Legal and administrative information

The Parish of Keighley is a United Parish made up of four parish churches:

All Saints, Keighley St Andrew's (Keighley Shared Church) St Barnabas, Thwaites Brow St Mark's, Utley

The Parish of Keighley is in the Aire and Worth Deanery and the Bradford Episcopal Area of the Diocese of Leeds.

Structure, governance and management

The Parochial Church Council (hereafter referred to as the PCC) is a corporate body established by the Church of England. The PCC operates under the PCC Powers Measure. The Charity registration number is 1130301.

Trustees

The Managing Trustees are the members of The Parochial Church Council

The composition of the election of members to The PCC is set out in SCHEME PURSUANT TO RULE 18, CHURCH REPRESENTATION RULES (2017) THE PARISH OF KEIGHLEY, which was passed at an Extraordinary Parochial Church Meeting on 16 February 2017 and subsequently approved by the Bishop's Council of the Diocese of Leeds ahead of the APCM. The Wardens and PCC members of the Parish became Trustees of the Charity.

The governance document defined the establishment of Local Church Councils (LCC's) for each church and the relative representation of each of the four churches on the PCC. It also defined the relevant powers and responsibilities held by the LCC's and PCC.

After the APCM on 22 April 2019 the membership of the Local Church Councils was as follows: *nominated to PCC or ex-Officio

All Saints, Keighley

Ex-Officio Members:

Team Vicar: Revd Dr Jonathan Pritchard * Chair

Associate Priest: Revd Malcolm Foy *

Readers: Anthea Foy * (Reader Rep on PCC)

Deanery Synod Rep

Churchwarden:

Elected Members: Catherine Craven Treasurer

Victoria Whiteley* From April 2019
Jacqui Wilkinson From April 2019

Tony Hadi Heidari

Stephen Yasin Sabourinia

Lynne Hutchinson

Judith Brooksbank Deanery Synod Rep and Secretary

St Barnabas, Thwaites Brow

Ex-Officio Members:

Team Vicar: Revd Graham Potter *

Churchwardens: Robert Mulcock* From April 2019

Elected Members: Jill Dodsworth

Brenda Astin *
Margaret Anstey
Doreen Godfrey
Doreen Tetley
Sue Blackwell

Secretary

Chair

Treasurer and Deanery Synod

Elected Members Dorothy Long

Chris Young

Electoral Roll Officer

Colin Meredith
Graham Helliwell From April 2019
Phil Whymark From April 2019
Philip Worthington From April 2019

Objectives and activities

Keighley Parish PCC and the local Church Councils have the responsibility of co-operating with the Clergy of Keighley Parish led by Team Rector, Revd Mike Cansdale in promoting in the ecclesiastical parish, the whole mission of the Church, pastoral, evangelical, social and ecumenical

Electoral Roll Report

Every 6 years, the electoral roll is recreated from scratch and everyone has to reapply, and we completed this in time for the APCM and the Local Church Annual Meetings of 2019. The numbers on the new roll were as follows (with 2 additional members who applied to be added during the year when they became 16).

All Saints 47
Keighley Shared Church 110
St Barnabas 38
St Mark's 57

TOTAL 252

There was a significant reduction in numbers for all the churches except St Barnabas; across the parish as a whole the electoral roll fell by 20%. Out of the total of 252 members, 143 people were resident in the Parish of Keighley. 12 people from Keighley Shared Church were Joint members with the Methodist congregation.

Cherry Connolly - Electoral Roll Officer

Deanery Synod Meetings

Main business of the meeting held on 11th February 2019 was a presentation by Rev. Simone Bennett, Deputy Director of Education for the Diocese of Leeds - "Opportunities, Challenges and Partnerships". There are 240 church schools in the Diocese and a much larger number of non church schools. In addition to OFSTED all church schools are subject to SIAMS inspections to see how effective a school's distinctive Christian vision is established and promoted. Simone gave encouragement via her own story to show the value of what may appear to be chance encounters in schools and communities in a child's future life plans. Both church and non church schools benefit from local church support. Simone described 7 strands of the SIAMS framework giving some detail regarding what inspectors are looking for in a school. She asked us to have the courage to approach our local schools to make them of aware of our wish to support them

The Ven. Dr. Andy Jolley was welcomed to the meeting on the 24th June 2019.

