The trustees (who are also directors of the charity for the purposes of company law) are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

- there is no relevant audit information of which the charitable company's auditor is unaware; and.
- the trustees have taken all steps that they ought to have taken to make themselves aware of any

Financial Review

The Statement of Financial Activities (SOFA) shows that at the end of the financial year we had negative reserves to carry forward of £20,392, compared with negative reserves of £21,258 at 30 June 2018.

The Trustees are continuing to obtain sponsorship and income from donations is increasing whilst also focusing on the core activities of increasing community participation in sport. We are confident therefore that our activities are sustainable and that we are on course to create a surplus on unrestricted reserves.

Statement for public benefit test for charities

In setting our objectives and planning our activities the trustees have given careful consideration to the charity commission general guidance on public benefit.

<u>Boston United Football Club Community Foundation</u> Report of the Trustees for the year ended 30 June 2019 (continued)

Achievements and performance

The charity engages with the community in several ways encouraging sports participation and education regardless of their circumstances.

Sports coaching is delivered in both primary and secondary schools, by working closely and supporting the Boston and District School Sports Partnership. During the year over 20 schools were visited, providing a comprehensive range of programmes to over 2100 children. Within those schools, we provided 12 teachers with high-quality teacher CPD and delivered 247 mixed extra-curricular sports sessions as well as 97 girls' only extra-curricular sports sessions. Two primary school football festivals were held at the Jakemans Stadium as well as the longstanding Woodthorpe Cup Final.

Our well established successful Positive Pilgrims programme for adults is a project that engages adults who experience mental health issues by using sports to create pathways into volunteering, training and employment. This year saw 480 attendances throughout the project.

Our new grassroots football initiative provided participation and volunteer opportunities for the 5785 attendees throughout the year, which also saw eight new FA qualified coaches developed to support local grassroots football.

Our walking football programmes were established to create general fitness regardless of age. The programme has expanded this year with over 1500 attendances at all our sessions, with some participants receiving international recognition.

Boston United Academy offers an opportunity to develop young football players to excel on the pitch. It also offers an education package in conjunction with Boston United Sports College which provides a range of study options and enrichment opportunities.

The Pilgrim Cup is an annual tournament which celebrated its 10th year. Again, a very successful weekend with over 140 teams entering from U7-U16. With a representation of teams from the Premier League, EFL and National League.

The trustees consider the charity has had a successful year, delivering new opportunities for the community to take part in sporting activities. Healthy lifestyles and increased physical activity promoted with opportunities for the local community develop skills and access training.

Small company's provisions

The report of the trustees has been prepared taking advantage of the small company's exemption of section 415A of the Companies Act 2006.
