St Michaels School PTA – Annual General Meeting, 18th October 2019 Financial Report

Overview

The financial year 2018/2019 has been excellent and the PTA achieved £49,673 from the fundraising activities. All our fundraising events were very successful and in general on an increase to last year. The whole school community can be proud of its achievements.

Income

Total Income for the year was £49,673 compared to £31,080 in 2017/18. Both results are after the prepayment adjustments for Disco and Autumn Social, which were paid in the year prior to the event year. The substantial increase was mainly due to income from the Promise Auction in 2019 raising £18,170, compared to the Quiz Night the year before of £1,973. These events alternate every other year.

Other major increase was from the sale of Christmas Trees and Christmas Products, which were up by £1,181.

Looking at the events, the Summer Fete was all about Circus this year and was again very successful, with a total profit of £16,209, a small decrease of £254 to last year. Equally as important as the excellent financial result, the fete was a huge success in terms of being a community event that was enjoyed immensely by the children and the local community.

Another big success, both financially and in terms of enjoyment was the Christmas Fair, which made a greater profit of £6,025 compared to £5,440 in the prior year. This was mainly due to the amazing support from the Afro-Caribbean Community, which prepared delicious food that was sold on the day of the Christmas Fair.

The other annual events including the Autumn Social, Disco, Fireworks, and End of Term Fun Day, were all profitable and broadly in line with prior year profits. The campout event did not take place this year.

Both, cake and uniform sales income were at similar results to last year.

In November 2018, the PTA has launched a new fundraising activity - Easy Fundraising, where parents through shopping on an easy fundraising website raise funds for the PTA. At the year-end, the PTA had 79 supporters and raised £353.

Payments

Gifts to School

The primary purpose of the PTA's fundraising activities is to raise funds to enable the school to pay for equipment and services that they would otherwise not be able to afford. Hence the major item of expenditure in the Accounts is "Gifts to School".

The Gifts to School for this year were in the amount of £36,753, which included budgeted school spending of £17,924 to cover regular school activities and needs as a class, phase, maths resources, musical instruments, subsidies for various trips and workshops, pantomime subsidy, etc. The

remaining balance of the gifts in the amount of £18,829 covered new playground area equipment and the reflection hut, which were funded by the auction funds raised during the year.

Operating Costs

The operating costs of £1,245 are on the same level as last year and represent costs associated with running the PTA (as is the insurance, newsletter printing, licenses, school staff refreshments, and other fees).

A statement of assets and liabilities

A surplus of £35,566 is carried forward into the financial year 2019/20. This consists of:

Current Account	£ 35,566	
Receivables & Prepayments	<u>£ 2,661</u>	
TOTAL NET ASSETS	£ 38,227	

The Current Account Restricted funds in the amount of £20,160 are made of:

- £20,000 pledged to the school in 2017/2018 to be spent on the transformation of the pond area in the Muga, to create a new outdoor performing area for all children to use. These funds were paid out to school upon completion of the project in September 2019.
- £160 the remaining balance of the 2018/2019 budget, which was paid out to the school in September 2019.

Financial Review

The accounts have yet to have the financial review.

We are hugely grateful to all the parents and teachers that gave their time so generously throughout the year. These exceptional financial results demonstrate that your efforts have been worthwhile.

Thank you,

Mariana Cholujova - PTA Treasurer
