## **Trustees' Report (Continued) For the year ended 31 December 2019**

The powers of the Trustees to invest monies of the Board are clearly laid out in the Articles of Association.

The Trustees consistently review the principal risks and uncertainties that the Charity faces and implements agreed procedures to minimise or manage any potential impact on the group should those risks materialise.

There were no connected Charities other than The Publishing Training Centre Foundation.

### **Objectives and Activities**

The Publishing Qualifications Board (PQB) was established to further the education of persons employed in or wishing to pursue a career in the publishing, writing and information industries, and related fields of activity, by the establishment, administration and award of national vocational, European, international and other qualifications in respect of competence.

PQB is responsible for the development, delivery and assessment of self-study courses. These are designed to improve knowledge and performance in a range of publishing-related disciplines to the widest possible group of delegates.

These courses are recognised by the publishing community as indicators of professional competence. The courses facilitate entry to a variety of publishing careers, especially within the freelance proofreading and editing community.

All PQB courses have at their core detailed and carefully moderated performance evaluation and reporting, so that delegates and employers can assess levels of excellence and knowledge. Qualifications are awarded at a level of pass, merit or distinction.

### **Achievements and Performance**

- **Careers Advisory Service**

In addition to providing free advice to employees already working in the Publishing industry, the PQB also supports the wider public in guiding their career path into the freelance editorial market via its Freelance Finder tool.

- **Events**

The PQB attended the English Language Teaching Freelancers' Awayday and had a branded presence at other events, including the Comma Press Creative Writing Industry Day, Fiction Editors' conference and Society of Young Publishers autumn conference.

- **Discount/Grant Schemes**

In conjunction with the Book Trade Benevolent Society, grants have been made available to students who are financially disadvantaged to enable enrolment on our courses.

# **Publishing Qualifications Board**

## **Trustees' Report (Continued) For the year ended 31 December 2019**

### **Achievements and Performance (continued)**

- **Courses update and delegate numbers**

The Essential Proofreading course has replaced Basic Proofreading. All assignments are now in digital format, which reflects modern working practices. In addition, all students enrolling on Distance Learning courses are entitled to a free E-Learning module of their choice, free access to the Successful Editorial Freelancers module on completion, and free access to join the Freelance Finder on our portal.

The Publishing Qualifications Board's accredited courses contribute 36% to the wide offering of training by the Group. Our course portfolio now comprises five programmes: Essential Proofreading, Essential Copy-Editing, Creative Copywriting, Successful Editorial Freelancing and Essential Grammar. 422 delegates embarked on the Distance Learning programmes in 2019 compared to 551 in 2018.

### **General Financial Review**

Revenue decreased by 19% to £159k (2018: £197k)

Total expenditure decreased by 19% to £163k (2018: £202k)

The charitable activities expenditure was £148k and represented 91% of the total expenditure for the year (2018: £167k & 82%)

The cost of governance was £15k and represented 9% of the total expenditure for the year (2018: £15k & 7%).

The net movement in funds was (£4k) (2018: (£5k))

### **Reserves Policy**

As at 31 December 2019, the Unrestricted Reserves were £20,905. The Unrestricted Reserves are held as a cushion of finance during economic downturn and are also available for future plans approved by the Board.

It is the policy of the PQB that we aim for Unrestricted Funds that have not been designated for new projects to be at a level equivalent to between three and six months' expenditure on revenue items and charitable assets combined. The Trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the Charity's current activities while consideration is given to ways in which additional funds may be raised.

# **Publishing Qualifications Board**

## **Trustees' Report (Continued) For the year ended 31 December 2019**

### **Public Benefit**

The Publishing Qualifications Board has referred to the Charity Commission's general guidance on public benefit when reviewing its aims and objectives and in planning future activities. In particular the Trustees consider how planned activities will contribute to the aims and objectives they have set.

### **Plans**

Industry research was conducted during 2019 and has informed a new strategic direction and areas for focused development.

- Create up-to-date, industry-driven programmes with clear learning outcomes aligned to publishing industry employment sectors.
- Break training into small modules so that learners can combine modules and fit learning into their schedules.
- Ensure that the PQB owns the IP in all new courses and, where possible, existing courses that are being refreshed.
- Update pricing models to ensure we remain competitive.

