Faith Welfare Trust

Annual Report for year ending September 30, 2019

Introduction

Faith Welfare Trust (FWT) is constituted by Trust Deed, established in 1987. The objects of the charity are: to promote the welfare of disadvantaged and/or destitute children and young people in the area of benefit (India); and to support disadvantaged children and young people in the area of benefit in their education and training. To fulfill these objects, it provides support to 2 homes (one for girls, one for boys) for deprived children near Chennai, South India, and Faith School in Rajahmundry (also known as Rajamahendravaram), Andhra Pradesh state, India, 350 miles to the North.

The trustees have regard to both the Charity Commission's general guidance on public benefit and prevention and relief of poverty for the public benefit. FWT's work is in accordance with both these guidelines and the main objects set out in the trust deed.

Governance

The Trustees of FWT for the year 2018-19 comprised:

Brian Tugwell, Elsie Tugwell, Alistair Coomer, Chris Sayers, Tessa Sayers, John Fisher, Rachel Fisher, Helen Midda, Joanne Hutchison.

Tessa Sayers is the chair of trustees and she and Chris Sayers have the role of "managing trustees". They arrange the twice-yearly trustee meetings and oversee the financial affairs of the charity, banking and acknowledging all donations received, keeping records of these in a spreadsheet and reconciling this with the bank statements. They ensure that Gift Aid is claimed and prepare the annual accounts for the independent examiner. They carry out the annual return for the Charity Commission.

John and Rachel Fisher prepare the once or twice-yearly newsletter to supporters which includes significant events occurring at the projects supported by FWT, the impact of work done at the projects on some of the beneficiaries of the projects and articles giving relevant background information. They manage the FWT website and help with FWT's FaceBook presence.

Brian and Elsie Tugwell play a major role in liaising with the charity's projects in India as they are based in India for several months each year. They attend the meetings of Nambikkai Ilam Trust whenever possible and are in regular contact with the staff at the children's homes and Faith School. They keep the other trustees informed of any changes or developments.

Helen Midda's experience and qualifications as a school teacher and her first-hand knowledge of the children's homes and school in India make her advice very relevant to the operation of FWT.

Alistair Coomer has been on the board of trustees from the charity's inception and this long-term view, together with financial and managerial experience, are very beneficial to the governance of FWT.

Joanne Hutchison has visited the children's homes and Faith school in recent years. She has taken on helping with acknowledgment of online giving and contributing to the FaceBook page. She also helps in a practical way with newsletter mailing.

The trustees meet twice a year (spring and autumn). Due to their geographical dispersal in the UK, it is not practical to meet in person more often, but correspondence is conducted by email on relevant matters arising between meetings, to inform and consult with trustees. Video conferencing was used for the meeting in April 2019. In this financial year, this was the only meeting of trustees as the previous one was in September 2018 and the following one in October 2019. The governing document does not specify the number of trustees but there are usually 8-9 at any one time and when vacancies arise, potential new trustees are invited by the existing board. They are usually existing supporters of FWT.

Each year, some trustees usually visit the school and homes in India to see for themselves how things are and make contact with the staff and trustees of the Nambikkai Illam Trust (NIT), the Indian charity that manages the homes and school. In the year from Oct 2018 to Sept 2019, Chris and Tessa Sayers visited the children's homes and Faith School in January 2019 and Brian and Elsie Tugwell visited the homes and Faith school on numerous occasions during their spells in India. The costs of all visits were met by the trustees themselves and no expenses associated with visits to India were charged to FWT funds. None of the Trustees received any remuneration for their services.

