THE CHARTERED INSTITUTE OF MARKETING BENEVOLENT FUND

1. N.

REPORT AND FINANCIAL STATEMENTS

YEAR ENDED 30 JUNE 2019

Trustees Report

The Trustees present their report and financial statements for the year ended 30 June 2019. The financial statements have been prepared in accordance with the accounting policies set out on page 8 and comply with the Charity's trust deed, the Charities Act 2011 and Accounting and Reporting by Charities; Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

Objects of charity

The charity was set up for the relief of hardship of members of The Chartered Institute of Marketing and their families and for the advancement of education.

The trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Trust's aims and objectives and in planning future activities.

Review of Activities and Financial Review for the year

During the year the trustees reviewed a number of hardship cases and are pleased to report that the fund paid £2,888 (2018 - £7,007) to beneficiaries during the year. After allowing for an unrealised loss from investments for the year of £11,109 (2018 - 57,123) and interest and dividends accumulated for the year of £25,932 (2018 - £25,677) the net gain in funds for the year amounted to £7,576 (2018 - £2,094 loss). The unrestricted fund at the end of the year was £684,652 (2018 - £677,076).

As at 30 June 2019 investments had a cost of £496,407 (2018 - £496,407).

Governance

The Chartered Institute of Marketing Benevolent Fund is a registered charity and is governed by a Trust Deed.

The trust operates a self-perpetuating board, and all nominations have to be ratified by the Board of Trustees of The Chartered Institute of Marketing. On appointment trustees attend an induction meeting.

Investment powers, policy and performance

The Trustees are responsible for and manage all the charity's investments and St James's Place manage the charity's investments portfolio. Due to the net gain on unrealised investments there was a gain for the year of 2.2% on total investments (2018 - 1.1% reduction). St James's Place review the investments annually and recommended a balanced fund of 50% Equity Unit Trusts and 50% Bonds.

Reserves Policy

In line with the guidance issued by the Charity Commission the Trustees have reviewed the charity's needs for free reserves which are those unrestricted funds not invested in fixed assets, designated for specific purposes or otherwise committed. The Trustees believe reserves of £684,652 are sufficient to cover three months running costs of £2,722 (0.40%); with the remainder being used to generate future income to ensure that the charity can run effectively. Reserves will be used to further the charity's object of the relief of hardship of the Chartered Institute's members and their families as and when such instances of hardship are brought to the attention of and evaluated by the Trustees.

Trustees Report (continued)

Risk management

The Trustees actively review the major risks which the charity faces on a regular basis. They believe that maintaining free reserves at the levels stated above, combined with an annual review of the controls over key financial systems, will provide sufficient resources in the event of adverse conditions. The Trustees have also examined other operational and business risks, which they face and confirm that they have established systems to manage the significant risks.

Statement of Trustees' Responsibilities

Law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the surplus or deficit of the charity for that year. In preparing those financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP.
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on a going concern basis unless it is inappropriate to presume that the charity will continue.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Responsibilities and basis of report

As the charity trustees of the Fund, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 (the Act)

I report in respect of my examination of the Fund's accounts carried out under section 145 of the 2011 Act and in carrying out the examination I have found all the applicable directions given by the Charity Commission under section 145(5) of the Act.

Independent Examiner's statement

I have completed my examination. I confirm that no material matters came to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1. Accounting records were not kept in respect of the Fund as required by section 130 of the Act; or
- 2. the accounts do not accord with those records; or
- 3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a "true and fair view" which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
