### **Trustees Report for the period ended 30 June 2019**

The trustees present their report together with the financial statements for the year to 30 June 2019.

The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

On 23 January 2020 the charity changed its name from Gloucester Rugby Community Charity to Gloucester Rugby Foundation.

#### **Structure, governance and management**

Gloucester Rugby Foundation is a Charitable Incorporated Organization (CIO), incorporated on 25 January 2016. The company was established under a Memorandum of Association and is governed under its Articles of Association, copies of which are available for inspection at the company's office or may be obtained by writing to the secretary.

The trustees who served during the period and up to the date of this report are set out on page 5.

The goal of Gloucester Rugby Foundation is to Engage, Educate and Inspire the local community to bring about positive social impact and new opportunities for all through sport.

The mission of Gloucester Rugby Foundation is to use the power and inspiration of rugby, along with the values of Gloucester Rugby, to make a difference by:

- Delivering innovative programmes for people of all ages
- Developing partnerships that bring about success based on the needs of local people
- Providing new opportunities through sport for disadvantaged groups
- Championing equality and diversity within rugby

The Gloucester Rugby Foundation seeks to make its Board of Trustees as diverse as possible in terms of geographical knowledge, background, experience and capabilities. In this way, the requirements of the Gloucester Rugby Foundation and the community are best served. Suitable candidates are considered by the existing board of trustees.

The board of trustees has the power to appoint new trustees after due consideration by the board. Potential Trustees are recommended to the board by existing Trustees and Patrons. New trustees have normally shown particular interest in Gloucester Rugby Foundation and therefore have a clear concept of what the Charity is, what it aims to do and broadly how it goes about doing it.

New trustees spend time with the staff and Chairman to gain an in-depth knowledge of the governance and administration of the foundations activities. The foundation provides a dedicated 'Trustee pack' for new Trustees to provide a structured and more formal approach to induction.

#### **Organisational structure**

The governance of the Gloucester Rugby Foundation rests with the board of trustees. This board has a membership with no defined maximum number. The trustees meet as necessary. Meetings include input from the Head of Foundation who has no voting rights and any others who can make a contribution.

The Foundation Team handle all matters relating to liaison with many communities in the immediate and extended counties making them aware of the aims and objectives of The Gloucester Rugby Foundation.

#### **Trustees**

The following Trustees who have held office during the period are:

Ian Edward William Renouf-Watkins (appointed 1 March 2019)  
Heyma Rita Holmes (appointed 10 May 2019)  
Lee Ferraby (appointed 2 December 2019)  
Stephen Vaughan (resigned 9 August 2019)  
Mark Fairbrother (resigned 23 January 2020)  
Michael Turner (resigned May 2018)

None of the Trustees has any beneficial interest in the company.

#### **Risk assessment**

The trustees have assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks. The trustees conduct, on an annual basis, their own review of the major risks to which the charity is exposed and put into place systems to mitigate those risks identified. The trustees entrust the financial management and reporting of the Gloucester Rugby Foundation to Gloucester Rugby Limited.

External risks to funding have led to the development of a strategic plan which will allow for diversification of funding and co-operation with other charities, voluntary bodies and statutory authorities so long as the income and property of the charity shall be applied solely towards the promotion of the objects. Internal risks are minimised by the implementation of procedures for authorization of all transactions and projects to ensure consistent quality of delivery for all operational aspects of the charitable company. These procedures are periodically reviewed to ensure that they meet the needs of the charity.

As it is currently difficult to evaluate all of the potential implications of the current COVID – 19 outbreak on the activities of the charity, the Trustees are monitoring expenditure and only entering into activities for which funding has been received.

#### **Objectives and activities**

The objective of the Gloucester Rugby Foundation is to promote the education, motivation and inspiration of people through the power of sport, in particular the advancement of education, the protection of good health, both mental and physical and the relief of poverty distress and disability or sickness and other exclusively charitable purposes which are in the opinion of the Trustees beneficial to our communities.

The aims of our foundation are:

- To help build a more active, inclusive and healthy community
- To improve educational standards within our community
- To help create a safer and more cohesive community

Our commitment to our community is through long-term projects that contain a focused purpose and outcome. Our community benefit greatly from the activities, and once the outcome has been achieved, the engagement vehicle of rugby allows us to further our aims of developing our brand and reputation while our Partners and Sponsors benefit from their investment.

#### **Achievements and performance**

Gloucester Rugby Foundation is the official charity of Premiership Rugby side Gloucester Rugby.

Established in 2016, the Foundation has grown to become one of the leading charitable organisations in Gloucestershire, using sport as a vehicle to achieve positive social change. Every day, the Foundation's team of coaches and educators work with people of all ages, from introducing children in primary schools to rugby union, right through to using the club's proud heritage to tackle isolation in older people. Our strategy 'Your Club, Your Community' sets out a clear ambition to become a leading sports Foundation, recognised for its approach to partnership working and achieving community impact.

The three main pillars the work of Gloucester Rugby Foundation sit under are:

#### ***Participation***

To ensure every person in Gloucestershire has an opportunity to play rugby in their community, regardless of age or ability.

#### ***Education***

To boost education attainment, employment outcomes and improve life chances through bespoke sport based programmes delivered within schools and at Kingsholm Stadium.

#### ***Health and Wellbeing***

To offer accessible opportunities that inspire people of all ages to lead healthier and more active lives.

The 2018/19 financial year has proved to be very successful, with the charity generating a surplus for the year of £64,250 (2018 - £53,304). The charity has now firmly established itself within the community and is positively influencing the lives of young people in the area.

Steps have been taken to ensure adequate policies are in place for governance, standards, safeguarding and efficiency which will facilitate the charity as it grows and develops.

Key highlights during the 2018/19 period include:

- Through the continued Premiership Rugby-funded programme called Project Rugby we have established a mixed-ability rugby team in the Gloucestershire region.
- HITZ – an educational training programme for young people (aged 16-19) combining sport and physical activity with completed accredited educational qualifications (in partnership with Premiership Rugby Limited).
- Walking Rugby – the continued delivery of the fast-growing sport of Walking Rugby to the over-50s and extended community.
- Wheelchair Rugby – the Gloucester Rugby Wheelchair Rugby development programme sponsored by EDF Energy and Lanes Health. The partnership has seen the development of the adult Gloucester Rugby Wheelchair team providing opportunities for disabled people to get active and involved in the sport. Weekly club coaching sessions are held at Imjin Barracks, and the team competes in division 2 of the Super Series. There are also plans to introduce a junior team.
- Sessions with children from local schools focusing on health and well-being as well as including heritage tours.
- Move like a pro: Promoting men's health open to all members of the public, developed in association with Premiership Rugby.
- Running lines – a 6-week tag rugby programme based in primary schools was run with the aim of promoting teamwork, respect, enjoyment, discipline and sportsmanship.
- Summerfield Trust - 'Team Mate' is a project which was run during the year with the aim of working with vulnerable young people at risk of becoming homeless in Gloucester.
