KENTISH'S EDUCATIONAL FOUNDATION

Founded 1712

Charity Commission Number 313098

ANNUAL REPORT

2019-2020

Objects of the charity

- (a) the award to beneficiaries of grants towards costs arising from education at any secondary school, university, further education college or other educational establishment approved for the purpose by the trustees or for the purpose of enabling beneficiaries to study music or other arts or to undertake travel in furtherance of their education;
- (b) the award to beneficiaries of grants towards the cost of outfits, clothing, tools, instruments or books to help them on leaving secondary school, university or other educational establishment to prepare for, or to enter, a profession, trade or calling; and
- (c) the advancement of the education of beneficiaries in such other ways as the trustees may from time to time determine.

In this clause 'beneficiaries' means boys, girls and young persons, in particular but not exclusively resident in the geographical counties of Hertfordshire and Bedfordshire, who, in the opinion of the trustees, are in need of financial assistance and, subject to any overriding requirement of the law relating to charities, a preference shall be given first, to boys, girls and young persons with the family name of Kentish; and secondly, to boys, girls and young persons who are of kin to the founder, Thomas Kentish (died 1712).

These words are from the Scheme made by the Secretary of State for Education and Science under Section 18 of the Charities Act 1960 on 9 November 1972, as amended by the Scheme made by the Charity Commission on 24 August 2009.

The policy of the trustees is to award grants to children and young people who are in secondary schools, further education colleges, apprenticeships or universities, up to first degree level or equivalent, with grants for young postgraduate students also considered when there are available funds or if there are special circumstances.

KENTISH'S EDUCATIONAL FOUNDATION

PARTICULARS OF TRUSTEES AT 31 MARCH 2020

Year (usually November) when current four year term ends is given in italics.

The Revd Becky Leach <i>ex officio</i>	Clerk in Holy Orders

KENTISH'S EDUCATIONAL FOUNDATION

GOVERNANCE REPORT AND CHAIRMAN'S REPORT ON ACTIVITIES

1. Trustees' reserves policy

For some years, the trustees' grants policy has been to award approximately 75% of the annual income on grants, the remainder being applied to administration (including the Clerk's honorarium), the insurance of Camptonbury Farm and to reserves held for urgent expenditure (for example, for exceptionally needy applicants), landlord's responsibilities for the farm, and to maintain the work of the charity for at least six months. This reserve fund, held in an interest-paying deposit account, currently amounts to around £93,718, which the trustees consider to be not only sufficient for the stated purposes but a little too high. They attend to address this issue during the coming year.

2. Trustees' statement on public benefit

The trustees are aware of the Charity Commission's guidance on public benefit. They consider that the work of the Foundation benefits the public by supporting needy children and young people in the defined areas of benefit in pursuing their education and advancement, whether at secondary school level or in apprenticeships, further or higher education. Applicants are assessed on the basis of their educational and financial needs, as expressed in the application form and supporting documents. The trustees ask to see school and college/university reports and examination results in order to monitor the beneficiaries' progress and to ensure that grants are being put to good use and applied to the purpose for which they were awarded.

3. Policies on investments, risk management and conflicts of interest

The trustees have formal policies on investments, risk management and conflicts of interest, in line with good practice in the charity sector. These policies have developed from long-held guidelines and practices, with the aim of maintaining and extending the high standards which have always been the aim of the trustees and Clerk. These will be reviewed from time to time. Trustees are asked to declare possible conflicts of interest at all meetings.

4. Data protection

The trustees comply with the provisions of the Data Protection Act 2018 as to the processing of personal data by maintaining a data protection policy and privacy notice, the latter being supplied to all eligible applicants. They have never shared personal data with other organisations or individuals except with the full prior permission of the applicants and individuals concerned.

5. Payments to trustees

In the year under review, no payments were made to trustees which related to any professional services or for serving as a trustee. Travel and other legitimate expenses are offered, in line with Charity Commission guidance.