The homes are managed locally by the trustees of the Nambikkai Illam Trust (NIT), based in Chennai, who meet approximately every 2 months to deal with strategic and practical issues as they arise. The chair of trustees is R Prabakaran, a lawyer, who has been on the board of trustees for over 20 years. The other trustees in 2018-19 comprised Dr Esther (a GP), Dr Miriam Samuel (a lecturer in social work), Mrs Soundrakumari (retired children's hostel warden), Mr Dhyaneswar, Mr Dinakaran (local school teacher) and Dr Livingstone (retired teacher at Madras Christian College). NIT holds a bank account at ICICI bank to which FWT sends funds as necessary to meet the costs of the homes and Faith School. Minutes of their meetings are sent to FWT trustees as well as copies of their bank statements and their audited accounts. The wardens of the homes send a monthly breakdown of income and expenditure to both NIT trustees and FWT trustees as well as regular summaries of what has been happening at the homes.

Faith School is managed locally by Dr Samuel Moses and his wife Kamala. In 2016 a board of advisers was set up to give a wider forum for strategic discussions and to help oversee the operation of the school as it increases in size. Its members are mainly experienced educationalists, a doctor and an economist. Brian and Elsie Tugwell and Chris and Tessa Sayers visited during the year. The school's management and finance arrangement are overseen by trustees of Nambikkai Illam Trust who arrange for appropriate funds to be sent from the main Nambikkai Illam bank account to the school.

Nambikkai Illam Children's Homes

FWT supports 2 children's homes near Sriperumbudur, just outside Chennai, Tamil Nadu State, South India. The accommodation comprises:

- Junior and Senior Boys Home at Vengadu village
- Junior and Senior Girls Home at Navalur village

The two homes are less than a mile apart. From the beginning of the year until May 2019 46 children (23 boys and 23 girls) were accommodated at the Homes. In June 2019 (after the annual holiday) 23 boys and 21 girls were resident: the boys ranged in age from 7 to 18 and the girls from 10 to 17. The children attend the local primary school in Vengadu village and secondary schools in Sriperumbudur, where they are taken by bus each day. The older children are found appropriate further education or training if they wish to continue their education beyond school age and, where appropriate, continue to live at the homes. One boy was studying for a Bsc and 2 girls were studying nursing from June 2019.

A new warden and assistant warden for the girls' home were appointed in May 2018 – Ruth and Chandrika. Chandra Rao is warden of the boys' home and also overall manager, helped by his wife Sumathi who is assistant warden. They have held these posts for around 14 years and Chandra gained a degree in social work in recent years.

Members of the Church of God in Pernampet assist with the spiritual development of the children and visit the Homes regularly. A Sunday service for all the children is held each week at the church hall in Navalur. In addition, other Christian activities take place from time to time, such as a weekend "camp" run at the homes by a local Scripture Union group, which is much enjoyed by the children. When FWT trustees visit the homes they also help with talks, activities and singing.

During 2018-9, the normal level of payments (adjusted for inflation) was made towards the running of the Homes, staff wages, food, clothes, school materials, transport, and so on.

SIPCOT, the development agency, had informed NIT in April 2015 that they would require a plot of land adjacent to the boys' home where the boys currently have small gardens. As last year, there has still been no activity by SIPCOT on this plot of land in the current year and it now seems that the land will not be required. As ever, the situation is being monitored closely, particularly by Mr Prabakaran, the chair of NIT trustees, in order to get maximum notice of any new developments.

Faith School, Rajahmundry

The Faith Public School opened at the start of the academic year in June 2004, with the aim of providing a free English medium education for poorer students who would not otherwise be able to afford to go to school. Those who can afford it pay the normal fee but they are a small minority. Faith School's classes range from lower kindergarten to 7th standard, providing a high standard of education for children from the ages of 4 (lower kindergarten) to 13 (7th standard). All pupils are provided with a nutritious free lunch every day. The school is gaining a good reputation locally and it started the year with 320 on the roll. This was maintained for new admissions in June. The children are mainly from Hindu families, with some Muslim children also attending. They receive some Christian teaching and singing at their assembly every day and the ethos of the school is generally Christian.

