TRUSTEES REPORT (INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 27 FEBRUARY 2019

The Trustees present their report and financial statements for the year ended 27 February 2019.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the Charity's [governing document], the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016)

Objectives and activities

The Objects are specifically restricted to the following, for the public benefit:

- the advancement of amateur sport including by providing facilities for playing football, rugby league or other amateur sports promoting health as the Trustees shall determine;
- the promotion of facilities for recreation or other leisure time occupation for the benefit of the inhabitants of the Spenborough district of Kirklees and the surrounding area in the interests of social welfare and with the object of improving the condition of life of the said inhabitants;
- the advancement of health; and
- the advancement of education and training, in particular in amateur sports and health.

The Trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the Charity should undertake.

Financial review

The Charity's total income from resources was £48,600 to 28th February 2019 (2018: £33,436).

The Charity's total expenses were of £32,817 for the same period (2018: £36,643).

Leaving a surplus for the year of £15,783 (2018: deficit £3,207), leaving a surplus to carry forward of £17,041.

We should see an improvement in incoming resources in the next financial year.

It is the policy of the Charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month's expenditure. The Trustees considers that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the Charity's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

The Trustees has assessed the major risks to which the Charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Structure, governance and management

The Charity is a company limited by guarantee, incorporated on 24 February 2016 and registered as a charity on 14 December 2016.

The Trustees, who are also the directors for the purpose of company law, and who served during the year and up to the date of signature of the financial statements were:

Mr S Armitage

Mr A Hepworth

Mr R C Light

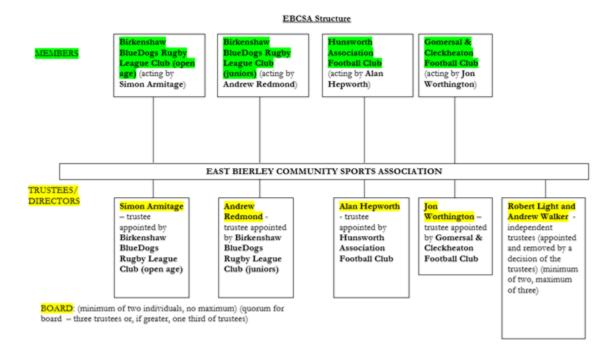

Mr A Redmond

Mr A M Walker

Mr J Worthington

TRUSTEES REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) FOR THE YEAR ENDED 27 FEBRUARY 2019

The directors as a board agree and deliver the strategy and polices of the charity. The key objectives are to manage the site and its facilities and to also ensure that it is able to meet all its liabilities from a running cost perspective. The organisational structure is detailed as follows:

TRUSTEES REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) FOR THE YEAR ENDED 27 FEBRUARY 2019

Induction and training of new trustees

The charity's preference is that all trustees have an interest, as well as the skills required to offer and assist the charity's development. This is our first report so there is no specific policy in place for inducting new trustees into the charity but this is something which will be considered moving forward and as it grows.

A new and independent trustee is to be appointed to the board to focus on specifically looking at pulling together the required policy and procedure documentation required for such a charity and any changes will be launched over the coming periods.

Members

The liability of members is limited to £1 – this means that if the Charity dissolved each member would only have to provide £1 towards the cost of any liabilities (Article 3).

Members must be organisations (Article 6.4). However, the articles of the Charity state that if a member is an unincorporated organisation it needs to nominate a representative to act on its behalf (Article 6.3). The current members of the Charity are:

- Birkenshaw Blue Dogs Rugby League Club open age (acting by Simon Armitage)
- Birkenshaw Blue Dogs Rugby League Club juniors (acting by Andrew Redmond)
- Hunsworth Association Football Club (acting by Alan Hepwroth)
- Gomersal & Cleckeaton Football Club (acting by Jonathan Worthington)

The Charity also has two independent trustees who have the same voting power as the member clubs and these include:

- Independent (acting Robert Light)
- Independent (acting Andrew Walker)

(Article 6.2)

The members can appoint trustees. The Articles of the Charity say that each member can appoint at least 2 trustees who are themselves members, or are members of a current member – e.g. in relation to the football club, Kevin and another member of the football club (Article 8.3).

