## **TRUSTEES REPORT (INCLUDING DIRECTORS' REPORT)**

### **FOR THE YEAR ENDED 31 OCTOBER 2018**

---

The Trustees who are also directors for the purposes of company law present their report and financial statements for the year ended 31 October 2018.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the Charity's memorandum and articles of association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016)

#### **Objectives and activities**

The Charity's objects are to teach Armenian youth a moral, physical and psychological education and to teach the richness of the Armenian culture and heritage whilst preparing them to become outstanding and law-abiding citizens in the countries which they reside, the advancement of scouting and physical education amongst Armenians, and the advancement and teaching of Armenian history, culture and language, and the provision of recreational facilities for Armenians in the interests of social welfare.

The Charity also aims to advance the education of the public about Armenia, its people, history, literature, language, institutions and its intellectual artistic and economic life. To relieve, or assist in the relief of poverty amongst the Armenians living in the United Kingdom, to provide for the upkeep, furnishing, and repair of any Armenian church established in the United Kingdom.

During the period the trustees have actively organised a number of cultural and educational events to fulfill the organisations aims and objectives.

The Trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the Charity should undertake.

The Charity makes significant use of volunteers time in the day to day running of the Charity and for the events which it runs.

#### **Achievements and performance**

The Trustees are satisfied that the Charity has achieved its objectives during the period.

The Charity has continued to raise funds throughout the period from donations and running events to achieve its objects.

#### **Financial review**

It is the policy of the Charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to at least between three and six month's expenditure. At the balance sheet date the charity had reserves to cover one year's expenditure. The Trustees consider that reserves at this level are not excessive and will ensure that, in the event of a significant drop in funding, they will be able to continue the Charity's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

The Charity's principal sources of income are donations received, subscriptions, and income generated from hosting various events throughout the year. The Charity has fulfilled its objectives by running various events for the Armenian youth. The Charity aims to continue running similar events for the foreseeable future.

The Trustees have assessed the major risks to which the Charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 OCTOBER 2018

---

### 1 Accounting policies

#### Charity information

Homenetmen London is a private company limited by guarantee incorporated in England and Wales. The registered office is 335 City Road, London, EC1V 1LJ.

#### 1.1 Accounting convention

The financial statements have been prepared in accordance with the Charity's memorandum and articles of association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016). The Charity is a Public Benefit Entity as defined by FRS 102.

The Charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the Charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

#### 1.2 Going concern

At the time of approving the financial statements, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

#### 1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives unless the funds have been designated for other purposes.

#### 1.4 Incoming resources

Income is recognised when the Charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the Charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised when received.

Legacies are recognised on receipt or otherwise if the Charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

Membership subscriptions are recognised when they become due.

Income from charitable events is recognised when receivable.

**FOR THE YEAR ENDED 31 OCTOBER 2018**

### **1 Accounting policies**

**(Continued)**

#### **1.5 Resources expended**

Costs of generating funds are those incurred in attracting voluntary income, or incurred in activities undertaken to raise funds.

Liabilities are recognised as resources expenses as soon as there is a legal or constructive obligation committing the charity to the expenditure. All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category.

Charitable activities comprise those costs incurred by the charity in the delivery of its activities and services for its beneficiaries.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity, and include its accounts fees and costs linked to the strategic management of the charity including trustees expenses.

#### **1.6 Tangible fixed assets**

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Fixtures, fittings & equipment	25% Reducing balance
--------------------------------	----------------------

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in net income/(expenditure) for the year.

#### **1.7 Impairment of fixed assets**

At each reporting end date, the Charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

#### **1.8 Cash and cash equivalents**

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

#### **1.9 Financial instruments**

The Charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the Charity's balance sheet when the Charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

# HOMENETMEN LONDON

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 OCTOBER 2018

### 1 Accounting policies

(Continued)

#### **Basic financial assets**

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

#### **Basic financial liabilities**

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

#### **Derecognition of financial liabilities**

Financial liabilities are derecognised when the Charity's contractual obligations expire or are discharged or cancelled.

### 2 Critical accounting estimates and judgements

In the application of the Charity's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
