Structure, Governance & Management

Type of Governing Document:

Constitution,

How the Charity is Constituted:

Charitable Incorporated Organisation

Trustee Selection Methods:

Elected by existing Trustees

How New Trustees are Inducted and Trained:

All Trustees are provided with a copy of the Constitution, Annual Reports, Financial Statements and Minutes of recent meetings.

Objects

The prevention or relief of poverty anywhere in the world by providing: grants and items to individuals in need and/or charities, or other organisations working to prevent or relieve poverty.

Our mission is to supply regular shipments of food, warm clothes and other life essentials.

Statutory Declaration on Public Benefit

The trustees declare that they have complied with their duty to have due regard to the guidance on public benefit published by the Charity Commission in exercising their powers or duties.

Executive Summary

We use Social Media to keep in regular contact with volunteers and organisations working on the ground in the countries we support. This gives us an insight into exactly what is needed and where. It also enables us to confirm to our donors that the aid we send reaches the correct destination.

A list of the "People We Support" can be found in the accompanying document.

We hold regular meetings and work alongside several other charities and groups from Cheshire, Merseyside and North Wales. This enables us to make informed decisions on when and where to provide aid and to make the best use of our limited resources.

Although most of the aid we supply is sent from the UK, it is sometimes more economical for us to grant funds to charities and groups operating in the areas we support. This money is then used to purchase food and essential items locally, reducing transport costs and supporting their local economy. We obtain original receipts for such purchases whenever possible.

Activities, Achievements & Performance

The significant activities undertaken by the charity during the financial year to further its purposes or to generate resources to be used to further its purposes.

On Friday 05/07/2019 it was agreed by all six of our trustees that the Twrcelyn Shop will no longer form part of our charity, but will be run independently by John Clinton and Helen Harris. This will avoid any possible conflict of interest.

On 17 January John Clinton Emailed the charity stating his wish to resign his position as trustee with immediate effect. Helen Harris followed suit on 11 February. The charity accepted their resignations. Helen will be removed as a signatory on the charity account.

On 11 February the Twrcelyn shop became part of the charity Care UK. Helen and John will continue to take any donations we may have for Care UK to Northwich, but will cease to collect from Millbank.

It was agreed that to avoid storage issues we would remove larger items such as buggies, Moses baskets, travel cots ETC from our donations list, but that if we happen to receive any of the above items they will continue to be passed on to the shop courtesy of Neil and Carys who said that they would be happy to transport items to the shop so that they could be taken to Care UK.

The trustees requested that Helen and John remove our charity banner from the wall outside Twrcelyn shop and return it to the charity. It was felt that continuing to use a banner stating that the shop supported Refugee Relief Ynys Môn would risk misleading those generous enough to donate. Although the banner has been removed, it has not yet been returned to the charity.

Our AGM was held on 3 March 2020. The current trustees, Betty, Neil, Barry and Heulwen stood down and were duly re-elected. We also elected and welcomed our new trustee, Carys Thomas. Carys agreed to be a signatory on our account.

Cash Donations and Collections

We showcase the work of our charity and request public donations on our Website <http://RRYM.UK> and on our Facebook page [refugeereliefynysmon](https://www.facebook.com/refugeereliefynysmon).

This year we have received Donations of **£3,845** and Other income of £2,978.

This includes £1,400 courtesy of cash for clothes and £1,400 from Twrcelyn shop.

We held 6 cash collections at various venues, including supermarkets and Twrcelyn shop.

Other fundraising activity

Items which have been donated but which are not required by the displaced people we support are sold either in the Twrcelyn shop or on social media to raise funds.

Talks and Presentations

Heulwen has given several talks to schools, clubs and social groups on Anglesey to raise awareness of the Refugee crisis and the work we do. She donates any speaker's fees to RRYM.

Fuel and shipping costs

As most of the items we supply to refugees have been donated, the main area of expenditure this year were shipping and fuel costs.

We use "Parcel2go" and "Parcel Monkey" to select the cheapest courier service to deliver our boxes of aid to where they are needed. Couriers include: Parcel Force, UPS, DPD and DHL for posting overseas, Yodel and Hermes for within the UK.

We spent £2,922 on Shipping Costs and £900 on fuel/van hire.

We posted 110 30kg boxes of clothes and household items, most going to Athens, the Greek islands and Romania.

We also contributed to 9 40ft containers of aid organised by the charities Care UK and Mersey Aid.

Purchasing Aid

Our other main expense has been purchasing new underwear and other essential items which were not donated.

Most of these are purchased in the UK and shipped in the boxes and containers but occasionally some are purchased on our behalf by trusted volunteers in the countries we support. We spent £1,342 on these and Other expenses.

The people we support

Occasionally we are able to supply aid directly to displaced people, either in the UK or in refugee camps, who have been referred to us by a trusted volunteer or group.

