The trustees, who are also directors of the charity for the purposes of the Companies Act, present their annual report together with the financial statements of Trinity in Camberwell for the year ended 30th June 2019. The financial statements comply with the Charities Act 2011, the Companies Act 2006, the Memorandum and Articles of Association and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1st January 2015).

Structure, governance and management

Governing document

Trinity in Camberwell is a company limited by guarantee, the liability of each member being restricted to £1. The company was founded in 1979, is exempt from the requirement to use the word "limited", and is registered as a charity.

The Members of Council during the year have been:

Professor M G Worster
Dr A D McLachlan (resigned)
Mr M Mitchell
Dr A Bowyer (resigned)
Dr A Kachuck
Revd S Dawson

According to the Articles of Association, members are required to retire by rotation every three years after appointment and offer themselves for re-election.

Recruitment and appointment of new trustees

Council Members will be recruited from amongst the Fellowship of Trinity College, the Members of the Parish of St George's Camberwell and other individuals with an interest in furthering the aims of the charity. Appointment will be by the decision of the Council.

New Council Members will be given information about the aims of the charity and will receive training related to their responsibility from current or past committee members.

Risk management

The trustees have assessed the major risks to which the charity is exposed, in particular those related to the operations and finances of the charity, and are satisfied that systems are in place to mitigate exposure to the major risks.

Objectives and Activities

In planning our activites for the year, we kept in mind the Charity Commission's guidance on public benefit at our trustee meetings.

Trinity in Camberwell promotes, assists and encourages the advancement of education and the relief of need for the benefit of the community in the Parish of St George's Camberwell, and the neighborhood thereof. The council intend to continue and develop these activites.

TRUSTEES REPORT/CONTINUED

Achievements and performance

The financial statements for the year ended 30th June 2019 include the activity of Trinity College Centre.

Trinity College Centre has been utilized and is available for use by a variety of organisations and groups from the local community in Camberwell. The aim of the Centre is to advance education and in meeting these aims strives to ensure the facility is fully utilized by education groups for both children and adults

To promote education within the community, the charity has provided a grant to St George's Pop-in. This grant will assist this charity in meeting the objectives of the lives of people with learning difficulties.

Financial review

Voluntary income to the unrestricted funds has decreased to £9,508 in 2019 from £16,800 in 2018. Investment income has increased to £92,519 in 2019 from £85,987 in 2018, having slightly increased our holding in the Amalgamated Trust Fund (ATF). For the coming year, we should again aim to remain within our holdings and aim to further rebuild some of our holding in the ATF.

Investment policy

Under the Articles of Association, the charity has the power to make any investments which the trustees see fit. The policy is to adopt a medium risk investment strategy based on maximising income.

Grant making policy

The charity may provide grants to organisations whose activities support its objectives. The trustees will judge each case for a grant on its merits, and any grant offered may depend on the availability of funding from other sources.

Reserves policy

The charity has unrestricted reserves of £3,399,376 (£3,339,870: 2018) of which £1,393,048 are not represented by property or physical assets so are considered 'free'. The free reserves are held in realisable cash generating assets and the trustees consider holding reserves at this level is necessary to both generating a sufficient income to maintain its yearly charitable activities and provide for fluctuations in income. The trustees consider a level of free reserves equating to around £1,500,000 or greater to be appropriate and expect careful cost management and appreciation of asset values to reach this level.

The reserves policy will be reviewed each year at a meeting of the Council.

Plans for the future

The trustees see a need to make increases in the charity's Endowment fund, held in the Trinity College Amalgamated Trust Fund (ATF), in order to make a permanent increase in our annual income. We aim in the year 2019-2020 to reinvigorate our charitable objectives in consultation with the newly appointed Warden.

Pay policy for key personnel

The trustees are considered to be key personnel of the charity in charge of directing and controlling the charity on a day to day basis. The trustees give their time freely and no trustee received remuneration in the year.

All expenditure is accounted for on an accruals basis and has been included under expense categories that aggregate all costs for allocation to activities. Where costs cannot be directly attributed to particular activities they have been allocated on a basis consistent with the use of the resources.

Raising funds includes all expenditure incurred by the charity to raise funds for its charitable purposes. This includes investment management costs which includes costs of property repairs and maintenance charges.

Governance costs are those incurred in connection with administration of the company and compliance with constitutional and statutory requirements.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.