We were informed about the Parish Giving scheme which is already in use in more than 14 Dioceses. Baildon and St Peter's Shipley are pilot churches for the scheme which will be launched early 2020. We were also advised about various methods of giving including contactless giving. The main business of the meeting was a presentation about strategic planning by the Archdeacon. He outlined the document "Helping our churches to flourish" a strategic planning toolkit for parishes - based on a 5 year strategy for the Diocese of Leeds "Maturing in Christ". He outlined and elaborated on the 5 goals: Thriving as a distinctive diocese whose culture is shaped by a shared vision and values, Reimagining ministry to promote clergy and laity working confidently in fruitful relationships, Nurturing lay discipleship, Building leadership pathways to continuously develop lay and organised leaders and Growing young people as Christians. We divided into small groups to discuss.

Members were encouraged to use and review the 5 step process provided in the toolkit:

Pray - Take stock - Review the strategic goals - Work through your chosen goal(s) - Building your plan - Review regularly.

Sharon Bavington (lay training officer) was present at the meeting on the 28th October 2019 and explained her role of equipping, enabling and helping all church members to participate in training at an appropriate level to help parishes grow leaders. She explained the digital learning platform on the Diocesan website where there is information on and opportunity to reserve places on all courses.

Nurturing lay discipleship is one of the 5 priorities of the Diocesan Strategy. Synod members discussed how their parishes are working towards this priority and identified areas of training which would be helpful.

The meeting was also informed about 5 launch events in early 2020 regarding the Parish Giving Scheme.

Chris Hudson (on behalf of all Deanery Synod Reps.)

Fabric Reports

All Saints

A number of much needed jobs were carried out to the exterior of the church. They were -unblocking the fall pipes; clearing the guttering; replacing some roof tiles; refurbishing lead flashings (which necessitated putting up scaffolding thus increasing the cost) and the fitting of pigeon spikes. The work was done by Mr. Duffy, our new builder.

Towards the end of the year the downstairs boiler completely failed in spite of attempts to keep it going. This resulted in a new one being installed with the work carried out by Norman Atkins, plumbers at a cost of £1,700 which was met from the proceeds of the Gift Day.

Work to complete the downstairs painting was done and we are grateful to those who contributed their time and expertise. Other work done was - fitting a new metal grille to the boiler house ventilation window; replacing a light in the ceiling of the Cullingworth Room; starting repairs to the kitchen bar and fitting a new carpet behind the church altar.

Other work is planned for 2020 Nigel Moore

St Andrews/KSC Church, Churchyard and Grounds:

The guinguennial inspection was carried out in January (2019) but the report was not received until May, prior to which urgent work to provide an up to date and a valid certificate of worthiness for the lightning conductors on the Church tower was carried out. Clappers from 4 of the Church bells were sent for rebushing and renovating. A list 'B' faculty application was applied for and granted, to replace the broken and missing ceiling tiles in the Church entrance. The work was duly put in hand and completed. A list 'A' faculty for cutting down 12 trees in the Churchyard plus crown lifting many others was applied for. This was granted in March; the work will be completed but not until February 2020, due to illness of the tree surgeon. The Churchyard was cleared of rubbish by teams of volunteers on two occasions throughout the year with help from the Town Council, however rubbish accumulates on a regular basis and further clean ups will need to be done regularly. Further to approval by the ECC a new kitchen area was designed and a list 'B' faculty was applied for and granted, to have an area of the carpet in the entrance replaced by hardwood flooring. On completion of the flooring, a new kitchen area was fitted with new and additional cupboard and drawer units, a cooker, microwave, movable hob units, a new water boiler, new sink unit along with various kitchen utensils. The entire new kitchen fixtures are free standing and are in place without any attachment, drilling or screwing to the existing Church fabric. Five new spotlight fittings were also installed in both the entrance and kitchen areas. Safety features to reduce the risk of trapped fingers and injury have been fitted to the doors to the Hamer room and also the sliding doors between the narthex and the nave

Further to receiving the Quinquennial report in May, the following works have been completed:-

- North roof and Parapet gutters cleared
- Parish office roof slipped slates attended to
- Fall pipe serving the West end of the Nave clerestory repaired
- Gullies serving the North aisle cleared
- All the external lighting on the South side of the Church has been repaired
- All the external floodlighting has been repaired and replaced with changing coloured lighting
- PAT testing completed and a certificate supplied
- A full inspection of all the fire extinguishers/blankets carried out. Correct signs and fittings installed .
- A large capitol on a stone memorial in the lower Churchyard has been reset
- External mesh ventilation grill serving the underground boiler room repaired
- Re-pointing of many open joints between the stone floor flags within the North aisle and nave of the Church
- A damaged stone flag on the steps down to the lower Churchyard repaired
- The wall on the South boundary of the Churchyard has been repaired/rebuilt, funded by and with thanks to BDCC
- New notice boards and welcome signs fitted, further to faculty approval
- Annual servicing of the organ, roof alarm and heating installations completed
- Correct external signage for the 'smartwater' protection fitted

The Quinquennial report stated that:- "The Church is generally in good condition following extensive remedial works over the last decade and the Ecumenical Church Council (ECC) continue to maintain and repair the Church to a good standard."

