#### **Trustees Selection methods**

The recruitment of Trustees is reviewed periodically and at least on an annual basis.

#### **Risk Management**

The Trustees undertake a review of the major risks to the financial sustainability of the organisation annually and monitors the risks throughout the year.

### **OBJECTIVES AND ACTIVITIES**

The aims of the preschool are to enhance the development and education of children primarily under statutory school age by encouraging parents to understand and provide for the needs of their children through community groups.

### **SUMMARY OF THE MAIN ACTIVITIES UNDERTAKEN FOR THE PUBLIC BENEFIT IN RELATION TO THESE OBJECTS**

In planning our activities for the year we kept in mind the Charity Commission's guidance on public benefit at our trustees meetings.

The charity is open to all individuals irrespective of race, gender or any other personal circumstances.

### **ACTIVITIES AND ACHIEVEMENTS**

From its creation over 30 years ago as a playgroup to its current status as a pre-school, St Joseph's has always strived to support the development of happy, well motivated and confident children and recognises that each child has unique talents, learning styles and personalities. It is committed to supporting the individual social, emotional and educational needs of the children who attend in a happy, caring and safe environment where they can play, learn and grow.

St Joseph's Pre-school currently has the capacity to have 28 pre-school children attending it's setting at any one time and there are usually approximately 40 children attending the setting over the course of a week.

## TRUSTEES' ANNUAL REPORT

YEAR ENDED 31 AUGUST 2019

The Pre-School is open to children from the term before they turn 3 years old although priority is given to oldest children on the waiting list. Pre-school also accepts a limited number of children who were 2 years of age this supports the government initiative to improve childcare options for parents and carers on low incomes.

Individual children can access their free entitlement to early years education for up to 15 hours of childcare per week. Children can also attend for additional hours over and above their 15 hour entitlement and are charged a fee for this provision. St Joseph's Pre School can also offer the 30 hour free childcare extended provision where children are eligible under new government guidelines.

Pre-school is open during school term times only; it is closed for all school holidays, bank holidays and St. Joseph's School Inset Days. It is open for 38 weeks of the year.

St Joseph's Pre-school is guided by the standards set out in the government's Early Years Foundation Stage Principles and its overarching mission statement is as follows:

“At St. Joseph's Pre-school we strive to provide a safe, caring, happy environment for all our children. We aim to nurture their individual needs in partnership with family and our community.”

All children are integrated quickly into the ethos of pre-school which is to provide an environment where children can play, learn and grow whilst benefiting from the Christian values and way of life engendered by all those who contribute to the running of Pre-school.

Pre-school is situated in the inner city of Derby and in recent years the demographics of the area have changed. The nature and location of housing in the area have made it popular with families arriving from around the world and the housing which is now ageing has meant that the post codes in the area have a deprivation factor attached to them.

Pre-school settings by their nature are a child's first introduction into the education system although there is not a statutory obligation for a child to attend.

St Joseph's Pre-school strives to make that experience a positive one. They are guided principally by the standards set out in the government's Early Years Foundation Stage Principles but the pre-school has been established for over 30 years and as such it also draws on the experience it has gained as a pre-school provider for this significant period of time.

It endeavours to build strong relationships with both the child and their parent/carer.

It operates a key person system which means that each member of staff has a small group of children for whom they have specific responsibilities. When a child joins the setting they will then have a special adult to help them settle in and who they can relate to.

# **ST JOSEPH'S PRE-SCHOOL**

## **TRUSTEES' ANNUAL REPORT**

**YEAR ENDED 31 AUGUST 2019**

This system also helps to establish good links between the home environment and pre-school and parents are encouraged to maintain regular contact with their child's key person to discuss progress made and any other issues which may arise.

This is particularly important when a family is new to the area. Over 50% of children attending the setting in the previous two years have had English as an additional language. Quite often Pre-school is the first agency that a family engages with on a regular basis on arrival in the UK. It is crucial that Pre-school make this a positive experience and helps the child and family with signposting to other agencies who can support the families until they are settled.

Another crucial area which Pre-school can provide help is where children have Special Educational Needs (SEN). The highly qualified and experienced staff at Pre-school are able to identify when a child may have development, behavioural or child protection issues. Pre-school is often the first place that a child attends outside its family environment and it is often within the pre-school setting that issues are identified. Parents are encouraged to be very involved with their child's development and any issues are dealt with sensitively and professionally with the positive outcome being that the necessary outside agencies can be contacted to help and provide additional support for the family.

The role of St Joseph's Pre-school has broadened since its small beginnings as a playgroup 30 years ago. Over the years as the play group became a pre-school and then an approved provider of pre-school education St Joseph's has opened its doors to a wider range of children from different family settings and backgrounds. The pre-school was inspected by Ofsted in January 2015 and April 2017 and was deemed 'Good' in all areas.

Pre-school has always strived to maintain a sound financial base. The surplus for the year of £2143 is another encouraging result and together with the surplus in the previous year eases the financial pressure and allows the trustees to plan for the future with more confidence.

During the current financial year Pre-school has changed its opening hours to offer extended wrap around care on a daily basis it is hoped that this will provide more flexible childcare options for parents/carers.

### **Trustee Induction and Training**

All trustees have been provided with information packs on their roles and responsibilities, including Good Governance, a code for the Voluntary and Community Sector, and are encouraged to attend appropriate external training events.

### **Organisation**

The board of trustees administers the charity. It meets regularly and is supported by staff and volunteers.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF  
ST JOSEPH'S PRE- SCHOOL  
YEAR ENDED 31 AUGUST 2019**

I report on the accounts of the company for the year ended 31 August 2019 which are set out on pages 9 to 17.

**Respective responsibilities of trustees and examiner**

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to an audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- state whether particular matters have come to my attention.

**Basis of independent examiner's report**

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

**Independent examiner's statement**

In connection with my examination, no matter has come to my attention:

- 1 which gives me reasonable cause to believe that, in any material respect, the requirements:
  - to keep accounting records in accordance with section 386 of the Companies Act 2006; and
  - to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities have not been met; or
- 2 to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
