ANNUAL REPORT AND ACCOUNTS for the year ended 31 August 2019 (continued)

Objectives and Activities

The main object of the charity is to promote religion in accordance with the Roman Catholic faith and in particular to form young men and adults to the presbyterate for the new evangelisation and for that purpose to establish a House of Formation.

Accordingly, the company is renting a property known as St. Edward's Convent, located at 11 Harewood Avenue, London NW1 6LD. The building houses the registered office of the charity and a House of Formation where the seminarians and some members of staff are in residence. The House is run under the direct supervision and responsibility of the Rector.

The seminarians in residence attend courses in English language, Philosophy and Theology in preparation for the priesthood. The House of Formation provides them with food and lodging, meets their expenses (studies, clothing, health care, travelling in London and abroad, etc.) and offers them a training programme which includes studies, pastoral activities, spiritual and human formation.

Seminarians training at Redemptoris Mater are introduced to the universal dimension of the Church mission. They prepare to serve not only in the Archdiocese of Westminster but anywhere in the world. Along with receiving intellectual and spiritual formation, they are helped to be actively involved in serving the people to whom they will be ministering after ordination. After a few years in formation the seminarians dedicate two or more years to itinerancy, a period of full time missionary service in any country of the world where their services are needed, as part of a small team made up of some lay missionaries - single men and women or married couples with their children and a priest. The main activity carried out is adult catechesis, within a programme of human and Christian formation which includes assistance and support to families and young people.

The same activities are undertaken by the staff of the House of Formation and by the students residing in London: spiritual and human assistance to families, ministry in hospitals and assisting young people, both in schools and in parish-based groups and initiatives.

Redemptoris Mater also welcomes priests returning from their missionary posts or preparing to go on mission, offering them support, opportunity for quiet periods in a prayerful environment, access to information and material related to their missionary work.

Many activities of the House of Formation are carried out by volunteers, who work in various capacities. In the year 2018-19 a total of 13 volunteers contributed to the charity's activities by working in the library, cleaning, administration, kitchen and teaching assistance at the House of Formation. Their contribution in running the house is precious as it creates at Redemptoris Mater a friendly and homely atmosphere which does not pass unnoticed.

Achievements and Performance

In the year 2018-19 there were 16 seminarians training for the priesthood in the Redemptoris Mater House of Formation, from several countries in Europe and America. Nine of them have been residing full-board in the House of Formation. One of them has spent the last year of Academic Formation at Allen Hall, the Diocesan Seminary. Six of them were on missionary placements abroad and returned to Redemptoris Mater only for stages in their formation, for assessment of their missionary experience and for periods of rest.

ANNUAL REPORT AND ACCOUNTS for the year ended 31 August 2019 (continued)

Axcel Soriano, from San Francisco, USA, was ordained deacon by Bishop John Wilson on 15th June 2019 at Westminster Cathedral.

A great help for the human and pastoral development of seminarians and an integral part of their formation is the time of itinerancy. This is a period of missionary formation, usually but not necessarily on placement abroad. In the year 2018-19 the placements were as follow: Marco Lazzaron in Scandinavia, Switzerland and Piedmont, Italy; Juan Sola in Ireland and Veneto, Italy; Domagoj Matoković in Australia and Papua New Guinea; Marcin Nadolski and Dominic Quirke in Israel, Michał Pastuszka in Porto San Giorgio, Italy.

All seminarians who were continuing their studies in London were involved on a weekly basis in pastoral activities which included ministry in hospitals, prisons, schools, university chaplaincy and parishes around London. Among other accomplishments, these pastoral activities enable the seminarians to develop social skills for helping the most vulnerable and those at the fringe of society.

Public benefit statement

The Directors of Redemptoris Mater House of Formation believe, to the best of their knowledge, to have acted having due regard to the Charity commission's public benefit guidance whenever exercising any powers or duties to which such guidance is relevant.

Financial Review

Direct charitable expenditure refers to funds used exclusively for:

- a) covering the maintenance costs for the House (rent, electricity, gas, water, telephone, repairs, etc.);
- b) paying for food, travel, studies and any other expenses necessary to provide the required training and ensure adequate living conditions for the beneficiaries;
- c) paying travel expenses for the students involved in missionary work abroad;
- d) providing food for the voluntary helpers (the rector and three lay helpers) who have been living full-time in the House for the sole purpose of running it in accordance with the charitable object of the Company.

None of the directors or members was remunerated. Money spent for the charity management and fundraising amounted to £769.

The funds made available to the charity during the year 2018-19 came from voluntary donations from individuals, both in the UK and abroad, and grants from other charities. A special fund, "NCW Evangelisation" has been established to administer money given to the Charity by restricted donations with the specific purpose of providing support to some of the evangelisation activities promoted by the Neo-Catechumenal Way – an Itinerary of Christian formation officially recognised by the Catholic Church – on condition that such activities take place *within the UK* or are carried out elsewhere in the world *by UK members* of the NCW.

ANNUAL REPORT AND ACCOUNTS for the year ended 31 August 2019 (continued)

The unrestricted donations for 2018-19 show an increase of £12,562. However, grants received amounted to £1,500, a tenth of the previous year. Because of this, the total income figure for this year is only slightly less than the previous year. In 2018-19 overseas donations amounted to £813.