The fabric of the Church and all the property listed in the Church inventory appear to be in good condition. The inventory has been checked and the terrier will be amended and updated. We are grateful as ever to Andy Woof for keeping the Church clean and for all who volunteer and who help throughout the year with any number of jobs which keep the fabric and general condition of the Church in good and attractive order.

St Barnabas

We have taken the strategic decision to not progress with the works to replace the fascias and improve the outside hard standing. It became obvious that the hall needs a major refresh where we replace the panels with insulated and double-glazed windows and doors.

This refresh will also include new toilets with heating, this will require a fair amount of work to the electrics. We will also need to replace the hard surface outside of the church. We will also investigate the possibility of a children's play area outside to add to the provision of Busy Bees.

We would like to have all the work completed in time for the 50th anniversary of the new church building. Work is progressing with the architect to produce plans and costings for the work.

This delay does mean that the paint work on the outside of the building is starting to look shabby, we will need to do some minor painting to address this, but without making good on the rotten woodwork.

We were pleased when the new notice boards were installed showing that St Barnabas is a lively and busy church.

Graham Potter

St Mark's Fabric and Goods Report 2019

This year has been another busy one 'behind the scenes'. In addition to the usual maintenance tasks including fire safety and roof repairs, there has been a 5-yearly check of all electrical installations and appliances. New striplights were installed in the large storage cupboard in the hall. The dishwasher was replaced in the Hall kitchen and is in daily use for the Toddler's groups. The Quiet Room was redecorated and changed round to be used as an office for our Operations Manager.

Some income has been generated from the regular hire of the hall by the Keighley Air Cadets during a period of renovation work on their building and it is hoped that regular lettings from other groups will follow.

The church entrance toilet has been improved and fitted out to make it more disabled-friendly. In June there was a loop installed in the entrance area to improve the sound quality for those hard-of-hearing. Finally, two bright, welcoming, new signs were fitted at the Greenhead Road end of the building giving updated information about the church services and contacts.

Thanks are again due to the teams who have helped to clean the church, arrange the flowers, cut the grass, repair the chairs, cultivate the 'garden' area and to all who have in any way offered practical support in the running of the church. Thanks, too, to our part-time caretakers, Trevor and Bryan, for their hard work in cleaning and maintaining the building and to Rachel and her support team who help to run the Under 5's groups.

Margaret Anthony and Geoff Crabtree, Jan 2020

Town Chaplain's Report

This year my Town Chaplain's role has been a bit unusual. Part way through the year, the Lord Mayor of Bradford, Cllr Doreen Lee, asked me to become her Chaplain. This is a great honour and privilege. Alongside my ministry in Keighley I found myself heading off into Bradford, praying in the District Council Chamber at the end of the Mayor Making, preaching at the Bradford Fire Commemoration Service, participating in Bradford District's Pals Week, and praying at the Remembrance Commemoration event - and unable to be at Keighley's for the first time in 7 years. I also initiated a Lord Mayoral Service of Welcome. It drew together the public representatives of Bradford main faith communities (Christian, Jewish, Muslim, Sikh, Buddhist, Hindu) in a Civic Service at KSC, each invited each to reflect upon what we each bring to our common life. (Rev Dr Tracey Raistrick spoke on behalf the Christian community). What a fantastic and moving service!

I continue to chair United Keighley, working with different agencies to address Child Sexual Exploitation (aka grooming). During CSE Awareness Week we encouraged organisations to explore ways they might do this. There were mosque visits and a service at KSC. We also ran a major conference at Keighley College resourcing schools in our area.

In April we held a Welcome Service for our Town Mayor, Cllr Peter Corkindale at KSC. (The first such service to be held at KSC for many years.) Working with Keighley TUC, we also marked Workers' Memorial Day with a powerful service in church usually held in Cliffe Castle and the Town Hall Square.) Remembrance Day planning started earlier - in July not September - which really helped.

I also continue to Chair Keighley Place of Sanctuary, co-ordinating how we might respond well to refugees and Asylum Seekers in Keighley.