New members must be approved by a special resolution of the Charity (i.e. with the approval of 75% of the current members (article 6.4)). It is worth a quick line as to what constitutes a special resolution – this is passed if 75% or more of members voting at a general meeting approve the matter.

Trustees (article 8)

The trustees have control of the Charity, its property and funds. Trustees (other than independents (see below)) are appointed by members as referred to above and are removed in accordance with Article 8.5. There is to be a minimum of 5 trustees. Currently the Charity has 8.

The trustees can appoint the secretary, chairman, treasurer and can delegate their functions to committees. Each committee must be made up of at least one trustee. I refer to these board appointments later in the note.

The trustees have the responsibility of keeping the accounts and annual returns.

The trustee board must have at least two (subject to a maximum of three) independent trustees who are not also members. This is to ensure fairness and help in managing conflicts. Such trustees are appointed by the other trustees in accordance with Article 8.2. They are removed in accordance with Article 8.5.

TRUSTEES REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) FOR THE YEAR ENDED 27 FEBRUARY 2019

Annual Report (March 2018 - February 2019)

Simon Armitage, Secretary

It has been a good third year for our organisation and have a few exciting achievements planned in the coming year. Here's a few things to mention:

- Nicky Lawton has been appointed as a Non-Executive Member to act in the role of treasurer
- Trustee responsibility is to be split into new specific areas of responsibility / governance to ensure conduct & compliance with all our requirements
- After successfully taking on the new tenants Nova Bowmen back December 2018 and Gomersal and Cleckheaton Juniors FC, Gomersal and Cleckheaton Juniors FC have now become a full member club of EBCSA
- The planning and design stage for "phase 2" of the development of the site has commenced and we
 hope to be able to submit a planning application early in the New Year
- A new membership scheme will be launched in 2020 for the 2020 / 2021 season and to accommodate the new member clubs / tenants
- The charity continues to rely on fund raising activities to ensure it is able to meet all the on-going liabilities but the volunteers involved continue to deliver strong results in this area and hope to just about break even this FY

The trustees are very much focused to the future development of the site, its facilities and all those who use them so I would just like to personally thank everyone for their contributions and to say that we are extremely excited about our plans going forward.

Disabled persons

The Charity's policy is to consult and discuss with employees, through unions, staff councils and at meetings, matters likely to affect employees' interests.

Information of matters of concern to employees is given through information bulletins and reports which seek to achieve a common awareness on the part of all employees of the financial and economic factors affecting the group's performance.

The Trustees report was approved by the Board of Trustees.

Responsibilities and basis of report

As the Trustees of the Charity (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 (the 2006 Act).

Having satisfied myself that the financial statements of the Charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the Charity's financial statements carried out under section 145 of the Charities Act 2011 (the 2011 Act). In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the Charity as required by section 386 of the 2006 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
- 4 the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 27 FEBRUARY 2019

1 Accounting policies

Charity information

East Bierley Community Sports Association is a private company limited by guarantee incorporated in England and Wales. The registered office is 14 Bracken Hill, Mirfield, West Yorkshire, WF14 0EZ.

1.1 Accounting convention

The accounts have been prepared in accordance with the Charity's FRS 102" The Financial Reporting Standard applicable in the UK and Republic of Island" ("FRS 102"), the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016). The Charity is a Public Benefit Entity as defined by FRS 102.

The financial statements are prepared in sterling, which is the functional currency of the Charity. Monetary amounts in these financial statements are rounded to the nearest \mathfrak{L} .

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives unless the funds have been designated for other purposes.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the Charity.

1.4 Incoming resources

Income is recognised when the Charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the Charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the Charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

Turnover is measured at the fair value of the consideration received or receivable and represents amounts receivable for goods and services provided in the normal course of business, net of discounts, VAT and other sales related taxes.

1 Accounting policies

(Continued)

1.5 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Leasehold land and buildings

Not to be depreciated

Plant and equipment

25% reducing balance

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in net income/(expenditure) for the year.

1.6 Impairment of fixed assets

At each reporting end date, the Charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment annually, and whenever there is an indication that the asset may be impaired.

1.7 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.8 Financial instruments

The Charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the Charity's balance sheet when the Charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 27 FEBRUARY 2019

1 Accounting policies

(Continued)

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the Charity's contractual obligations expire or are discharged or cancelled.
