Summary of the main achievements of the charity during the year

We are very proud that Sidq Foundation is now in its sixth year of operation. The Trustees and our partners in Amman, Jordan have been collaborative, and we are very pleased that we are able to ease the suffering of the people in need by:

- collecting and distributing funds for poverty reduction
- providing help to refugees with their rent payments
- providing financial assistance to orphans
- providing financial assistance to those unable to work

The predicament of many of the refugees in Jordan is that they are unable to work, or if they are working, the minimal wages they receive are not sufficient to lift them above poverty level or to feed a family. This year, no visits were made by the trustees of Sidq foundation to any of the refugee camps.

Section E

Section F

Other optional information

STRUCTURE, GOVERNANCE AND MANAGEMENT

GOVERNING DOCUMENT

The charity is controlled by its governing document, a deed of trust, and constitutes an unincorporated charity.

The charity trustees are responsible for the general control and management of the charity. The trustees give their time feely and receive no remuneration or other financial benefits. The trustees at the moment meet together as a body when and as required and are responsible for all decisions taken in relation to running the activities provided by the charity.

INDUCTION AND TRAINING

NEW TRUSTEES

Following appointment, new trustees will be introduced to their new role and are requested to familiarise themselves with contents of the trusts constitution and to the policies and procedures adopted by the charity. They are also requested to read a number of publications from the Charity Commission to ensure that they are aware of the scope of their responsibilities under the Charities Act.

The new trustees will work collectively with existing trustees assisting on activities and projects run by the charity, to attain maximum benefits for the charity.

VOLUNTEERS

Volunteers are an important resource in both our faith and community work. Volunteers are involved in most of our faith and community activities and we have people and family members who regularly give up their time as volunteer.

All our trustees also give of their time freely. We encourage all members to be involved in voluntary activities and to share their skills with others.

PUBLIC BENEFIT

The trustees have recognised the guidance in the Charity Commission's general guidance on public benefit when reviewing the aims and objectives of the charity and when planning activities. The difference the charity makes for the public benefit is the furtherance of elevating poverty.

RISK MANAGEMENT

The trustees have assessed the major risks to which the charity is exposed and are satisfied that systems are in place to mitigate exposure to those risk, appropriate controls are in place to mitigate financial risks overseen by trustees.

Section G Declaration

The trustees declare that they have approved the trustees' report above.
