TRUSTEES' REPORT

FOR THE YEAR ENDED 31ST DECEMBER 2019

The Trustees present their report and accounts for the year ended 31st December 2019.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the Charity's governing document, applicable law and the requirements of the Statement of Recommended Practice, "Accounting and Reporting by Charities" issued in March 2005.

STRUCTURE, GOVERNANCE AND MANAGEMENT

The Charity administers a Trust Fund established under the will of Baroness Northcote, subsequently altered by a scheme approved by the Charity Commissioners in 1974.

Trustees are appointed by resolution of the Trustees. They meet twice a year. The Britain-Australia Society is responsible for the administration of the Trust under the instruction of the Trustees.

OBJECTIVES AND ACTIVITIES

The Trust's present objectives are to provide graduate studies at Australian universities and colleges for students resident in the UK. The Trust's objectives have changed in the past due to the need to adapt to circumstances.

The original objective of children's emigration as determined by Lady Northcote's will became neither desirable nor feasible. As a result of a strategic review the trustees sought wider powers in 1974 from the Charity Commissioners. These wider powers now allow the Trust to pursue their present objectives.

It is the trustees' responsibility to review the current strategy on a regular basis to ensure that the strategy is appropriate and that there remains a demand from students for Northcote scholarships as well as an interest from Australian universities and colleges in taking graduate students from the U.K.

ACHIEVEMENTS AND PERFORMANCE

During the year under review the Trust made grants totalling £111,434 (2018 - £161,910). The grants were awarded to two continuing and two new students to pursue postgraduate studies at the University of Sydney and James Cook University

Public benefit statement

In shaping our objectives for the year and planning our activities, the trustees have considered the Charity Commission's guidance on public benefit, including the guidance 'public benefit: running a Charity (PD2). The achievements and activities above demonstrate the public benefit arising through the Charity's activities.

FINANCIAL REVIEW

The surplus for the year amounted to £339,421 (2018 – deficit £355,185). The Trust incurred a surplus of £47,502 (2018 – deficit £11,394) prior to an investment surplus arising on the Trust's investment portfolio totalling £291,919 (2018 – deficit £343,791).

Principal funding came from the investment income arising on the Trust's investment portfolio. Investment returns increased from £161,061 in the year to 31 December 2018 to £175,015 for the year ended 31 December 2019.

It is the aim of the Trustees to maximise the levels of grants paid each year whilst maintaining the Trust's capital, thereby ensuring the availability of income in future years so that grants giving may be maintained.

TRUSTEES' REPORT (Cont/d)

FOR THE YEAR ENDED 31ST DECEMBER 2019

RESERVES POLICY

The charity's total reserves at 31 December 2019 amounted to £4,440,382 comprising £4,291,105 held in an expendable endowment fund and the balance of £149,277 in unrestricted general funds. The endowment fund represents the carrying value of the investments at the Balance Sheet date and demonstrates that these assets are held for the long-term to generate future income. The unrestricted general funds represent the free reserves of the charity.

INVESTMENT POWERS AND POLICY

The investment objectives are firstly to protect, and secondly to enhance, the capital and income values of the investments in real terms in order that the aims of the trustees can be fulfilled in future years at or above the current level of expenditure. The trustees are risk averse. The current investment policy requires all investment funds to be held in unit trusts appropriate for British charities. The performance of the unit trust managers is monitored and the asset allocation is reviewed on an annual basis.

RISK REVIRW

The Trustees have a duty to identify and review the risks to which the Trust is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error. A risk register is maintained and reviewed.

DATA PROTECTION

The Trustees have reviewed and revised the requirements of the charity to comply with recent legislation concerning the retention of data to comply with the General Data Protection Regulation (GDPR) (EU) 2016/679.

TRUSTEES' REPORT (Cont/d)

FOR THE YEAR ENDED 31ST DECEMBER 2019

TRUSTEES' RESPONSIBILITIES IN RELATION TO THE FINANCIAL STATEMENTS

The Trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity's SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust Deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

APPROVAL

This report was approved by the Trustees on 6th May 2020 and signed on its behalf.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF

NORTHCOTE TRUST

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31 December 2019.

Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
