ACHIEVEMENTS AND PERFORMANCE

Members gave generously towards our appeals for funds to support refugees in Syria and Turkey. The £13,015 (2018-£23,640) collected was used to purchase food and medicines to be transported to where it was needed overseas.

Members also continued to give funds to support funeral costs and this amounted to £67,645 (2018-£68,115) in the year. Families suffering bereavement found this greatly helpful, in particular when the repatriation of the deceased was desired.

FINANCIAL REVIEW

Financial position and future plans

The Trustees are pleased to report an overall surplus for the year including restricted funds of £58,813 (2018 - £67,964). The trust plans to retain the unrestricted surplus for the acquisition in the future of a site for a mosque. The balance sheet net assets increased to £309,299 (2018 - £250,486).

Reserves

The Trustees' policy is to utilise any reserves for the future acquisition of a mosque, as referred to above. Total funds of £309,299 comprised unrestricted funds of £208,130 and restricted funeral funds of £101,169.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing Document

Al-Fath Trust was incorporated on the 21st May 2012 as a company limited by guarantee. Its Articles of Association were amended on the 23rd July 2013 and it was registered as a Charity on the 30th September 2014. Inadvertently the company was dissolved on the 17th November 2015 and it has since been reinstated by Companies House.

Trustee Selection Method

The basis of selecting new trustees is by way of identifying people who regularly attend events and functions organised by the Trust and show an interest in and volunteer to help out during these activities. These people are then invited to attend trustees' meetings as observers.

AL-FATH TRUST

REPORT OF THE TRUSTEES

FOR THE YEAR ENDED 31st MAY 2019

They are then given more details of the Trust's aims and objectives. Upon satisfaction that these are in line with their ideology of Charity work and after due consideration of the person's eligibility, personal competence, specialist knowledge and skills they are proposed as new trustees by the existing ones at the subsequent meeting where they are appointed by the current trustees.

Decision making

All decision by the trustees must be according to the teaching of the last Holy book Al-Qu'ran and Sunnah of the last Prophet, Muhammad (peace be upon him) and based on majority ruling after proper assessment of the subject matter. The trustees are legally responsible for the overall management and control of the charity and meet on a regular basis at least once a month.

Risk review

The trustees have conducted a review of the major risks, which the Charity is exposed to and systems have been established to mitigate those risks. Significant external risks to funding have been reduced by the development of a strategic plan, which will allow for development only when the funds are in hand or have been guaranteed. Internal risks are minimised by the implementation of procedure for authorisation of all transactions and projects and to ensure consistent quality of delivery for all operational aspects. These procedures are periodically reviewed to ensure that they still meet the needs of the charity.

Through the risk management processes established for the Trust, the trustees are satisfied that the major risks identified have been adequately mitigated where necessary or are in the process of being mitigated. It is recognised that systems can only provide reasonable but not absolute assurance that major risks have been adequately identified and addressed.

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations 2008 and the provisions of the company's Articles of Association require the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure of the Charity for that period. In preparing those financial statements the trustees are required to:

- a) select suitable accounting policies and apply them consistently;
- b) observe the methods and principles in the Charity SORP;
- c) make judgements and estimates that are reasonable and prudent;
- d) prepare the financial statements on the going concern basis unless it is appropriate to presume that the Charity will continue in operation.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Company Articles. The company has taken advantage of the small companies' exemptions in preparing the report above.

Independent Examiner's Report to the Trustees of Al-Fath Trust

I report to the charity trustees on my examination of the accounts of the company for the year ended 31st May 2019 which are set out on pages 8 to 16.

Responsibilities and basis of report

As the Charity's trustees of the company (and also its Directors for the purposes of company law) you are responsible for the preparation of the Accounts with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your Charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent Examiner's Report

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those accounting records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

AL-FATH TRUST

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MAY 2019

1. ACCOUNTING POLICIES

Basis of Preparing the Financial Statements

The financial statements of the Charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'. The financial statements have been prepared under the historical cost convention.

The Trustees have assessed whether the use of the going concern basis is appropriate, and have considered possible events or conditions that might cast significant doubt on the ability of the charity to continue as a going concern. The Trustees have made this assessment for a period of at least one year from the date of the approval of these financial statements, and have concluded that there is a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. The charity therefore adopts the going concern basis in preparing its financial statements.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible Fixed Assets

Tangible fixed assets for use by the Charity are stated at cost less depreciation.

Depreciation is provided at rates calculated to write off the cost of fixed assets, over their expected useful lives on the following basis:

Computer equipment 20% straight line
Office equipment 20% straight line
Motor & Vehicles 20% Reducing Balance

AL-FATH TRUST
