Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

To relieve the needs of refugees and people displaced by war and/or natural disaster by providing and assisting in the provision of health, education, housing, food distribution and disaster relief services to those in need and by providing grants, items and services to organisations working to relieve such needs, in particular but not exclusively, Salam LADC in Lebanon

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Throughout 2019, Salam LADC opened up its own bank account and thereby successfully launched its own independent finances without having to rely on operating under the auspice of Salam LADC in Lebanon and Norway as well as PRISM the Gift Fund.

The first donation in the new bank account was received in September 2019, after which Salam LADC UK has focussed its fundraising efforts and activities on ongoing support for Salam LADC, including through a grant from Help Refugees, as well as a newly launched Free Border Skate program, in collaboration with the company, Every Girl:

Free Border Skate (FBS) is a female led, female centered skating program, created to use roller skating as a tool to bring people together and to positively change the lives of vulnerable people through the therapeutic nature of physical activity and the confidence building that comes with learning an extreme sport.

This program is being launched in Lebanon's Bekaa Valley on the grounds of Salam LADC in Lebanon, by hosting roller skating sessions, training local teachers and building a roller skating park. Through the collection of donations, volunteer coaches and both purchased and donated skates and protective gear, this program is designed to be sustainable in the longer run and intended to bring refugee children from Syrian and Palestinian nationality together with vulnerable Lebanese youth.

2019 saw no change in charitable purpose or new trustees, or otherwise transfer of rights/responsibilities among trustees.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;

Section E

Financial review

Brief statement of the charity's policy on reserves

Salam LADC UK does not have any fixed costs or employees. Currently the volunteers are paying for website maintenance, office supplies and other minor expenses. Over time the intent is that this will be borne by the charity as long as stable and continuous income from fundraising activities exceeds any such reasonable costs. Similarly, the Board of Trustees has agreed to only look at spending that can be done from available reserves.

Details of any funds materially in deficit

Not applicable.

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

Principal sources of funds are:

- restricted donations coming from the Every Girl company, which are received as donations under the Free Border Skate program;
- restricted donations received in relation to the Free Border Skate program;
- unrestricted donations from individual donors; and
- restricted grants for Salam LADC UK's work with refugees in Lebanon.