This is the first year our Advent Service of Light, Civic Carol Services and KWVR Carol Train were without Canon Bruce Grainger leading his gathered choir. Bruce had a very significant ministry in our area and is sorely missed. Katy Grainger conducted the choir in his memory at both Church services, and did so beautifully. These services were also successfully reshaped with the choir in the Gallery and congregation facing each other across the central aisle, chapel style. Canon Bruce was remembered and honoured at a packed Eucharistic Memorial Service at KSC in September - with one Dean and three bishops in attendance (two of whom had been his curates).

I hope this gives you a taste of what I do. Town Chaplain is one distinctively Keighleian expression of our glorious and peculiarly Anglican responsibility for the spiritual wellbeing of life beyond the church. I aim to bring Christian confidence into the public and civic life of Keighley, engaging with faith and hope in the light of the Kingdom of God. It's a hugely varied and creative ministry - and reading back through what I have written there are lots of 'firsts' this year. May God bless you all in this coming year.

Revd Dr Jonathan Pritchard

10

¹ Rev Dr Tracey Raistrick and I worked together for the Advent Service of Light.

² With apologies from a fourth.

Estates Pioneer Report

This year has seen the parish integrate CAP ministries into the parish. The debt centre is starting to work more closely with the Life Skills courses. There is much crossover between the two ministries. Eric Yaffey, our estates pioneer mission apprentice started in September and has continued the work started by Anthony Bennett as Life Skills manager. And he ran a very successful course in the autumn.

There is still a need for more CAP befrienders and Visitors to assist Duncan Green the Debt Centre manager. Please speak with him if you need more information.

The work in Merlin Top is continuing with a program of assemblies, school visits, prayer week, and the opportunity to give a short talk on the meaning of Christmas at the annual carol service. It might seem like a small thing but it is an opportunity to speak of Jesus to people who may never have heard the gospel story, I am very grateful to the Head for the opportunity.

Tuesday group is still running as we offer the opportunity for people to explore faith and discipleship, this is often the first step into faith for those who we have contact with from the CAP socials.

Revd Graham Potter

Resourcing Keighley Parish: BSL Friends Group

As part of my role with Keighley Parish, I lead the BSL Friends Group which continued to meet fortnightly throughout 2019. There is a pool of some 22 people who come as and when they are able and a strong sense of community has developed amongst us — Deaf and non-Deaf together. Our 2019 Christmas meal was a real moment of 'church in the community' as over a dozen of us sang and signed Christmas carols and gave thanks for Jesus in and amongst the other diners at Beale's Café. Thanks go to Julie Jackson (KSC 10.45 service) for being the lynch pin of this diverse but committed group. We are exploring where we might meet in 2020 if Beale's Café closes and planning how we develop the way in which we mark Christian festivals with worship and prayers in this coming year.

Revd Dr Tracey Raistrick

Resourcing Ingrow.

2019 has been an amazing year as we have moved across town and begun to pick up the threads of potential for ministry at St John's, Ingrow. Our commission 'to revitalise mission and ministry' there has largely focussed on three areas: encouraging the congregation; re-connecting with the community; and refreshing the buildings and grounds to make them fit for the needs of both. The congregation has a real gift of welcome and have been faithful in carrying a vision for serving the people of Ingrow, Hainworth and Bracken Bank through some difficult times. As we begin 2020, that faithfulness in prayer and devotion is bearing fruit with regular visitors to church services, enriched relationships with local schools and uniformed organisations, and with a new building project commencing mid-January to provide hospitality facilities where a whole host of small groups can be run, such as toddler groups, community lunches, and bible study groups. A friendship is developing between Keighley Parish and St John's through your prayer support, visits on Sundays, joining with us for mid-week JSP groups, and as you have rolled up your sleeves to help with clearing the churchyard and preparing the church for the arrival of the builders. Thank you.

Please pray for Tracey as she spearheads much of this, and for John and the rest of the congregation as we look to equip and encourage people to explore their callings and raise up leaders for the various new initiatives that are emerging; toddler group, mixed-age choir, potential CAP Lifeskills, and so on. Pray that the whole team 'can find their feet' in this new season and take their place alongside Keighley Parish in being and bringing the good news of Jesus to our town.

Revd Dr Tracey Raistrick and Revd John Ineson

Statistics for Mission

The Church of England asks us to report each year on key statistics and here is a snapshot for the whole Parish:

21 Baptisms7 Weddings46 Funerals3 Confirmations

A new question for 2019 related to the way each church interacts with and supports the local community with various types of outreach. The report to the Church Commissioners shows that our Parish is involved with a vast array of activities and support mechanisms across the area.

Whilst statistics are to be held lightly it is good to note that new worshippers numbered 25 more than leavers across the Parish during 2019.