The key themes which underline PQB's strategy are:

- Provide assessment and certification that is recognised by the industry.
- Ensure flexible and modular delivery.

### **Distance Learning**

The distance learning portfolio was also specifically evaluated. The evaluation included looking at the learning outcomes and course content. The results of this evaluation showed that:

- Teaching should be conducted on the online learning system and courses must be constantly updated to reflect modern working practices and requirements.
- Digital learning can be used to complement face-to-face learning and allows options for assessment and certification.

Learners increasingly require agile learning opportunities and the distance learning delivery and modular approach could be expanded to create new income streams for the group. Further work is required on this.

# **Publishing Qualifications Board**

## **Trustees' Report (Continued) For the year ended 31 December 2019**

### **Risks and Uncertainties**

The principal risks and uncertainties facing the Charity are:

- New players entering the market and the Chartered status recently granted to the former Society for Editors and Proofreaders (from March 2020, the Chartered Institute of Editing and Proofreading).
- The certification framework and evidence-based learning that the industry now requires.
- The pressures on training expenditure in the wider economy. This creates a long-term risk to the PQB self-funding training programmes.
- Having the appropriate structure and long-term financial resources to deliver cost-effective training and qualifications.
- The lack of Intellectual Property held by the PQB.
- Course creation and delivery has been intertwined within PQB to date and it is important to separate these so that course content can be kept up to date, quality control can be effectively implemented, and the course content belongs to the PQB.
- Managing a complex and rapidly changing learning and training environment in the digital age.
- Unexpected economic disruption as a result of the pandemic, may adversely affect the number of students enrolling on our Distance Learning programmes. It is unknown how long the pandemic will last and what the financial impact will be on future charitable income.

# **Publishing Qualifications Board**

## **Statement of Trustees' Responsibilities**

The Trustees, who are also the Directors of the Publishing Qualifications Board for the purpose of company law, are responsible for preparing the Trustees' report and the accounts in accordance with United Kingdom Generally Accepted Accounting Practice (Financial Reporting standard 102 and applicable law).

Company law requires the Trustees to prepare accounts for each financial year which give a true and fair view of the state of affairs of the Charity and of the incoming resources and application of resources, including the income and expenditure, of the Charitable Company for that year.

In preparing these accounts, the Trustees are required to:

- Select suitable accounting policies and then apply them consistently.
- Observe the methods and principles in the Charities SORP.
- Make judgments and estimates that are reasonable and prudent.
- State whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements.
- Prepare the accounts on the going concern basis unless it is inappropriate to presume that the Charity will continue in operation.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

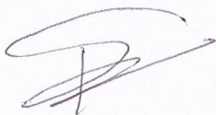

### **Disclosure of Information to Auditors**

Each of the Trustees has confirmed that there is no information of which they are aware which is relevant to the audit, but of which the Auditor is unaware. They have further confirmed that they have taken appropriate steps to identify such relevant information and to establish that the Auditors are aware of such information.

### **Auditors**

Clarke Hutton have signified their willingness to continue in office.

## **Independent Auditors' Report To the Members of Publishing Qualifications Board**

We have audited the financial statements of the Publishing Qualifications Board for the year ended 31 December 2019 on pages 9 to 17. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS102 "The Financial Reporting standard applicable in the UK and Republic of Ireland".

This report is made solely to the Charitable Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Charitable Company's members those matters we are required to state to them in an Auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Charitable Company and the Charitable Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

### **Respective Responsibilities of Trustees and Auditors**

As explained more fully in the statement of Trustees' responsibilities, the Trustees, who are also the Directors of the Publishing Qualifications Board for the purposes of company law, are responsible for the preparation of the accounts and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the accounts in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

### **Scope of the Audit of the Accounts**

An audit involves obtaining evidence about the amounts and disclosures in the accounts sufficient to give reasonable assurance that the accounts are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the Charity's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Trustees; and the overall presentation of the accounts. In addition, we read all the financial and non-financial information in the Trustees' Annual Report to identify material inconsistencies with the audited accounts and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

# **Publishing Qualifications Board**

## **Independent Auditors' Report (Continued) To the Members of Publishing Qualifications Board**

### **Opinion on accounts**

In our opinion the accounts:

- give a true and fair view of the state of the Charity's affairs at 31 December 2019 and of its incoming resources and application of resources, including its income and expenditure account, for the year then ended.
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice.
- have been prepared in accordance with the requirements of the Companies Act 2006

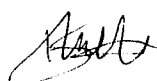

### **Opinion on other matter prescribed by the Companies Act 2006**

In our opinion the information given in the Trustees' Annual Report for the financial year for which the accounts are prepared is consistent with the accounts.

