### Objectives and activities

#### Our objectives:

Aiming High London was set up to:

- Support Children and Young People (C&YP) from disadvantaged backgrounds.
- Offer exciting yet educational new opportunities to C&YP from low income families who have limited out of school options.
- Keep the C&YP occupied out of school hours to avoid the cycle of boredom=frustration=anti-social behaviour.

#### Our Target Group

Our activities are targeted at C&YP who their parents cannot afford the cost of expensive after-school programmes and do not have the means to purchase expensive gadgets and games- which means that many of them remain under-stimulated and free to roam the streets during the long school breaks and weekends.

Research has proven again and again that children from deprived/disadvantaged homes lag behind academically and socially, most often due to them lacking important and basic life-skills (e.g. confidence, ability to make friends, motor skills.) This creates the vicious cycle of poor academic performance=lower paid jobs=poverty and deprivation.

#### How we achieve our aims

Aiming High London tackles these two major issues affecting local young people and families, by offering subsidised, and for many users in need, free, programmes led by volunteer youth leaders experienced in working with children and young people, during after-school time, school holidays and half-terms. The C&YP meet in small groups and enjoy the informal club-like atmosphere. Each session is planned with the goal of advancing their life skills in a fun relaxed atmosphere. There's also the thrill of being able to choose from a wide range of activities, and discovering new talents and hobbies they never knew they had!

We offer a range of activities, so that participants can choose that which suits them best. Over the past year, we ran the following activities:

Drama Group

Singing and music

Woodwork

Aerobics

Swimming

Trips

Competitions

Arts and Crafts Club

Handwriting Club

All activities are skills-based (and still fun!), and encourage C&YP to strengthen lots of different areas simultaneously. Working in a group setting means they need to communicate, negotiate and compromise. Developing and improving their social and communication skills is key to all the activities we offer.

We are fully aware of our responsibilities in running a project for C&YP. Our trustees and volunteer youth workers all have enhanced DBS checks. Also, youth workers have attended Safeguarding Children & Young People training and are all aware of procedures to follow if any form of abuse/neglect is suspected.

### **Need for the project:**

Whilst AHL activities are not particularly innovative, it is likely the only chance that these C&YP will get to try out these activities. Living in one of the most deprived England boroughs (JSNA 2009), which has one of the highest rates of benefits claimants (London's Poverty Profile), these C&YP have very limited after-school opportunities.

Most of these C&YP live in overcrowded accommodation, often with no access to a garden. Day-to-day living is a struggle for them and their families, who need to cope with poverty, overcrowded living conditions and limited opportunities. Many families cannot afford to pay for leisure or enrichment activities which are so important to the emotional and physical wellbeing of C&YP.

In our 2015 user survey, 98% of parents and users requested more activities during school holidays. 96% of C&YP said they are happy they joined the programme, especially because they have made new friends at school. We also invited parents and carers of C&YP to a consultation event. They expressed concern that their children were bored and frustrated after school hours, and felt helpless in being unable to support them. In fact, many admitted that their children were showing signs of anti-social behaviour.

We also work closely with heads of local schools when planning activities, so that we can address specific areas of need. For example, woodwork was set up to improve C&YP's fine motor skills; drama was set up to develop their oral language. We are delighted to continue running this programme and are committed to raising sufficient funds so that disadvantaged C&YP are not marginalised, and are given ample opportunities to succeed.

### **Public Benefit Policy**

We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aims and objectives and in planning our future activities.

### **Grant Making Policy**

Grants are made to individuals and charitable institutions which accord with the objects of the charity.

### Year ended 31 July 2019

---

#### **Achievements and performance**

During the year the charity received grants and donations totalling £183,988 and spent £178,565 in furtherance of its objectives.

#### **Difference our projects make:**

- Disadvantaged C&YP feel empowered and fulfilled as they discover new talents and hobbies they had never tried out before. This leads them to become more motivated learners at school, who believe they can truly achieve.

- C&YP gain the tools to work successfully as part of a team. Improved social and communication skills impact on their social life which, heading into adolescence, is so crucial to healthy self-esteem.

- In the long-term, participants are far more likely to develop into competent, motivated adults who are able to contribute to society and make an impact on their surroundings.

#### **Monitoring and evaluation:**

We are committed to closely monitoring all our activities, so that we can evaluate our successes AND failures. Therefore, we always: Ask participants to complete 'before', 'during' and 'after' questionnaires, which indicates how the project has impacted on them; Run a post-project consultation event with parents, inviting their comments and suggestions; Our management committee evaluates all of the above, so that this information can feed into future projects.

#### **Financial review**

As at 31 July 2019 the charity held Restricted reserves of £Nil (2018:£Nil) and Unrestricted reserves of £9,334 (2018:£3,911).

#### **Reserves Policy**

The trustees are satisfied that the balance of the Restricted Fund is an acceptable level of reserves. The trustees are confident that sufficient donations will be received in the forthcoming financial year to make up the deficit in unrestricted funds and to enable the charity to continue with its activities.

## Independent Examiner's Report to the Trustees of Aiming High London

Year ended 31 July 2019

---

I report to the trustees on my examination of the financial statements of Aiming High London ('the charity') for the year ended 31 July 2019.

### Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