Parish of Keighley safeguarding report 2019

Hazel Mosby continues to be the Parish safeguarding officer with individual officers in each Church: Andrew Makin at St Marks, Malcolm Foy at All Saints, Judith Harding at St Barnabas and Hazel Mosby at KSC.

The latest Church of England safeguarding policies were accepted by the PCC at their first meeting following the APCM.

Both adult and children's safeguarding training for those working with vulnerable adults and children across the Parish has been undertaken during the year by those new to posts or needing to attend their 3 yearly update as required by the Diocese.

Policies and procedures have been updated in the course of the year as have most role descriptions. These are available in all churches and on request from the church office on North Street. Policies and procedures have been sent to the safeguarding officers and clergy in each Church and to Methodist ministers at KSC.

DBS checks are applied for individuals as necessary and people are encouraged to register with the update service for longer term ease.

Diocesan requests for information and actions are followed through as necessary and posters provided to Churches for display as required.

Individual safeguarding concerns are addressed, and processes put in place (with the advice of the Diocesan safeguarding officer when necessary) in an endeavour to ensure the safety and wellbeing of all. Confidentiality, clarity and sensitivity is viewed to be especially important in all situations. My hope is that congregations will continue to feel able to contact myself, safe guarding officers or clergy should they feel that any child or vulnerable adult is being placed at risk of harm either as a result of their own behaviours or those of others regardless of the position they hold in the church.

Hazel Mosby

PCC Secretary Report 2019

The PCC met six times in 2019 and made significant progress on several important areas:

Appointment of Operations Manager to look at strategic ways of ensuring the parish is sustainable and offering value for money as a resourcing parish. Paul was appointed to start in April 2019.

Appointment of Mission Apprentices. Key areas of ministry were identified as part of the SDF bid, and we have 3 Apprentices working across the estates, town centre and for children and families in the parish. This is going to have considerable impact on the lives of many in Keighley as God uses us and our resources to transform lives.

Recent appointments of a new Admin Assistant and business apprentice. In a bid to make our parish more effective and efficient Ros Clarke and Chloe Wareham are helping to ensure the smooth running of the new office space and general administration across the parishes, including the support of St John's Church in Ingrow.

Office Move- In January 2020 we will have a presence in the town centre as a parish and a 'neutral' space for people to meet and work. The plans are to have several hot desking computers and other facilities for both parish and community use. We are currently securing commercial and charitable partnerships to use some of the extra space we have.

Prayer in Keighley. Part of the vision for the town centre parish offices is to have a community used prayer space in the 'heart' of the building and the town. The vision is that this is an ecumenical resource used for all our parish churches.

Introduction of an environmental Policy showing the parish commitment to Ecological matters. As we move into the 2020s, we need to be so much more aware of the impact we have on our environment. The parish has committed to becoming 'green' within the next 2 years.

Updating of all essential policies including safeguarding policies and financial practice policies. Working with admin, clergy and appointed officers, the parish now have up to date and useful policies to cover all aspects of safeguarding from home visiting to lone working.

New signage. All churches now have new signage which is clear and parish branded sending a message out to the community that we are now a fully formed and integrated parish that is working hard for the community.

The PCC away-day saw the finalising of the Parish vision and mission statement. This is going to be used in all the churches to promote our work for the Kingdom of God.

Presentation of the Children and Young People strategy for the parish - Mike presented a Parish approach to this exciting initiative, the appointment of a mission apprentice to work with children is the start of the process and there are plans to appoint a new youth worker and to extend the work of the under 5 provision within the parish.

The PCC agreeing to the feasibility of a building project to enhance not only the worship space and facilities at KSC, but in providing a facility for the benefit of Keighley Town. This is an exciting opportunity for us to be involved with.

As a parish we've collaborated with other churches through Keighley Churches Together with monthly prayer meetings and outreach events in the Airedale Centre at Christmas and Easter and our summer Festival of Life on Church Green. At Pentecost we held a united Pentecost outdoor service and procession to KSC.

Team Rector's Report

One of the most important things I get to do at an annual meeting is to say 'thank you'. We don't always remember this in the midst of everyday life but this is an opportunity to celebrate the many good things and to demonstrate thankfulness to God and to all of you. We are richly blessed in Keighley to have so many amazing people in our churches, congregations and communities. Thank you for all that each of you brings!

