Directors' annual report For the year ended 31 March 2019

The directors, who are also trustees of the charity, submit their annual report and the financial statements for the year ended 31 March 2019.

Structure, governance and management

The organisation is a charitable company limited by guarantee, incorporated on 9 January 2001 and registered as a charity on 19 October 2006. The company was established under a Memorandum of Association (as amended in 2006) which established the objects and powers of the charitable company and is governed under its Articles of Association. In the event of the company being wound up members are required to contribute an amount not exceeding £1.

Overall management of the charity is the responsibility of the trustees who are elected and co-opted under the terms of the constitution. Day to day project activity is managed and carried out by volunteers and paid staff.

Charitable Aims and objectives

The objects of the Charity are:

- 1. to relieve the poverty of those in need in the United Kingdom.
- 2. to advance the education of, provide training for and otherwise assist those in need in the United Kingdom to enable them to obtain paid employment.
- 3. to promote the improvement and development of, and promote and provide opportunities for the improvement and development of, the performance and skills of individuals involved in the provision of education and training for the public benefit provided by the charity and others in such a way that they are more effective and able to achieve the objects.

(The expression 'those in need' means those who are poor (as poverty is understood by the law relating to charities) or who are otherwise disadvantaged by reason of homelessness, or impairment of mental or physical health or ability, or unemployment or of personal histories of alcohol- or drug-abuse or crime.)

The charity meets their objectives through the provision of employment experience and training for the long term unemployed and marginalised.

Activities and achievements

Whilst planning their activities the trustees have had regard to the guidance issued by the Charity Commission on public benefit.

We focussed on securing the financial stability of the charity and building up of our reserves ready for controlled expansion. We have increased the services that we offer to other local third sector organisations and are worked towards building employed roles within in the charity.

Directors' annual report For the year ended 31 March 2019

Reserves policy

The directors have determined that they require approximately £16,000 in reserves, to support a controlled closing down of operations.

The charity's free reserves as at 31 March 2019 were £14,659 (2018: £15,409).

Directors' responsibilities for the financial statements

Company law requires the directors to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the company at the end of the year and of the surplus or deficiency for the year then ended.

In preparing those financial statements, the trustees are required to: select suitable accounting policies and then apply them on a consistent basis, making judgements and estimates that are prudent and reasonable. The Trustees must also prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The directors are responsible for keeping proper accounting records which disclose, with reasonable accuracy at any time, the financial position of the company, and enable them to ensure that the financial statements comply with the Companies Act 2006. The directors are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud or other irregularities.

Small company provisions:

This report has been prepared in accordance with the special provisions for small companies under Part 15 of the Companies Act 2006.

The directors declare that they have approved the directors' annual report above on 1603/2020

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your company's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

- accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
- 2. the accounts do not accord with those records; or
- the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination; or
- 4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to organisations preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The address of the registered office is given in the company information on page 1 of these financial statements.

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006. The financial statements have adopted Charities SORP (FRS 102) Bulletin 1 and taken advantage of the exemption not to produce a Statement of cashflows.

The charity meets the definition of a public benefit entity as defined under FRS102. The financial statements are presented in sterling which is the functional currency of the charity and are rounded to the nearest £1.

(b) Income

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably.

Income from government and other grants, whether 'capital' grants or 'revenue' grants, is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably and is not deferred.

Contract income is included in the year in which the service took place.

(c) Expenditure and irrecoverable VAT

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

(d) Tangible fixed assets

All items of capital expenditure below £500 are written off as incurred.

Depreciation has been calculated to write down the cost of all tangible fixed assets over their expected useful lives on the following basis:

Motor vehicles4 years straight lineFixtures, fittings and equipment3 or 5 years straight line

(e) Trade debtors

Trade debtors are amounts due from customers for services performed in the ordinary course of business.

Trade debtors are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for the impairment of trade debtors is established when there is objective evidence that the company will not be able to collect all amounts due according to the original terms of receivables.

(f) Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Notes to the Accounts (continued)

For the year ended 31 March 2019

1 Accounting Policies (continued)

(g) Trade creditors

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if the company does not have an unconditional right, at the end of the reporting period, to defer settlement of the creditor for at least twelve months after the reporting date. If there is an unconditional right to defer settlement for at least twelve months after the reporting date, they are presented as non-current liabilities.

(h) Fund accounting

Unrestricted funds are donations and other income receivable or generated for the objects of the organisation without further specified purpose and are available as general funds.

Restricted funds are to be used for specific purposes as laid down by the donor.

(i) Defined contribution pension scheme

The charity contributes to a defined contribution pension scheme for the benefit of the employees. The pension costs charged against net incoming resources are the contributions payable to the scheme in respect of the accounting period in accordance with FRS102.

(j) Operating lease rentals

Rentals under operating leases are charged to the Statement of Financial Activities on a straight line basis over the lease

(k) Going concern

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the charity to be able to continue as a going concern.
