

Activities and Objectives

The activities of Twinkle Trust Animal Aid continues, which is to spay and neuter as many homeless and abandoned cats as possible by carrying out trapping, neutering and releasing as much as possible. In addition as always, we help sick and injured cats and orphaned kittens and once the animal has recovered we search for responsible new homes when ever possible. With the help of regular volunteers we've achieved a great deal, we've kept the homeless cats and kittens fed and neutered and treated many 100's of cats in the last year.

We continue to provide fresh dry food and clean water at over 20 feeding points for the homeless cats. We have even more, wonderful new volunteers which work along side the volunteers that have been with Twinkle for many years. We pass on our knowledge and experience of the physical hard work of catching cats and maintaining and replenishing our many cat feeding points, and give encouragement and teaching to likeminded animals lovers on how to care for and hand rear some of the many sad cases of orphaned kittens. Our primary aim is to neuter the homeless cats but will continue as always to help the unwanted and unheard voices of the cats and kittens that need help.

New volunteers maintaining and refilling a couple of our homeless cat feeding stations.

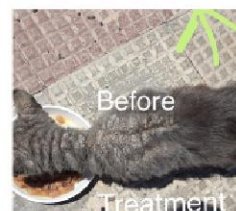

Colony of homeless cats just trapped and ready for next day neutering, mum and one of the 7 kittens we need to help in a few more months.

A 6 week old kitten found alone, sick and starved.

Cats living on a building site, we're trying to help.

Before and after photos of a street cat with severe mange, and then after treatment and castration.