Resourcing Parish & SDF

In 2019 Keighley became part of a successful bid for Strategic Development Funding (SDF) from the National Church and is now one of five 'Resourcing Parishes' in the Bradford Episcopal Area. This is a really significant source of additional funding that started in July. The headline figure is nearly £500,000 over a six year period but this comes with a clear focus on new and missional work both within and beyond the parish. The funding has this year enabled:

- the appointment of our Operations Manager Paul Fleming to spearhead our strategic development and release clergy to mission and ministry.
- the 'full-time' appointment of Tracey Raistrick as Interim Priest in Charge at Ingrow and Associate Priest in Keighley.
- the appointment of our first three Mission Apprentices, Eric, Sarah and Adam.
- the refurbishment of 8-10 North Street as our office base and outreach hub.

Please pray for all involved that God might bring a blessing to this new work.

Vision Statement – updated this year in line with all that is happening and reflecting the character of the whole Parish

Seeking

Seeking the Kingdom of God for Keighley

In the sermon on the mount Jesus tells his followers to 'seek first the Kingdom of God.'

We believe that God is already at work in our town, our churches, our communities and in individual lives. The Holy Spirit invites us to discern this work of God and to get involved.

Through our worship and prayer; in our everyday living; in our serving and giving we seek to know God, to make God known and in the seeking to find that we are found by God.

Sharing

Sharing the Good News of Jesus

The heart of the Christian faith is not a symbol or a philosophy but a person, Jesus Christ.

As Christians our lives have been transformed by the love of God in Jesus and we aim to share this good news in our words and our actions.

We all have a story to tell of what God has done for us and we each have gifts to be used in serving God, one another and our communities - a response to the free gift that we've received that we choose to give ourselves to God.

one parish

Growing

Growing as disciples together

We want to see new Christians in our town and see those who are Christians being renewed and becoming more like Jesus.

Whatever our age or background we want to be growing together through a deepening sense of God, a wider experience of faith and a fuller understanding of who we are in Christ.

We aim to grow in spiritual maturity, in number, in our sense of community and in the impact we can have for good.

People

Sending - Part of our resourcing is to the wider church and this year we currently have three members of Keighley Parish who are training for ordination. Sam Healey and Elspeth Cansdale will be starting Curacies in the summer of 2020 and Sam Fletcher is currently in his first year at Mirfield. We also sent Pete Clark to become Mission Apprentice at Fountains Church in Bradford from September. 2019 also marked the sending of Revd Tracey Raistrick to become Interim Priest in Charge at Ingrow – and Revd John Ineson also dual licensed in Ingrow. Please pray for these people of our parish in their being sent.

Welcoming - Within our parish there have been additional members of staff to welcome this year; Rachel Gornall has been taken on as leader of Under 5s at St Mark's; Ros Clarke has been appointed as part-time Administrative Assistant for the Parish, and Chloe Wareham is placed with us as part of her Admin Apprenticeship until Summer 2020; and as mentioned previously we now have Paul Fleming as Operations Manager and Eric Yaffey, Sarah Hulbert and Adam Robinson in post as our Mission Apprentices. And in all of our churches we've had the opportunity to welcome new people into our worshipping communities.

Thanking – I began with thanking you all but there are a few individuals I'd like to mention who are changing or ending a particular role in the parish. Firstly I'd like to offer special thanks to Jane Carter who has been our treasurer throughout this period of transition and who is stepping down at the annual meeting. She has, through dedication, hard work and skill, brought together our finances and established a firm foundation for moving forward. I'd also like to mention Joanne Meehan who is finishing in her role as Youth Worker for Keighley. We've been really blessed by her ministry and have seen the youth work in our churches flourish with many young people coming to faith and growing in their knowledge and experience of God.

Jesus Shaped People

I've really enjoyed our JSP adventure through the autumn of 2019 and especially loved hearing the stories of how people's lives have been affected by this learning, discussing and growing together. Becoming more like Jesus is a life-long journey and I pray that we continue to reflect on and remind each other about these JSP priorities.

"Now may the God of hope fill you with all joy and peace in believing, that you may abound in hope by the power of the Holy Spirit." Romans 15:13.

Many blessings

Mike

Independent examiner's report on the accounts

Section A

Independent Examiner's Report

| Report to the trustees/ members of | Charity Name The Parish of Keighley | | | |
|---------------------------------------|-------------------------------------|-----------|----------------------|-------------------------------|
| On accounts for the year ended | 31st December 2019 | | Charity no (if any) | 1130301 |
| Set out on pages | 1-28 | trementer | ter include the pace | numbers of additional sheets) |

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31 December 2019.

