## Chairman's Report

The Apostle Paul prayed: *"Now to Him who is able to do exceedingly abundantly above all that we ask or think, according to the power that works in us, to Him be glory in the church by Christ Jesus to all generations, forever and ever. Amen."* (Ephesians 3:20-21)

Throughout Scripture we see that God is about doing extraordinary things with ordinary people so His purposes are achieved and He gets the glory.

Power of the Living Word Ministries International invests in and equips people from all the generations of life. Through practical support, teaching, example and encouragement we strive to help all ages discover how important they are to God, who seeks to do improbable things through improbable people.

During 2018/19 we have witnessed our youth and young adults in our partner churches overseas and here in the UK through the theme "you have a voice, use it", be instrumental in some of the most transformative moments in the lives of others.

Under the leadership and tireless efforts of our Visionary and Senior Pastor, Rt Rev Apostle Dr Donnett Thomas, supported by our Pastors, Elders, members we strive to see the bigger picture, because we recognise that everyone is important to God.

2018/19 has seen the advancement of our charity objectives in new and innovative ways and we give God the glory for the change and growth this has brought.

## **"You Have a Voice, Use It"**

God has given the young adults a great opportunity in this year. Where it seemed like an age group was going missing from the House of God, He has showed us we are needed and valuable.

God gave us a theme of "You have a voice, use it!" In early September of 2018 we held our first prayer breakfast in the Pestana Chelsea hotel. From the theme we understood our voice could take many different forms, but no matter what form, it needs to be heard. David Olise was our speaker and with prayers, flags and annointed art we started with great momentum, which was continued with a three day event in January, where we had one of our young Pastors from India, Pastor Emmanuel David join us and be our speaker on all 3 days.

We started on the Friday with a night of celebration of drama, rapping and exhortations. On the Saturday we held debates on topics that effect us as young people in the House of God, what is our voice on it and does it have a place in the House of God, such as social media and transgender, these really sparked conversation. With such wide age groups and understanding it was good to draw from the Word of God for the answers.

The three day programme was rounded off with a Sunday service. It was a special privilege to have our Pastor from India to minister with us, sharing his experience as a young man. I am grateful for the opportunity our Senior Pastor has given us, showing us this is just the beginning of us using our voice for this generation and the next, and that we have a valued place in the House of God.

## Launch in Kitui, Kenya - 29th September 2018

The True Redemption Apostolic Network was formally launched in the Eastern region of Kenya at Kitui. This coincided with the consecration of Rev Paul Makau, the International Chairman as a Bishop.

The Launch was attended by the Visionary Apostle Donnett Thomas as well as Prophetess Alison Trethewy our TRAN Secretary, the U.K. TRAN Chairman Pastor Chidi Umezurike, and Deacons Bernard Adehor and Veronica Aurelien.

It was very well attended by leaders of other Ministries in the region and Apostle spoke about the vision of TRAN and Pastor Chidi spoke about the need for TRAN in equipping Fivefold Ministers for their unique purpose in Ephesians 4:11-16.

True Redemption Apostolic Network which was first introduced in Mombasa Kenya, has now reached the Eastern region of Kenya in Kitui, where the International Chairman is based.

This unique end time Network is spreading worldwide and across Kenya.

## Creative Arts

Creativity and anointed dance have had opportunities to minister to individuals through dance workshops and art workshops alike. Brethren have tried printing techniques such as Lino print and polyprint, creating their own Christmas cards and pieces of art. Learning new artistic skills, raised self esteems and confidence for those who took part with fellowship being a key part to the evenings. We have also run workshops on the importance of Christ being the centre of our choreography and that the choreography should minister Gods love and power to those who have the opportunity to experience it.

This years Creative day was vibrant and exciting. Participants had the opportunity to try drumming, steel pan playing, healthy eating workshops, choir, painting and printing and cake baking. We also had put together baby hampers for expectant mothers and new mothers alike.

The day ended with anointed dance ministering, steel pans playing , poetry was recited and the choir ministered in song.

## International Report

This was a year of growth in our International work in Kenya. Rt Rev Apostle Dr Donnett Thomas consecrated our first Kenyan Bishop. Paul Makau in September 2018. Many Kenyan Bishops and Pastors attended this special occasion, with some invited to take part by our Apostle. They were overjoyed to be part of this special occasion in support of Bishop Paul Makau.

Bishop Paul Makau will be a direct liaison between the Apostle and her Kenyan Pastors and represent her locally and Internationally.

He has already visited potential Ministries and Churches on her behalf and this will be a much needed addition to our work in Kenya and that part of Africa.

In May 2018 we thanked God for serving him for 10 years in Kenya as a registered Kenyan Society. We have witnessed growth in churches, equipping of individuals and ministers have been ordained into their positions of service all over Kenya. We celebrated with Christ Visitation Centre their 10th anniversary having been with them from the start.

## Vacation Bible Schools

Vacation Bible Schools were held in London, Mombasa Kenya and in Chennai India. The vision is developing with children benefitting from Christian teaching, games and a safe environment.

So many children have been given food to eat and a happy time in our Churches, with India meeting on a rooftop.

## Discipleship in Action

The Ministry is in transition we have closed the door of 'Teaching week Away' and opened a door to 'Discipleship in Action'.

Jeremiah 29 v 11 'For I know the thoughts that I think toward you, saith the Lord, thoughts of peace, and not of evil, to give you an expected end'  
Habakkuk 2 v 2-3 'Write the vision, and make it plain upon tables, that he may run that readeth it. For the vision is yet for an appointed time, but at the end it shall speak, and not lie; though it tarry, wait for it; because it will surely come, it will not tarry'

The Scriptures speak of our new endeavours to now act, to be busy working towards our destiny. This time away is to ensure the vision is plain so we can pursue together.

Discipleship in Action is our beginning of being changed and committed to mission. The first question given to us by the Holy Apostle was 'Why is it important to have discipleship as our main aim for growth?' Because Disciples are the one's who are sent out, whom model Christ and spread the Gospel.

All in attendance, including our international minister and wife from India, sat under the teaching of the Holy Apostle as disciples, in boardroom style setting. First item on the agenda 'not just to follow but to first trust and follow Jesus to imitate and to be intentional. Being an apprentice is 'knowing who we are learning from' to gain experience and knowledge in the context of committed relationships to be 'yoked with him' which was illustrated to us to show how he will disciple us. It was a wonderful time of learning, sharing, worship and drama, at our first visit to Old Windsor the De Vere Hotel.
