,824 |

## 9. Related party transactions

No payments were made to Trustees or their families in 2018 or 2019 except on production of vouchers for expenses incurred for the Trust. The total of such expenses in 2019, for the costs relating to a fundraising event, was $£ 79$ and in 2018, for website software, $£ 184$. Expenses incurred by Trustees and others for the work of the Trust which were not reimbursed are not accounted for.

A total of $£ 14,135$ ( $£ 17,655$ inc gift aid) was donated in 2019 by Trustees and close members of the families of Trustees who had been Trustees for at least a part of the year. The comparative figures for 2018 were $£ 15,532$ excluding and $£ 19,290$ including gift aid.
10. Analysis of the activities financed by the restricted income funds

Some donations to the Trust are restricted to particular projects, some to the projects of a particular recipient Indian charity and some to more than one charity but not to all. The restricted income funds are layered and 'nested' in the following way -

Timothy Pruss Memorial School

Ashrams' social programmes -

Ananda Ashram

The infrastructure and running costs of the Timothy Pruss Memorial School.

The social programme of Shantivanam, Ananda Ashram and of the Swami Bede Dayananda Trust, each of which also has its own

The year-round provision of milk, eggs, rice and clothing for around 15 elderly people and improvements to the infrastructure of the ashram.

Swami Bede Dayananda Trust (SBDT) The salaries and running costs of SBDT which provides kindergartens and centres for the training of adults in tailoring and typing in two villages and one day centre for the elderly.

Friends of Shantivanam - The social programme, minor infrastructure projects and running costs of Shantivanam including the following, which also have their own restricted funds -
Home for the Elderly

Veerambur and houses

Education

The running costs of a home for the destitute elderly run by Shantivanam.

The building of houses for the poor, and the running costs of the tuition centre for children, in the village of Veerambur.

Educational fees and costs for poor individual students paid to their schools.

The Trust is the major funder of the Timothy Pruss Memorial School. It is not the sole funder of any of the projects or activities it supports.