Fund raising

The vast majority of FWT's funds continues to be raised through standing orders from individual supporters and one-off donations by individuals and collections from various churches in the United Kingdom and North America, together with boxes in shops, stalls at fetes, sponsored walks and the like. All one-off donations are acknowledged with a personal letter of thanks. Supporters worldwide receive one or two copies of the FWT newsletter each year to keep them updated about events at the homes and school, including case studies and more general articles. There is

also a website and a Facebook page which are updated intermittently. Online donations are collected using BT MyDonate (to May 2019) and, thereafter, Golden Giving which has comprised an increasing share of the income. FWT does not operate any individual child sponsorship scheme.

Over the year from October 2018 to September 2019, income was £55,634, of which £6,066 was gift aid payment from HMRC and £662 was bank interest. Outgoings were £60,378, of which £60,000 went directly to India to fund the school and homes and the remainder was spent on administrative costs. Funds in FWT bank accounts at the end of the financial year 2018-9 total £77,821.

Locally, the children's homes have been attracting increasing amounts of support from individuals and businesses – money, gifts (informed by a list of needs compiled by the manager – for example kitchen equipment, sports equipment), treats for the children (for example a trip to a local hotel for a Christmas celebration) or labour (for example, local hotel employees helped to tidy up the compound garden). These are encouraged and greatly appreciated by NIT and FWT trustees.

Reserves

The policy of the Trustees is to hold adequate reserves of funds to ensure that standing commitments to support the trust's projects can be met for at least a year. This extended period is because if it were decided to stop funding the homes or school, alternatives would have to be found for all the children currently supported and this could not be done quickly.

It is important that a regular flow of funds to the projects is maintained as a high proportion of the disbursed funds go towards food, salaries, clothing and medical costs. After consideration, trustees decided that reserves sufficient to fund the homes and school in India for a year should be held. If FWT were unable to continue raising funds, this would allow alternative accommodation/schooling to be found for our beneficiaries or alternative funding to be sought. A shorter period would risk leaving vulnerable children without suitable homes or education. The agreed amount was £60,000.

This reserve can also act as a contingency fund against major disasters, as the region around the Nambikkai Illam children's homes has been subject to earthquakes on more than one occasion. There is also a risk of damage during the monsoons, which occur each year. While insurances are maintained, in the event of a natural disaster it would be many months before the homes could be repaired and re-built, so it is deemed prudent to retain a reserve against this eventuality.

In addition, no written guarantee has yet been received from SIPCOT that they will not require some or all of the land currently occupied by the boys' home, although nothing has been heard from them for some years. It is therefore prudent to keep reserves to at least cushion that eventuality until such a guarantee can be obtained.

The current balance is higher than the reserve amount, which enables longer term plans to be made for the work in India and protects against exchange rate fluctuation.

Future Developments

The Trustees plan to carry out the following development of FWT's work:

- Encourage trustees in India to increase the number of children at the homes, within manageable limits.
- Encourage trustees in India to consider alternative models of support which may enable children to remain with their families.
- Monitor the effectiveness of the Board of trustees of Nambikkai Illam Trust and the advisory committee at Faith School and recommend courses of action to improve, if appropriate.
- Continue to increase the number of standing order donors to strengthen the predictable income stream to FWT by widening the supporter base to include a younger generation of Church of God members and those not involved with Churches of God.
- Keep the higher profile of FWT with North American churches.

Declaration

The trustees declare that they have approved the FWT annual report above.

FAITH WELFARE TRUST

Independent Examiner's Report to the trustees of Faith Welfare Trust

I report on the accounts of the charity for the year ended 30 September 2019, which are set out on pages 2 and 3.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required this year under S144 (2) of the Charities Act 2011 and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act 2011
- to follow the procedures laid down in the general direction given by the Charity Commission under section 145 (5) (b) of the Act; and
- to state whether particular matters have come to my attention

Basis of independent examiner's report

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently, no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

1. Which gives me reasonable cause to believe that, in any material respect, the requirements:

- to keep accounting records in accordance with section 130 of the Act; and
- to prepare accounts in accord with the accounting records and to comply with the accounting requirements of the 2011 Act

have not been met;

or

2. To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
