## Section C Objectives and activities

**Summary of the objects of the charity set out in its governing document**

- To promote humane behaviour towards the Hungarian Vizsla dog breed by providing appropriate care, protection, treatment and security for this breed of dogs.
- To provide a service to owners of Hungarian Vizslas who are no longer able (for whatever reason) to care for their dog's welfare and for dogs that are in need of care and attention by reason of sickness, maltreatment, poor circumstances or ill usage.
- To educate the public in matters pertaining to dog welfare in general

and the prevention of cruelty and suffering amongst all types of dogs.

In exercising their duty, the Charity Trustees have reviewed that all of their activities have due regard to public benefit guidance published by the commission.

We assess all dogs before rehoming and sometimes after evaluation and guidance the dog is able to return to its original owner. We also go through the process of a telephone interview before potential adoptees move onto our official waiting list.

The charity benefits all people who are in need of help with issues surrounding the ownership and wellbeing of the Vizsla dog regardless of their circumstances.

**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

**Additional details of objectives and activities (Optional information)**

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

The Trustees ensure that sufficient attention is paid to fund raising activities and cooperation with other breed groups. They continue to monitor grant funding opportunities and manage the charities assets to ensure its sustainability and ability to carry out its charitable objectives. It continues to rely heavily on its volunteers to help foster and rehome Hungarian Vizslas as it has no paid members of staff.

## Section D

## Achievements and performance

## Section D

## Achievements and performance

### Summary of the main achievements of the charity during the year

Vizsla Rescue rehomed 69 dogs during this period.

We were contacted by 1547 people inquiring about adopting a Vizsla and 187 people who were considering rehoming their Vizsla. At the year end there were still 7 dogs in our care.

We had 41,000 unique visitors for the year on our website with 55,000 sessions, each session spending an average of 2 minutes and 23 seconds. Facebook continues to be very active and used as our outward-bound communication.

We currently have 306 volunteers on our volunteer map.

Fund raising via the online shop has generated £2,687 in revenues over the period. We now take advantage of various other means of generating funds i.e. birthday fundraisers on our social media pages; Amazon Smile; Easy fundraising to name a few.

A young family raised £2,000 doing a sponsored walk in memory of the Vizsla who had died.

Commission received from new owners taking up Agria insurance in 2019 was £700. Vizsla Rescue has helped a few of the rehomes with expensive vet fees that were not covered.

Vizsla Rescue ran two fundraisers for two Vizslas with different health conditions, both needed extensive and expensive treatment and with donations from our supporters we could provide some help financially.

## Section E

## Financial review

### Brief statement of the charity's policy on reserves

The Charity Trustee's continually monitor cash reserves to ensure our financial stability in the event of a large outlay for unexpected vet fees or infrastructure projects.

### Details of any funds materially in deficit

The Charity has no outstanding financial obligations nor outstanding debts.

### Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

As demonstrated in our financial accounts, the Charity's principle source of funds comes from fund raising activities and donations. The Vizsla community continues to support the charity through fund raising auctions at "Viz Whizzes" which still provides the main source of income. This is supplemented by our collection of donations from newly rehomed dogs and via our online shop.

Members of Vizsla Rescue attended a number of canine events, for example Crufts and Discover Dogs, to raise wider awareness of the breed and the work that Vizsla Rescue does for the community.

The vast majority of the Charity's expenditure is associated with the wellbeing of the dogs in our care. Veterinary care is our largest expense along with food and medicines.

As a principle methodology, the Charity avoids paying kennel fees wherever possible and uses it's own facilities or those of foster families. This saves £1000's and allows for funds to be utilised on activities that benefit the general public and the dogs that are cared for.

# Independent examiner's report on the accounts

## Section A

## Independent Examiner's Report

Report to the trustees/  
members of

Charity Name  
Vizsla Rescue

On accounts for the year  
ended

31 December 2019

Charity no  
(if any)

1162862

Set out on pages

(remember to include the page numbers of additional sheets)

Respective  
responsibilities of  
trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

Basis of independent  
examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent  
examiner's statement

In connection with my examination, no matter has come to my attention ~~(other than that disclosed below\*)~~

1. which gives me reasonable cause to believe that in, any material respect, the requirements:
  - to keep accounting records in accordance with section 130 of the Charities Act; and
  - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
