Achievements and performance

Summary of the main achievements of the charity during the year

In the region of 260 local children now form part of Heath Park Rangers AFC and enjoy playing football once or mostly twice a week (weather permitting access to park pitches).

The charity has been able to provide new playing kit to all players over the past two years, and in many cases has been able to offer additional items of 'kit' to reinforce the team and club bond and identity.

The club has in the region of 70 volunteers across the club in coach, admin and first aid roles.

The club has been able to purchase more equipment for the teams to assist with their coaching and playing, and have been able to hire training venues including floodlit venues throughout the extended winter period so that teams can continue to train even when the nights draw in.

Section E

Financial review

Brief statement of the charity's policy on reserves

The retention of sufficient surplus at the end of each financial year allows the Club to positively plan ahead for the following financial year / season in advance of receipt of income from monthly subs.

These reserves notably allow the Club purchase of new kit and equipment and other necessary upfront payments and to arrange a celebratory end-of-season presentation day where awards are given out to all children

The value of reserves is driven by the number of teams and number of players in the club at that time, and any associated changes in expenditure

Details of any funds materially in deficit

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The principal source of funds is registration fees and monthly subscriptions in respect of players. Individual teams also seek to secure wherever possible sponsorship from local shops, businesses or organisations, who wish to engage with a local Community Football Club, while opportunities are taken whenever possible to apply for appropriate grants.

Key areas of expenditure include football related equipment, kit and leisure wear for players and venue hire, trophies for all children at end of year presentation plus contributions towards festivals and tours.

Section F

Other optional information

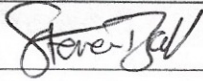

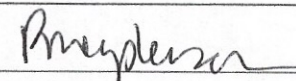

The principal risk arises from the reliance on volunteers to coach, support and run the Club. Any loss of key volunteers can have adverse impacts, although it is noted that the new Committee appointed in June 2018 continues to lead the Club in an effective manner.

Section G