However as we are such a small charity with few volunteers most of the aid we collect is shipped to one of the following organisations, who we trust to distribute the aid on our behalf. We receive frequent reports and photographs of these distributions, which we show on our Facebook page and Website as evidence to our donors that the aid has reached its intended recipients.

Hope Project

The Hope project is founded on the principles of dignity, compassion and safety for all. We aim to provide aid and support for people in need, our primary focus is on people fleeing conflict or facing injustice, poverty or persecution. Our focus is not only to provide support and aid but also to focus on empowerment of people, including refugees, by creating and supporting proactive projects, working with refugees and the disadvantaged enabling them to hopefully become empowered to help themselves and others.

We have been helping refugees arriving in Lesvos since early 2015.

The Hope Project is a restricted fund under the auspices of Prism the Gift Fund, charity number 1099682.

RRYM has supplied second-hand clothes, adult and children's underwear, bras, towels, and shoes, blankets, toiletries and sanitary products, according to their requirements.

We also supplied baby items and non-prescription medication for use at the nearby clinic.

These were sent by courier in 26 30kg boxes.

Supporting ALL refugees, when & where it is needed most

Karen Graham is an independent volunteer from Tilos Greece. The main purpose of this group is purely to 'be there'. We offer emotional support and practical help (if possible) for all refugees. We can't promise to solve all of their problems but we can promise that they will not have to face those problems alone. No refugee should ever feel alone. No message will ever go unanswered.

NEA KAVALA CAMP

At Nea Kavala we worked alongside the people in the camp to establish a community and learning centre, with a range of educational, creative and social activities for adults and children.

Our project was accepted inside the camp of Nea Kavala, in northern Greece, in May 2016 by both UNHCR and the military there. With help from friends inside and outside the camp, we quickly built and opened the We Are Here community centre. Since then we have been providing a place for children and adults to access education and recreation, and feel a sense of routine, security and validation.

Samos Hospital

It has fallen upon the understaffed Samos hospital to provide essential healthcare to the thousands of refugees living in the hotspot and the island. The lack of medical staff in the hotspot impacts not only the healthcare of refugees but also the vulnerability assessment procedure. Greece's economic woes mean that paramedics on the picturesque island of Samos are increasingly faced with the terrible dilemma of who to save and who to leave to die.

"I just received a box from Heulwen with medicine, (paracetamol) which is much appreciated, towels which will be used for the shower project for women and children by Boabab, glasses which were also sent to Mediequal team, and other special shoes for young teenagers. I can't express how much everything was immediately needed. People on Samos are suffering a lot, I could say worse than in 2015. SOS CHAI

SOS CHAI is our ministry to refugees. It began in the “Jungle” refugee camp in Calais, where from a converted ambulance nick-named “MrT.” we served hot drinks and friendship every day to around 400 people. With the destruction of the Calais camp the van returned to Caen, and since Easter 2017 we have been serving a weekly, hot meal with coffee, tea, games and friendship to a group of around 80 Sudanese migrants. Thanks to generous donations from friends and supporters and the time given by our local volunteers, we have been able to increase this to twice-weekly since September 2018.

We welcome donations of:

Clean fashionable mens clothes in sizes small or medium, Mens shoes in sizes 39-44 – preferably either trainers or sturdy boots, Shampoo, shower gel, deodorant and other toiletries.

Please Email Gerard Kelly: info@blessnet.eu.

RRYM has provided toiletries, clothes and baby items.

These were sent by courier in 1 30kg box.

Khora Free Shop

KHORA is a Greek Association based in Athens, Greece. We are a collective who have come together to create community spaces and facilitate the provision of services for people forced from their homes by poverty, oppression, climate change and war.

Khora's Free Shop aims to provide a dignified shopping experience for refugees, asylum seekers, and others in need in Athens, from clothing to toiletries.

Since November 2016, Khora Community Center in Athens has been operating a free shop in our basement space for refugees, asylum seekers, and other people in need. In this free shop, we moved away from dehumanizing distribution lines. Instead, we aim to give people a dignified shopping experience, allowing them to find clothes that both fit them and express their identity. In addition to clothing, Khora's free shop offers shoes, toiletries, and other non-food items. It also provides a vital space for families to get diapers, which are particularly difficult to find for free in Athens.

RRYM has provided adult and children's clothes.

These were sent by courier in 8 30kg boxes.

Love Without Borders

We aim to provide refugees in Greek camps, shelters, and housing communities with a source of emotional expression and economic self-empowerment while giving them a platform to spread awareness of the conditions in which they live and their varied and largely unmet needs. We provide donation-funded art supplies to the refugees—men, women, and children alike—then exhibit and sell the resulting works of art around the world with the help of communities that help to host art shows. We return one hundred percent of the earnings from the sale of refugees' artwork to the artist who created each piece.

In October of 2016, Kayra registered Love Without Borders as a 501(c)(3) non-profit organization in the United States, lovewithoutborders4refugees.com.

RRYM has supplied Toothbrushes, toothpaste, Wet wipes, colouring books and crayons.
