

ANNUAL REPORT FOR THE PERIOD

19/05/2018 to 18/05/2019

2nd Chanzi Mobile Hub Charity **CRN:1174016**

On behalf of 2nd Chanzi Mobile Hub Board, I am pleased and would like to thank the continued support and appreciation that the charity is receiving from members, customers, volunteers, and ordinary members of the public for their words of encouragement and hard work.

This positivity has seen the charity grow exponentially and has made its mark in the community. Local linkages have been established with local established supermarkets in East London, and excess healthy wellbeing foods are being collected regularly from a food-bank established in Hoxton, East London where nutritious based food hampers are distributed to the homeless, impoverished families as well as cake making classes for locals. A conscious effort is made for healthy food products which goes hand in hand in combatting food-related respiratory diseases such as diabetes, cancer, high blood pressure etc. The need for this project has been brought on by hardships brought on by Covid-19, and the organisation is working on various fund-raising activities to expand programme activities to delivering to those vulnerable incapacitated in the home.

Every little helps hence am glad to report the charity has an understanding with several University halls of residence institutions to collect various unwanted clothing, bedding, kitchen items from their students and these will be sold online through our e-commerce account soon to be launched along with the charity website. These funding raising pots will add up and assist in the operational efficiency of all project activities.

To this end, poverty alleviation project proposals have been sent to various funding institutions to solicit funds to execute these projects proficiently. Other funds will be raised through community sponsored programs, boot sales as the charity gathers speed in implementing self-sustainable projects and programs which will be life-changing and impact positively on their lives.

On behalf board would like to thank and encourage all those working in the background and am positive the future is bright as the small steps being made show solid foundations in the future.

Declarations

The trustees declare that they have approved the trustees' report above.

Signed on behalf of the charity's trustees
