The Trustees are appointed in accordance with the Policy, Organisation and Rules of The Scout Association.

Additional governance issues (optional information but encouraged as best practice)

You may choose to include additional information, where relevant, about:

The Group is managed by the Group Executive Committee, the members of which are the 'Charity Trustees' of the Scout Group which is an educational charity. This includes the registration, keeping proper accounts and making returns to the Charity Commission as appropriate.

b) trustee' consideration of major risks and the systems and procedures to manage them

The Committee consists of 3 independent representatives, Chair, Treasurer and Secretary together with the Group Scout Leaders, individual section leaders (if opted to take on the responsibility) and parent's representation and meets every month.

Members of the Executive Committee complete '*Essential Information for Executive Committee*' training within the first 5 months of joining the committee.

This Group Executive Committee exists to support the Group Scout Leader in meeting the responsibilities of the appointments and is responsible for:
The maintenance of Group property;
The raising of funds and the administration of Group finance;

Risk and Internal Control

The Group Executive Committee has identified the major risks to which they believe the Group is exposed, these have been reviewed and systems have been established to mitigate against them. The main areas of concern that have been identified are:

Damage to the building, property and equipment. The Group would request the use of buildings, property and equipment from neighbouring organisations such as the church, community centre and other Scout Groups. Similar reciprocal arrangements exist with these organisations. The Group has sufficient buildings and contents insurance in place to mitigate against permanent loss.

Injury to leaders, helpers, supporters and members. The Group through the capitation fees contributes to the Scout Associations national accident insurance policy. Risk Assessments are undertaken before all activities.

Reduced income from fund raising. The Group is primarily reliant upon income from subscriptions and fundraising. The group does hold a reserve to ensure the continuity of activities should there be a major reduction in income. The C

Section E**Financial Review**

Brief statement of the charity's policy on reserves

Reserves Policy

The Group's policy on reserves is to hold sufficient resources to continue the charitable activities of the group should income and fundraising activities fall short. The Group Executive Committee considers that the group should hold a sum equivalent to 12 months running costs, circa £5,000.

The Group held reserves of approximately £16,000 against this at year end. This is above the level required for operating expenses.

Quantify and explain any designations

Details of any funds materially in deficit (circumstances plus steps to eliminate)

There are no funds materially in deficit.

Further financial review details (optional information)

You **may choose** to include additional information, where relevant, about:

- the charity's principal sources of funds (including any fundraising);

Investment Policy

The Group's Income and Expenditure is very small and as a consequence does not have sufficient funds to invest in longer-term investments such as stocks and shares. The Group has therefore adopted a low risk strategy to the investment of its funds. All funds are held in cash using only mainstream banks or building societies or The Scout Association's Short Term Investment Service.

- how expenditure has supported the key objectives of the charity;

- investment policy and objectives

The Group Executive regularly monitors the levels of bank balances and the interest rates received to ensure the group obtains maximum value and income from its banking arrangements. Occasionally this may involve using an account that requires a period of notice before funds may be withdrawn, before doing so the Group Executive considers the cash flow requirements.
