## The main activities undertaken in relation to those purposes during the year.

During the year we have:-

-Fully updated, freshly illustrated, translated and organised distribution of The Detective's Story

The trustees have had regard to the Charity Commission's guidance on public benefit in managing the activities of the charity.

### The main achievements and performance of the charity during the year.

A principal call on our services has been use of our extensive website for information and assistance. To ensure that our information service is maintained up to date we have overhauled and consistently monitored it and spent on keeping the site current at all times. Since this last major overhaul we have seen a significant increase in the number of visits to the site

We have now produced an audio visual presentation for children, an audience area which has, generally, needed attention.

In addition we have fully updated and freshly illustrated The Detective's Story. We have now had this translated into twelve languages and have started the process of having over 18,000 booklets distributed across eleven European countries.

### Structure, governance and management of the charity

### The methods used to recruit and appoint new charity trustees.

The existing Trustees indicated at the last Annual General Meeting that they were more than happy and willing to continue in office for another year. They also reported that their continued search for new younger Trustees with appropriate backgrounds, relative experience, knowledge and commitment had been identified. Those four people were voted in as Executive Committee members and as deputies to the current office holders. For the time being ,we do not feel the need for further recruitment

## Trustees' Annual Report for the year ended 30 September 2019

## **Financial review**

## The charity's financial position at the end of the year ended 30 September 2019

The financial position of the charity at 30 September 2019 and comparatives for the prior period, as more fully detailed in the accounts, can be summarised as follows:-

	2019	2018
	£	£.
Net income	135,420	(327)
Unrestricted Revenue Funds available for the general purposes of the charity	148,864	13,444
Total Funds	148,864	13,444

## Financial review of the position at the reporting date, 30 September 2019.

The trustees consider the financial performance by the charity during the year to have been satisfactory.

## Policies on reserves.

Our established policy has always been to have a minimum of twelve months running costs in reserve and over recent years this has meant we have had to cut our cloth appropriately to meet that aim. During this year we still met our expenses from general income but have had a very significant legacy which has put us in a very comfortable situation. Indeed, this will put the Association in a position to look at expanding our services.

## Availability and adequacy of assets of each of the funds

The board of trustees is satisfied that the charity's assets in each fund are available and adequate to fulfil its obligations in respect of each fund.

## Trustees' Annual Report for the year ended 30 September 2019

## Statement of Trustees' Responsibilities

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities Act 2011 and the Charities (Accounts and Reports) Regulations 2008. Notwithstanding the explicit requirement in the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008, to prepare the financial statements in accordance with the SORP 2005, in view of the fact that the SORP 2005 has been withdrawn, the Trustees determined to interpret this responsibility as requiring them to follow current best practice and prepare the accounts according to the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), .

In particular, charity law requires the Trustees, if they prepare accounts on an accruals basis, to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity as at the end of the financial year and of the surplus or deficit of the charity. In preparing those financial statements the Trustees are required to :-

- to prepare the accounts in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law).
- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business;
- state whether applicable accounting standards and statements of
- recommended practice have been followed, subject to any material

departures disclosed and explained in the financial statements;

The law requires that the trustees must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of the surplus or deficit of the charity for the year.

The Trustees are also responsible for maintaining adequate accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which are sufficient to show and explain the charity's transactions and enable them to ensure that the financial statements comply with regulations made under the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are also responsible for the contents of the Trustees' report, and the statutory responsibility of the Independent Examiner in relation to the Trustees' report is limited to examining the report and ensuring that, on the face of the report, there are no material inconsistencies with the figures disclosed in the financial statements.

## Report of the Independent Examiner to the Trustees of the charity on the accounts for the year ended 30 September 2019

I report to the Trustees on my examination of the financial statements of the charity on pages 7 to 16 for the year ended 30 September 2019 which have been prepared in accordance with the Charities Act 2011 (the Act) and with the Financial Reporting Standard 102, (effective 1st January 2016) adapted to meet the needs of unincorporated organisations, as modified by FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), published by the Charity Commission in England & Wales (CCEW), and under the historical cost convention and the accounting policies set out on page 11.

## Respective responsibilities of the Trustees and the Independent Examiner and the basis of the report

As described on page 4, you, the charity's Trustees, are responsible for the preparation of the financial statements in accordance with the Charities Act 2011 and all other applicable law and with United Kingdom Generally Accepted Accounting Practice, applicable to smaller entities, and for being satisfied that the financial statements give a true and fair view.

The Trustees consider that the audit requirement of Section 144(1) of the Charities Act 2011 (the Act) does not apply, and that there is no requirement in the Governing Document for the conducting of an audit. As a consequence, the Trustees have elected that the financial statements be subject to independent examination.

Having satisfied myself that the financial statements are not required to be audited under any legal provision, or otherwise, and are eligible for independent examination, it is my responsibility to:-

a) examine the financial statements of the charity under Section 145 of the Act;

b) follow the applicable procedures in the Directions given by the Charity Commission under section 145(5)(b) of the Act.

#### Basis of Independent Examiner's Statement and scope of work undertaken

I report in respect of my examination of the charity's financial statements carried out under s145 of the Act. In carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act setting out the duties of an independent examiner in relation to the conducting of an independent examination. An independent examination includes a review of the accounting records kept by the charity and of the accounting systems employed by the charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you, as Trustees, concerning such matters. The purpose of the examination is to establish as far as possible that there have been no breaches of charity legislation and that, on a test basis of evidence relevant to the amounts and disclosures made, the financial statements comply with the SORP.

The procedures undertaken do not provide all the evidence that would be required in an audit, and information supplied by the Trustees in the course of the examination is not subjected to audit tests or enquiries and does not cover all the matters that an auditor would consider in arriving at an opinion. The planning and conduct of an audit goes beyond the limited assurance that an independent examination can provide

Consequently, I do not express an audit opinion on the view given by the financial statements, and in particular, I express no opinion as to whether the financial statements give a true and fair view of the affairs of the charity, and my report is limited to the matters set out in the statement below.

I planned and performed my examination so as to satisfy myself that the objectives of the independent examination are achieved and before finalising the report I obtained written assurances from the Trustees of all material matters.

### Independent Examiner's Statement, Report and Opinion

Subject to the limitations upon the scope of my work as detailed above, I have completed my examination: and can confirm that:-

This is a report in respect of an examination carried out under 145 of the Act and in accordance with Directions given by the Charity Commission under section 145(5)(b) of the Act which may be applicable;

and that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:-

accounting records were not kept in respect of the charity as required by with Section 130 of The Charities Act 2011;

the financial statements do not accord with those records; or

the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view, which is not a matter considered as part of an independent examination;

have not been prepared in accordance with the methods and principles set out in the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

Signed:-

Olivia Higgins - Independent Examiner
