

Magdalene Foundation,

St David's, Llwyndu,

Abergavenny,

Monmouthshire,

NP7 7HU, UK

Charity Commission Registered No. 1117079

ANNUAL REPORT 19/20

The Magdalene Foundation (MF) charity has successfully completed its 14th year.

Magdalene Foundation trustees continue to raise small amounts of funds and have sufficient reserve to modestly support appropriate projects with organisations involved in anti-trafficking activities. Due to the Coronavirus it was decided to concentrate on UK organisations, which are currently running anti-trafficking activities – supporting victims. Therefore 2 cash grants of £2000.00 have been made to:

BAWSO Ltd (**Registered Charity: 1084854**) – DIOGEL Project was set up in South Wales by BAWSO in 2009 to provide support for victims of trafficking. In 2010 the Welsh Government funded the expansion of the project to North Wales in response to increased demand for the service. More recently the Diogel Project was expanded to provide 10 units of secure accommodation and 10 outreach units respectively under the new contract with the Salvation Army. The project now provides 13 units of secure accommodation and 20 outreach units across Wales.

BARNARDO'S National Counter Trafficking Service (**Registered Charity 216250 & sc037605**) to be used to expand the work they undertake with young people to enhance their participation forum and peer mentor programme.
