#### Structure, governance and management

The DLCC is a registered charity and a company limited by guarantee governed by its Objects and Articles of Association. The DLCC registered with the Charity Commission on 20 November 2015. The DLCC is governed by the Objects and Articles of Association and is managed by a Board of Directors. The Directors are charity trustees as defined by Section 177 of the Charities Act 2011.

Trustees are elected for three years by the Members or co-opted by the Trustees. A third of the Trustees must retire each AGM, but may stand for re-election. The Trustees meet quarterly each year.

#### **Objectives and Activities**

The objective of the Charity is to promote moral and spiritual improvement through an entirely secular approach by advancing individuals and society's understanding of compassion and related values such as empathy, forbearance, dignity and integrity by:

- (a) research into compassion and related values and their role in human affairs
- (b) fostering debate about compassion and related values
- (c) education about compassion and related values

The charity trustees have complied with the duty in Section 17(5) of the 2011 Charities Act to have due regard to guidance published by the Charity Commission, in planning carrying out its activities the DLCC has considered Charity Commission guidance on public benefit.

During 2019, the charity focused on its educational outreach project, Compassion Matters.

Following its launch in 2018 to the end of 2019, the Compassion Matters project has been delivered to 40 schools and over 3,500 learners. We have also developed 30 hours of learning resources that have been used by 50 teachers, with over 900 hours of compassion and ethics lessons taking place in 2019. During 2019 we also developed a new module containing a short film and other learning resources which explores the topic of Wisdom. Compassion Matters learning resources are used on every continent and in 12 countries around the world. International schools, including schools in Thailand, Uruguay and Nigeria, have adopted our resources.

Alongside working with schools, Compassion Matters is forming partnerships with charities to enable the project to reach the most disadvantaged children. We are delighted to be working with Lauriston Lights (lauristonlights.co.uk) providing content for their summer camps that support disadvantaged children to progress positively from primary to secondary school. This partnership enabled Compassion Matters to reach 200 children across London and Oxford during the summer of 2019. More partnerships with leading UK youth charities are currently in discussion with plans for further pilots in 2020.

The Trustees met four times during the financial year 2019 and reviewed strategy, safeguarding and risk management as they considered appropriate.
