Braithwaite Institute

Trustees Annual Report for the year ended 31 March 2020

The trustees present their report and the unaudited financial statements of the charity for the year ended 31 March 2020.

Reference and administrative information

Braithwaite Institute is situated in the Above Derwent Parish in Cumbria. It was registered as a charitable incorporated organisation on 6 January 2016, having taken over the assets of the former Thornthwaite-cum-Braithwaite Victory Memorial, an unincorporated charitable trust. The two charities were merged on 3 September 2015 under a General Vesting Declaration and the old charity name has been removed from the Register of Charities.

The Charity is administered by a management committee, which meets every month. It employs a part time caretaker, but otherwise relies on the help and goodwill of the Trustees to administer the facilities.

The Trustees elected to manage the charity at the AGM on 15 April 2019 were:

Chairman -	Peter Kerr
Joint Treasurers -	Stewart and Judith Tauber
Secretary -	Anthony Woodyer
Bookings Secretary -	Penny Woodyer
Braithwaite representative -	Bob Kemp

The Appointed Trustees were:

Women's Institute -	Susan Page
Parish Council -	Vacant
Braithwaite Cricket Club -	Andrew Pepper
Braithwaite Football Club -	Andrew Thoburn
Tennis Club -	John Cain

The registered address of the Memorial Hall is:

Braithwaite Institute CIO
Braithwaite
Keswick
Cumbria CA12 5RY

The Charity has current and deposit accounts with the Cumberland Building Society in Keswick

Objectives and activities

The object of the Foundation, as set out in the governing deed, is the provision and maintenance of a village hall and playing fields for the benefit of the residents of Thornthwaite and Braithwaite and the surrounding district.

The Memorial Hall caters for a diverse range of organisations and activities. The premises are used on a weekly basis by a number of dance and aerobic classes, a children's nursery and a life art class. Other regular users include the Girl Guides, Blood Transfusion Service, a RAF Mountain Rescue team, Quilters Guild and Flower Club. A number of car and cycle rallies are based on the premises and there are also many one-off bookings for events such as parties, dinners, seminars and weddings.

Braithwaite Institute

Report of the Trustees, contd. for the year ended

31 March 2020

Objectives and activities (cont)

The sports fields are booked each year for a limited number of caravan rallies and by several camping groups. The Cumbria Christian Youth Camp hold a summer camp every August, other affiliated groups such as the Girl Guides and various Boys Brigades hold camps every two or three years.

Four sports clubs use the sports facilities - Braithwaite Cricket Club, Braithwaite Football Club, Keswick and Braithwaite Tennis Club, and the Braithwaite Bowls and Croquet Club.

The facilities are well used and appreciated by the local community, satisfying our main aim as a Charity. They are also the nominated emergency centre for Keswick School in the event of a major incident at the school.

Achievements and performance

No improvements were made to the premises during the year. The Trustees took the decision to defer expenditure on further capital works until the reserves had recovered to a level to complete the toilet and shower refurbishment programme.

The hall and sports grounds continue to be well used by local residents and people from the surrounding district.

Financial Review

The income figures show a fall of £3,232 over the preceding year, but are distorted by a £3,000 advance payment from the Cumbria Christian Youth Camp in the preceding year and an insurance payment of £1,895 in the current year in respect of repairs to damaged perimeter railings. This was caused by a car accident on the A66. Taking into account these factors, income fell by just over £1,100, due mainly to a fall in income from the hire of the hall.

The expenditure figures are also higher due to payment for the damaged railings, prior to reimbursement from the insurance company, and the purchase of new chairs for the hall. Discounting these items, expenditure was at a similar level to the previous year.

Due to the above factors, the net operating income fell to £6,280, but as no capital expenditure was incurred during the year, the overall reserves rose to £24,151. The current reserves policy is to maintain a contingency reserve of £10,000, so funds remain available to put towards the completion of the toilet/shower refurbishment, but no further capital expenditure is likely to be incurred until the effects of the covid-19 outbreak can be assessed.

Declaration

The Trustees declare that they have approved the report above.

Signed on their behalf:

Peter Kerr
Chairman
Date: 24th May 2020

**Independent Examiners Report
for the year ended 31 March 2020**

I report on the accounts for the Trust for the year ended 31 March 2020 which are set out on pages 5 - 9.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year, under section 144(2) of the Charities Act 2011 (the 2011 Act), and that an independent examiners report is needed.

It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the General Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of independent examiners report

My examination was carried out in accordance with the General Directions given by the Charity Commissioners. An examination includes a review of accounting records kept by the charity and a comparison of the accounts presented with these records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and, consequently, I do not express an audit opinion on the view given by the accounts.

Independent examiners' statement

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that, in any material respect, the requirements to:

- keep accounting records in accordance with s130 of the 2011 Act; and
- to prepare accounts which accord with the accounting records and to comply with the accounting requirements of the 2011 Act

have not been met;

or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

1 Accounting Policies

General

These accounts have been prepared on a receipts and payments basis, and in accordance with the Charities SORP 2005 (Statement of Recommended Practice), and the Charities Act 2011.

Tangible Fixed Assets and Depreciation

Assets used for charitable purposes, with an expected useful life exceeding one year, are capitalised on the balance sheet. Depreciation is provided at the following annual rates in order to write off each asset over its expected useful life:

Office Equipment	25% on reducing balance
Computer Equipment	3 years straight line

Property

The Trust owns some property which is not included in these accounts. Sale of the property is recognised as income in the accounts.

Investments

The Trust recognised unrealised gains and losses on investments with reference to the movement in value of the investments from one year to the next.

Income

Income received is made up of rent paid by tenants. This is recognised on a received basis.

Expenditure

Expenditure is accounted for on a paid basis. Where it relates to a specific project it is allocated to that project as restricted expenditure. Expenditure that relates to the objects of the charity is classified as charitable activities.

Funds

General funds are those where no restrictions have been placed upon the specific spending of the funds by the donor. Designated funds are those funds where the directors have chosen to earmark general funds for a specific purpose. Restricted funds are those funds where the donation is received for a specific purpose as set out by the donor, and when the trustees wish to separate out a project for clarity in the accounts.
