## Structure, Governance & Management

Governing Document:

Constitution

**How the Charity is Constituted:** 

Charitable Incorporated Organisation

**Trustee Selection Methods:** 

Apart from the first charity trustees, every trustee must be appointed for a term of 3 years by a resolution passed at a properly convened meeting of the charity trustees.

In selecting individuals for appointment as charity trustees, the charity trustees must have regards to the skills, knowledge and experience needed for the effective administration of the CIO

Induction & Training of new Trustees:

Post Appointment Induction

CH provides appropriate induction for all staff and volunteers, including trustees. The induction provides training and information about CH's safeguarding and child protection policies and procedures.

CH provides support to individuals in a way that's appropriate for the role, confirms the conduct expected of staff and provides opportunities for a new member of staff or volunteer to discuss any issues or concerns about their role or responsibilities.

### **Safeguarding Training Levels**

Staff, trustees and volunteers with minimal participant contact – CC Approved or in-house Level 1 training

Staff, trustees and volunteers with occasional unsupervised participant contact – Level 2 training

Staff, trustees and volunteers with a high level of participant contact (e.g. Facilitators/SGO) – Level 3

# **Objectives & Activities**

#### **Objectives**

The objectives of Centred Horseplay are to promote social inclusion for the public benefit by preventing people from becoming socially excluded, relieving the needs of those people who are socially excluded and assisting them to integrate into society.

#### **Activities**

**Re-start Course** – Our flagship course is usually delivered over 5 consecutive days with a 1 to 1 facilitator support. We teach, rehearse and repeat key resilience skills in an intensive and challenging but fun way. All sessions take place in action with horses selected and trained to provide especially clear and easily observed feedback to participants guided by the facilitator. The course helps to develop positive habits through the following skills;

- Engagement taking on new challenges and pushing limits, mindful of own confidence
- Responsibility for own thoughts, emotions and actions
- Calmness developing a calmness habit and how to create calmness in difficult situations
- Assertiveness able to be calmly assertive, without aggression or upset
- Realistic Analysis & Planning think before acting, realistic assessment of situations and planning accordingly
- Focus & Perseverance working towards goals despite setbacks
- Empathy being aware other needs, offering care and support, feeling closely connected
- Communication & Language respectful communications and expression

Each participant has a reflective session with the facilitator looking at their progress in each skills-based area and if successful the participant receives a certificate.

**Lighter Touch Sessions** – We offer top-up and taster session, which are 1 to 1 and can provide a lead into Re-Start course or a top-up for participants who have completed the main course and need a little extra help.

**Non-Verbal Toolbox Training** – A course designed for frontline professionals, parents and carers to learn how to engage and relate to difficult clients using non-verbal tools. We teach how to accurately assess emotional status, learn to read the body rather than listen to what is being said and use non-verbal strategies to help clients become calmer and make faster progress.

## **Achievements & Performance**

#### **Statutory Declaration**

The trustees declare that they have complied with their duty to have due regard to the guidance on public benefit published by the commission in exercising their powers or duties.

#### Main Achievements for the Year

During the year we received donations and contributions towards courses amounting to  $\pm 58,558$ . Funds received have enabled us to provide courses benefitting 61 participants.

Post course reviews are conducted at 2 months by the person making the original referral and we ask that they do not refer to the original referral document when completing this review. During the course we work on 8 core skills that are known to lead to better life choices.

These are, Assertiveness, Focus & Perseverance, Taking Responsibility, Empathy, Calmness, Realistic Analysis & Planning, communication, Engagement/Confidence as a learner.

We are recording a 27% average overall gain across all 8 points of the skill star.

The following intermediate outcomes are also measure at 2 months post course;

1. Education & Learning - 86% of participants show improvement.

Our programme has been shown to increase levels of engagement with education and/or training, we use an action learning process and the magic of the horse to get participants to engage. We are then able to teach them to become confident and effective learners in the horsemanship context.

2. Problem Behaviours - 88% show improvement

Our activities train people how to be calm and focused even in difficult and pressured situations.

3. Improved Relationships - 93% show improvement

Participants learn, first with a horse then one another how to read others and respond

appropriately. This empathy in action creates better relationships.

4. Personal Identity - 87% show improvement

Through the ethos learnt and practiced with horses, our participants learn a greater sense of respect and self-esteem, fairness, politeness and begin to see themselves as good citizens.

- 93% of professionals attribute changes in their clients to attendance on our course
- 43% of referrers 'Strongly' attribute this improvement to participation in our course

Our work has a positive impact on creating stronger communities as our participants re-engage with family, friends and society as a result of improved life skills. Our course works directly on mental health through teaching and rehearsing 8 fundamental skills required for resilience and wellbeing: Calmness, Assertiveness, Focus, Planning, Empathy, Communication, Responsibility and Confidence. As an aside, the course demands physical activity, often helping participants to make the link between physical activity and mental wellbeing.

CH has received the following feedback from professionals completing the reviews. (Participants are referred to by their first initial only).

"There has been significant improvement in school attendance, has also been staying out of arguments at home and has been calm & helpful"

"C enjoyed her time on THC and didn't want it to end, it has changed her mind-set about college and she now wants to go"

"Attendance at school 100% over 7 weeks and has now achieved a permanent place at school"

"J advised me that this was one of the most powerful things she had done whilst in treatment and felt that it had made massive changes in her life"

"Without any doubt J would have remained stuck where he was – staying in his bedroom, not engaging with family, having no aspirations and becoming more isolated and disengaged from the world had it not been for TheHorseCourse"

What we do is new, and it works! We know that 8 out of every 10 young people we work with WILL do better.

The Trustees of Centered Horseplay C/o Mrs Jackie Evans Priory Cottage Windsoredge Lane Nailsworth Gloucestershire GL6 0 NP

18 February 2020

Dear Trustees

# Independent examiner's report to the charity trustees of Centered Horseplay

I report on the accounts of the Trust for the period ended 31 May 2019, which are set out on pages 1 and 2.

#### Respective responsibilities of charity trustees and examiner

As the charity's trustees you are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- follow the procedures laid down in the general Directions given by the Charity Commission (under section 145 (5) (b) of the Charities Act), and
- state whether particular matters have come to my attention.

#### Basis of independent examiner's report

I have examined your charity accounts in accordance with the general directions given by the Charity Commission.

My examination included a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also included consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as charity trustees concerning any such matters.

The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

#### Independent examiner's statement

I have completed my examination and have no concerns. No matter has come to my attention which:

- gives me reasonable cause to believe that in, any material respect, the requirements:
  - o to keep accounting records in accordance with section 130 of the Charities Act;
  - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met; or
- to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