### **Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the accounts are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

## **Notes to the Financial Statements For the year ended 31 December 2019**

### **1. Accounting Policies**

#### **1.1 Accounting basis and standards**

The financial statements have been prepared under the historical cost convention.

The financial statements are prepared in UK £ Sterling which is the functional currency of the Charity.

The financial statements have been prepared in accordance with applicable accounting standards, the Statement of Recommended Practice, "Accounting and Reporting by Charities", issued in March 2005 and the Companies Act 2006.

The statement of financial activities (SOFA) and balance sheet consolidate the financial statements of the Publishing Qualifications Board.

The Charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), (effective 1 January 2015), (Charities SORP (FRS102)), the Financial Reporting standard applicable in the UK & Republic of Ireland (FRS102) and the Companies Act 2006.

The significant accounting policies applied in the preparation of these financial statements are set out on pages 12–17. These policies have been consistently applied to all years presented unless otherwise stated.

#### **1.2 Preparation of the accounts on a going concern basis**

The reported deficit is £4.2k. The Trustees consider there are no material uncertainties about the Charity's ability to continue as a going concern. The review of our financial position, reserves levels and future plans gives the Trustees confidence that the Charity remains a going concern for the foreseeable future.

#### **1.3 Income**

Income is recognised when the Charity have entitlement to the funds any performance conditions attached to the item(s) have been met, it is probable that the income will be received and the amount can be measured reliably. For the Distance Learning courses, entitlement to the fees is taken when the student enrolls but subject to a thirty-day cooling off period.

# **Publishing Qualifications Board**

## **Notes to the Financial Statements For the year ended 31 December 2019**

### **1.4 Expenditure**

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Expenditure is recognised where there is a legal or constructive obligation to make payments to third parties, it is probable that the settlement will be required and the amount of the obligation can be measured reliably. It is categorised under the following headings:

- Costs of publicity and promotion
- Expenditure on charitable activities includes support and governance costs

Support costs are those functions that assist the work of the Charity but do not directly undertake charitable activities. Support costs include back office costs, personnel, payroll and governance costs which support the activities of the Board. Governance costs are those incurred in connection with administration of the Charity and compliance of constitutional and statutory requirements.

The Board identifies the costs of its support functions. It then identifies those costs which relate to the governance function. Having identified its governance costs, the remaining support costs together with governance costs are allocated to the one key charitable activity undertaken in the year.

### **1.5 Value Added Tax**

The Publishing Qualifications Board is part of a VAT group. It is normally able to reclaim from HM Revenue & Customs (HMRC) all VAT it pays on goods and services it buys. However, to do so, it has to remain within a partial exemption limit. If, in any financial year, the limit is exceeded the group would be unable to recover that part of the VAT it incurred in providing exempt supplies.

A limit of £7,250 is set by HMRC as the total of VAT incurred, which relates to exempt supplies. Exempt supplies as defined are those that the group provides where the charge made is exempt from VAT. The main supplies that fall under this heading are the provision of Distance Learning courses.

However, the turnover for the Distance Learning supply has placed the ability to remain under the limit in jeopardy. £48 of irrecoverable VAT has been provided for in the accounts to meet this liability.

### **1.6 Fund accounting**

The Charity's Unrestricted General Funds consist of funds which can be used in accordance with the charitable objects at the discretion of the Trustees.

# **Publishing Qualifications Board**

## **Notes to the Financial Statements For the year ended 31 December 2019**

### **1.7 Critical accounting judgements and key sources of estimation uncertainty**

In the application of the Charity's accounting policies, which are described in note 1, the Trustees are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

The Trustees do not consider there are any critical judgements or sources of estimation uncertainty requiring disclosure.

### **2. Income from charitable activities**

	<b>2019</b>	<b>2018</b>

Distance Learning courses	158,702	197,254