Responsibilties and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

[The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of [insert name of applicable listed body]]. Delete [] if not applicable.

have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements
 concerning the form and content of accounts set out in the Charities
 (Accounts and Reports) Regulations 2008 other than any requirement
 that the accounts give a 'true and fair' view which is not a matter
 considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

THE PARISH OF KEIGHLEY – TREASURER'S REPORT 2019

The Balance Sheet for the Parish as at 31st December 2019 shows an increase in Fixed Assets of £15332 after all depreciation and re-valuation. Current Assets decreased by £11087 and Liabilities have increased by £8922 as we are holding funds in the Agency accounts for Changing Communities. Louise Rouse maintains up to date records so that each church receives the correct Gift Aid Tax Rebate from HMRC. The majority of the sum recorded against Accounts Receivable is Gift Aid claimable at 31st December 2019. There is a deficit for the year of £21842.44. Regular monthly giving continues to fall short of regular monthly expenditure. St. Mark's had a fantastic response to the Gift Day appeal in October. This helped to substantially reduce their deficit. The Youth fund desperately needs more substantial resourcing if this work is to develop. The CAP fund received some wonderful one off gifts and benefitted from fundraising and awareness raising by John Fletcher and Duncan Green

Keighley Parish has paid the full amount of Diocesan Share requested for 2019. We still hope that the Diocese will recognise our unique position and the need we have for more clergy time as currently our Rector is trying to run both St. Marks and St. Andrews as well as maintain his role as co-ordinator of the clergy team across the Parish. In various ways the Parish has given considerable time, resources and support to St. John's Ingrow.

We have continued to try and allocate income and expenses more realistically to St. Mark's and St. Andrew/KSC and will continue to do so. St. Mark's still bears the main cost of the Parish Office heating and lighting but this will change in 2020 as the office moves to North Street. The Operations Manager Role has actually been funded entirely by KSC and the SDF resources but will need to be funded from across the Parish into the future as all churches are benefitting from Paul Fleming's appointment.

Each church has incurred a deficit in their day to day running expenses. All Saints £4569, St. Barnabas £3590, St. Mark's £3303 and St. Andrew/KSC £10380. The Parish shows a decrease in funds of £13817 on the SOFA mitigated by revaluation of investments which brings the total Parish deficit down to £4786. Fixed Assets show an increase as most funds have increased in value this year and the kitchen has been added to KSC as well as a new dishwasher at St. Mark's. Income decreased by over £42500. Expenditure increased by around £27600. The Share reduced a little in 2019 and has again been reduced a little for 2020. This is reflected in the Budget attached to these accounts. The Budget for 2020 has been set as a deficit budget with the decision having been made to use reserves in order to fund the Mission and running of the Parish. We are grateful for these reserves but if we are to continue our outreach, our services and our support network the day to day giving of those of us in the churches will need to increase. The new Parish Giving Scheme has been launched by the Diocese and if folk sign up to this it will increase our giving year on year which would be excellent. This will be explained and launched in the Parish during 2020. We continue to try and refine the accounts detail to give as much information as possible and to build up useful historical comparisons. The PCC has agreed to increase salary for all those on the real living wage to the new rate of £9.30 from 1st April 2020. As the first submission of the SDF bid was rejected The Operations Manager salary has had a significant effect on funds. In the coming year we have budgeted for the contribution from the SDF income for both this and the Mission Apprentice Roles but there is quite a substantial amount for the Parish to find to fund all these positions in the coming year. The Parish Pension scheme will run at the same rates as last year but the Diocese have imposed a different structure for the MA roles which makes a significant impact on the cost of staff salaries and pensions across the Parish.

On behalf of the Parish I extend grateful thanks to Louise Rouse, Anne Crabtree and Jody Webster and also to all Wardens, Vergers and others who continue to count the church receipts so faithfully and so well. There will be changes over this year as tasks transfer to the North Street Office but hopefully all the accounts will continue to be run efficiently and accurately in our new environment. Our thanks also go to Hart Wright Accounting for continuing as our Accounts Examiners for 2019.

And so we can continue to pray that our Clergy Team led by Mike and supported by Paul our Operations Manager with a new Administration Team will grow our Parish Vision to reach out to Keighley and the surrounding area with the amazing story of God's grace and the saving power of Christ crucified and risen. We continue to pray that our churches will be full to overflowing with worshipping Christians, brought to wholeness and healing through the amazing story of salvation through our Lord Jesus Christ. So once more can I pray that each of us allows ourselves to be convicted by God's Holy Spirit to bring our whole tithe into His storehouse so that we see His promise of the riches of heaven being poured out on this town, this area, this country and this world.

