## Statement of Trustees' accounting and reporting responsibilities

The Trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the Trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principals in the Charities SORP;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

## Independent Examiner's Report to the Trustees of The Rose Animal Welfare Trust CIO

I report to the trustees on my examination of the accounts of the Rose Animal Welfare Trust CIO for the year ended 31 October 2019.

This report is made solely to the Charity's Trustees, as a body, in accordance with Section 145 of the Charities Act 2011. My independent examination work has been undertaken so that I might state to the Charity's Trustees those matters I am required to state to them in an Independent Examiner's Report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Charity and the Charity's Trustees as a body, for my independent examination work, for this report, or for the opinions I have formed.

## Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity commission under section 145(5)(b) of the Act.

## Independent Examiner's Statement

Since the Charity's gross income exceeded $£ 250,000$ your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of Institute of Chartered Management Accountants, which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

## Notes to the financial statements for the year ended 31 October 2019

## 1 Accounting policies

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

### 1.1 Charity information

The Rose Animal Welfare Trust CIO is a charity established by Constitution dated 6 October 2016, and registered with the Charity Commission under charity number 1169516. The charity's principal office address is Triune Court, Monks Cross Drive, Huntington, York, YO32 9GZ.

### 1.2 Accounting convention

The financial statements have been prepared in accordance with applicable United Kingdom accounting standards including Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) and the Charities Act 2011.

The charity is a Public Benefit Entity as defined by FRS102.
The financial statements are presented in Sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest $£ 1$.

The financial statements have been prepared under the historical cost convention, as modified by the revaluation of certain fixed assets.

### 1.3 Going concern

The Trustees have at the time of approving the financial statements a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

### 1.4 Income

Income is recognised in full in the Statement of Financial Activities ("SoFA") in the year in which it is receivable.

### 1.5 Income from investments

Dividend and interest income from investment funds is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of dividends and interest paid or payable by the Fund Manager.

Interest income from cash deposits and listed investments is recognised in the accounts gross, when receivable.

### 1.6 Expenditure

Expenditure (excluding grants) is included in the SoFA on an accruals basis.
Charitable activities include support expenditure associated with the administration and issuing of grants.

## The Rose Animal Welfare Trust CIO

## Notes to the financial statements for the year ended 31 October 2019 (continued)

### 1.7 Grants

Grants payable are commitments (including payments) made to third parties in the furtherance of the charitable objectives of the charity. Single or multi-year grants are accounted for as grants payable when either the recipient has a reasonable expectation that they will receive a grant and the Trustees have agreed to pay the grant without condition, or the recipient has a reasonable expectation that they will receive a grant and any condition attaching to the grant is outside the control of the charity.

### 1.8 Fixed asset investments

Investments are a form of basic financial instrument.
Listed investments are stated at market value at the balance sheet date. The listed investment portfolio is held to generate returns and gains for the charity and accordingly is designated as fair value through profit and loss ("FVTPL"). Under this designation the portfolio is revalued at each period end to its fair value, as determined by reference to quoted market prices and values determined by independent fund managers, with any gains or losses going through the SoFA.

### 1.9 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments. The Charity only has financial assets and liabilities of a kind that qualify as basic financial instruments in accordance with section 11 of FRS 102. Basic financial instruments are initially recognised at transaction value and are subsequently measured at their settlement value.

The Charity does not acquire put options, derivatives or other complex financial instruments.

### 1.10 Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity held for working capital.

### 1.11 Debtors

Financial assets, other than those held at fair value through profit and loss, are assessed for indicators of impairment at each reporting end date.

Financial assets are impaired where there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows have been affected. Any impairment loss is recognised in the income and expenditure account.

### 1.12 Creditors, loans and provisions

Creditors, loans and provisions are recognised where the Charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors, Ioans and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

Financial liabilities are derecognised when, and only when, obligations are discharged, cancelled or they expire.

Amounts recognised as provisions are best estimates of the consideration required to settle the present obligation at the reporting end date, taking into account the risks and uncertainties surrounding the obligation.

### 1.13 Fund accounting

All funds received in the year are unrestricted in their application, the Trustees having full discretion over their use.

## The Rose Animal Welfare Trust CIO

## Notes to the financial statements for the year ended 31 October 2019 (continued)

### 1.14 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised, if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

The Trustees have judged that there are no estimates or assumptions which have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities.

To comply with Charities SORP (FRS 102) non-performance grants are reported in the SoFA on approval of application. In some cases payment may be spread over a period of time which gives rise to future commitments. There were no future commitments in respect of grants at the year end.

There were no staff employed by the charity during the period. Other than as disclosed in note 10 the Trustees are unpaid and did not receive any remuneration, benefits or expenses from the charity in the period.

Included within administration and accountancy fees is the Examiner's fee of $£ 500$.