Fundraising complaints

During 2018-19 no fundraising complaints were received.

Structure, Governance and Management

The charity is constituted as a charitable company limited by guarantee and not having a share capital. Its governing document is the *Memorandum and Articles of Association* incorporated on 7th September 1994 (as amended by special resolution on 19th June 1995).

The members of the Pastoral Council (= Members of the charitable company) are appointed by the Archbishop of Westminster. As members of the charitable company, they propose the general lines for the charity's activities; they appoint the Directors, the Secretary and the Independent Account Examiner and approve the yearly Annual Report and Accounts.

The company is run by an Administrative Council, whose members are the Directors of the company, who are also its Trustees. The Administrative Council is chaired by the Rector.

The Rector (a.k.a Superior) of the House of Formation is the chief executive of the company. He is appointed by the Archbishop of Westminster and is *ex officio* member and chairman of both Administrative and Pastoral Council.

All members of the Administrative Council (=the Directors of the company) are appointed by the Pastoral Council, i.e. by the Members of the company. No person other than a resigning member of the Administrative Council is eligible for election unless their nomination is made by a member of the Pastoral Council. Any member of the Pastoral Council is entitled to submit nominations.

Directors are chosen for their expertise in administration, legal matters and/or for their direct experience of working in the charity field. An induction process is carried out by other Directors on a one-to-one basis, with the support of material provided by the Charity Commission.

Day to day administration is delegated to the Rector, who works in association with the Administrator and takes relevant advice from Council members and other professionals before making important decisions.

ANNUAL REPORT AND ACCOUNTS for the year ended 31 August 2019 (continued)

Risk management

The members of the Administrative Council continue to assess the major risks to which the charity is exposed, in particular those relating to the specific operational areas of the charity and its finances. The members of the Council believe that by monitoring reserve levels, by ensuring that suitable control procedures over key financial systems are in place and by examining the operational and financial risks faced by the charity, they have established effective systems to mitigate those risks.

Reserves Policy

The charity has adopted a policy on reserves, thereby designating a special £5,000 reserve fund, to be used in the event of winding up, to meet legal and administrative expenses and settle payments to staff (if any: no paid staff are presently employed).

Moreover, to provide resilience against unbudgeted additional costs or shortfalls of income, the directors aim at maintaining the general fund at around 12 months' worth of budgeted annual expenditure, in order to ensure that even in case of grave unforeseen events a full year of training may be provided to the seminarians in formation.

Plans for the future

The plan for the immediate future is to continue running the House for the academic year 2019-20, and to make provision for the studies, pastoral activities and field-work training in the UK and abroad for the students attached to the House.

Students and staff will continue to carry out pastoral activities and assistance in various London parishes, hospitals, schools, prisons or any other placement judged suitable for their training. Students on missionary placements will be working in Australia, Papua New Guinea, Ireland, Scandinavia, Italy, Switzerland, Israel and Qatar.

Redemptoris Mater will continue to support its former students who have been ordained priests, offering them services, advice and an appropriate environment for prayer and days of quiet. This support continues when priests trained at Redemptoris Mater are sent in mission abroad or in the UK. In the year 2019-20 one of them will be working in the diocese of Plymouth.

The House of Formation will also continue to offer hospitality to missionary priests and lay people who work with the students on itinerancy.

The directors intend to continue in their endeavour to broaden and diversify fundraising activities. Contacts with grant-making organisations have produced some results in the previous year and will be further developed. The Christmas Concert, besides its fundraising purposes, has also proved to be a positive social activity which keeps us in touch with our benefactors and link us up with new ones.

Statement of Trustees' Responsibilities

The Trustees of the charity (who are also the Directors of the company for the purposes of company law) are responsible for preparing the Annual Report and the Financial Statements in accordance with applicable law, FRS 102 (Financial Reporting Standards) and SORP 2015 (Statement of Recommended Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare Financial Statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that year.

In preparing these Financial Statements, the trustees are required to:

- a) Select suitable accounting policies and apply them consistently.
- b) Observe the methods and principles in the current Charities Statement of Recommended Practice (SORP).
- c) Make judgments and estimates that are reasonable and prudent.
- d) State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the Financial Statements.
- e) Prepare the Financial Statements on an accruals basis.

The Trustees are responsible for keeping sufficient accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the Financial Statements comply with the Charities Act, Charity Reporting and Accounting Guidance, and the provisions of the governing document of the charity (*Memorandum and Articles of Association*). They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
REDEMPTORIS MATER HOUSE OF FORMATION CHARITABLE COMPANY**

I report on the accounts of the company for the year ended 31 August 2018 which are set out on pages 8 to 14.

Respective responsibilities of trustees and examiner

The Trustees (who are also the Directors of the Company for the purposes of company law) are responsible for the preparation of the accounts. The Trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed. Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility:

- to examine the accounts under section 145 of the 2011 Act
- to follow the procedures laid down in the general directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

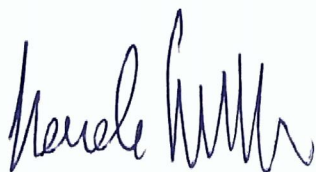

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 386 of the Companies Act 2006; and
- to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities (FRS 102)

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