Jane Carter
Treasurer – Keighley Parish
31st December 2019

PAROCHIAL CHURCH COUNCIL OF THE PARISH OF KEIGHLEY

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDING 31ST DECEMBER 2019

1. ACCOUNTING POLICY

The PCC is a Public Benefit Entity within the meaning of FRS102. The financial statements have been prepared under the Charities Act 2011 and in accordance with the Church Accounting Regulations 2006 governing the individual accounts of PCCs and with the Regulations' "true and fair" provisions. It is the third year that they have been prepared under FRS102 (2016) as the applicable accounting standards and the 2016 version of the Statement of Recommended Practice, Accounting and Reporting by Charities (SORP(FRS102)). The financial statements have been prepared under the historical cost convention except for the valuation of investment assets, which are shown at market value. The financial statements include all transactions, assets and liabilities for which the P.C.C. is responsible in law. They do not include the accounts of church groups that owe their main affiliation to another body, nor those that are informal gatherings of church members. The Parochial Church Council (hereafter referred to as the P.C.C.) is a corporate body established by the Church of England. The P.C.C. operates under the P.C.C. Powers Measure. The registered charity name of the PCC is "The Parochial Church Council of the Ecclesiastical Parish of Keighley" and our charity number is 1130301.

FUNDS

Restricted funds represent income received as donations or grants for a specific object or invited by the PCC for a specific object. The funds may only be expended on the specific object for which they were given. Any balance remaining unspent at the end of each year must be carried forward as a balance on that fund and details are given in the Funds Reports. The PCC does not usually invest separately for each fund. All Saints benefit from the income from the McNish fund held and run by the Leeds Diocesan Board of Finance. This year this accounted for £10,000 of their Share Payment.

Unrestricted funds are general funds which can be used for PCC ordinary purposes. Certain unrestricted funds have been designated by the Church Council for specific purposes but remain unrestricted. Unused balances of these funds are available for general purposes.

Every five years a Quinquennial inspection of the Church buildings is undertaken by an appropriately qualified Architect and a recommendation of works required is provided to the PCC. The PCC includes funding to undertake these works in its' annual budget.

Deposit fund values as at the 31st December have mainly risen since last year and the alteration in value is shown in the accounts. The PCC continues to deliberate carefully about potential uses of any unrestricted funds.

INCOMING RESOURCES

Planned giving, collections and donations are recognised when received by, or on behalf of, the Church Council.

Income tax recoverable under Gift Aid is recognised when the income from offerings relating to Gift Aid is recognised, on an accruals basis. The Youth Fund hasn't supported the Youth Worker salary this year and if this ministry is to be maintained donations will need to increase quite substantially. Grants have been found to fund the Drop In on a Monday night but need to be continued. The CAP fund also still needs to receive increases to the regular giving if it is to fully support this ministry although the deficit has been reduced this year thanks to some very generous one off donations and committed fundraising visits to local churches. The Mission and Development fund income rose slightly above expenditure and so has a larger balance to start the financial year.

Grants and legacies are accounted for when the PCC is legally entitled to the amounts due. Dividends are accounted for when receivable. Gift Aid Tax recoverable is accounted for on an accrual basis. All other income is recognized when it is receivable.

OUTGOING RESOURCES

Donations are accounted for when paid over, or when awarded, if that award creates a binding obligation on the Church Council. The Parish has fully paid the amount requested by the Diocese for Share payment this year. The Share amount was a decrease on the amount requested in 2018. PCC/LCCs continue to keep expenditure down to the absolute minimum and to seek good value contracts for all our ongoing maintenance and repairs.

All other expenditure is accounted for on an accruals basis. The balance sheet shows a decrease on the previous year. For KSC this is mainly due to the Kitchen installation which was agreed in 2018 and paid for in 2019. The decrease has been mitigated by the increase in the fixed asset investments but each church has incurred a deficit in day to day running expenses.

FIXED ASSETS

Consecrated and benefice property is not included in the accounts in accordance with s.10(2)(a) and (c) of the Charities Act 2011. Movable church furnishings held by the Rector and Church Wardens on special trust for the PCC and which require a faculty for disposal are inalienable property, listed in each church's inventory. These can be inspected at any reasonable time.

All other assets acquired since 6th April 2000 have been capitalised at cost and depreciated in the accounts over their anticipated useful economic life on a straight line basis. For anything acquired prior to 2000 there is insufficient cost information available and therefore such assets are not valued in the financial statements. Equipment used within the church premises is depreciated on a straight line basis over 4 years. Individual items of equipment with a purchase price of £1,000 or less are written off when the asset is acquired. Investments are valued at mid-market value at 31st December 2019.