6. Covid-19/Coronavirus

Towards the end of the year under review, the Covid-19 pandemic prompted the UK government, as well as other governments around the world, to direct that the country should be 'in lockdown', with many businesses and shops being temporarily closed. The full economic and social consequences of the pandemic are not yet known but one immediate effect in the UK was for the base rate to be reduced from 0.75% to 0.25% on 10 March and to 0.10% on 19 March. It is very likely, therefore, that the Foundation's income from its invested funds will be adversely affected during the coming year.

7. Chairman's Report on the Foundation's activities in 2019-2020

This year Paul Barnes was reappointed for another 4 year term. However, David Nice decided to retire. The trustees thanked him for his long and valuable service to the charity, which has been greatly appreciated. Unfortunately there are still two vacancies which are proving difficult to fill especially as the hope is to recruit at least one from Bedfordshire. This year 19 grants were allocated, which is still regrettably low. The majority of grants were given to members of Kentish families and to students studying for a second degree.

There have been various discussions about the insurance of the farm and buildings and the general condition of the farm buildings. The plan is now to revalue all the farm buildings for insurance purposes. A new valuation was obtained for the farm, but the trustees decided not to initiate a rent review in view of uncertain economic conditions.

The trustees definitely enjoyed their annual visit to the farm and appreciated the hospitality given by the Lamb family. This year the exceedingly wet winter has meant a delay in sowing the crops.

In conclusion I would like to thank all the trustees and in particular our clerk who all make my job so much easier.

Alison Steer
Chairman

KENTISH'S EDUCATIONAL FOUNDATION
Registered charity number 313098
Independent Examiner's Report on the Accounts 2019-20

1. I am reporting to the trustees of Kentish's Educational Foundation on the Receipts and Payments Accounts and Statement of Assets and Liabilities for the year ended 31 March 2020, as set out in the accounts attached to the annual report.

2. As the charity's trustees you are responsible for the preparation of the accounts; you consider that the audit requirement of section 144(2) of the Charities Act 2011 (the Act) does not apply. It is my responsibility to state, on the basis of procedures specified in the General Directions given by the Charity Commission under section 145(5) of the Act, whether particular matters have come to my attention.

3. My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

4. In connection with my examination, no matter has come to my attention :
(1) which gives me reasonable cause to believe that in any material respect the requirements
(a) to keep accounting records in accordance with section 130 of the Act; and
(b) to prepare accounts which accord with the accounting records and to comply with the accounting requirements of the Act have not been met; or
(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached .

KENTISH'S EDUCATIONAL FOUNDATION

Charity Commission number 313098

Notes to the Accounts for the year ended 31 March 2020

1. Accounting policies
 - a) The basis of preparation of the accounts is as required by the Charities Act 2011, having regard to the income of the charity being under £250,000.
 - b) Fixed assets : freehold land and buildings were valued by a Chartered Surveyor in 2019.
 - c) Other investments have been valued at mid-market price.
 - d) Expenses incurred in the management of invested endowment funds are charged against the capital fund at source.
2. Capital and income

Investment income is subject to fluctuations in the stock markets. The farm rent was reviewed in 2013 and increased to £7733.60 from 29 September 2013, with an abatement to £6628.80 in 2013-2014. The trustees have, on advice received from their surveyor, decided not to increase the rent since then.
All income is unrestricted.
3. Trustees' grants' budget policy

In accordance with the governing document, educational grants are made to individuals only. The Trustees' policy is to apply around 75% of the annual income towards grants. The other 25% (approximately) covers support and administrative costs, with the surplus being added to reserves. However, when appropriate, the trustees apply surplus reserve funds towards grants.
4. Reserves

The Trustees' policy is to hold in reserve funds which are sufficient for the purpose of a) maintaining the administration of the charity; b) fulfilling their obligations towards Camptonbury Farm and its tenant; c) giving urgent assistance to children and young people, when appropriate; and d) protecting the wider interests of the Foundation. The current level of reserves accords broadly with Charity Commission guidance, although the trustees consider that the sum held is a little too high at present. They plan to take steps to reduce it.
