Risk management

The Trustees have assessed the major risks to which the company is exposed, in particular those related to the operations and finances of the company and are satisfied that systems and procedures are in place to mitigate exposure to those risks.

SECTION C: OBJECTIVES AND ACTIVITIES

Objectives

The Object of the charity is:

The advancement of education of children and students for the public benefit in particular but without limitation establishing, sponsoring, funding or managing one or more schools or colleges.

This is encapsulated in its aim of 'inspiring excellence in primary education'.

The Trustees' current objectives are as follows:

- To monitor and support, as Sponsor, the work of Temple Grove Academy Trust (TGAT) in running its first primary academy (Temple Grove Academy) and plans for its expansion to include further primary academies, or free schools, in the TGAT group.
- To continue to work with the Haberdashers' Aske's Federation Trust (HAFT), supporting the primary age phases of three all-through academies in South London (a total of five campuses educating some 1,400 primary children).
- To manage the Trust's liquid resources through suitable investment managers and through short term deposits with reputable institutions and to use the income from these resources to support the general running costs of the Trust and to make grants to other projects as and when identified.
- To inspire the spread of excellence in primary education in England; bringing together the best people and features from both the private and public education sectors.
- To continue restructuring the Trust to assist in the efficient performance of the above objectives, to make its work lasting, and to better position the Trust for future.

Strategy for achieving objectives

The Trust provides resources to support the progress of Temple Grove Academy Trust (TGAT) and its first primary academy, Temple Grove Academy (TGA). This includes:

- The provision of enrichment funding to TGA to support activities and equipment for children attending TGA.
- The provision of financial support to TGAT to cover exceptional costs associated with performance improvement at TGA.
- The nomination of three Directors of TGAT.

The Trustees have continued to support the primary phase of the Haberdashers' Aske's Federation Trust (HAFT) by:

- The provision of enrichment funding for use by the primary phase of the HAFT, financed by the income earned from a separately identifiable Restricted Fund. The assets of the fund are managed by third-party asset managers supervised by the Trustees. The endowment is invested to provide the requisite annual income, whilst retaining an element of capital growth.
- The nomination of two Governors to the HAFT.

SECTION D: ACHIEVEMENTS AND PERFORMANCE

Review of activities

Temple Grove Academy Trust (TGAT)

The Trust supports TGAT by nominating three Directors and providing funding to facilitate organisational changes at TGAT and educational enrichment at Temple Grove Academy (TGA). As TGA is the academy trust's only school to date, the focus has been on improving teaching and pupil performance throughout the academy.

A new Senior Leadership team of Chief Executive of TGAT and Consultant Executive Head of TGA was appointed in September 2017. Shortly after the year end, in September 2019, the school was inspected by Ofsted and was rated "Good" overall and "Good" in each of five categories: quality of education, behaviour and attitudes, personal development, leadership and management, and early years provision. This school – and the prospects for its pupils – has been transformed since it was taken on by TGAT in 2012, before when it had been rated "Inadequate" by Ofsted.

The priorities for TGAT are:

- To achieve a "Good" judgement from Ofsted at TGA
- For TGA to raise standards of achievement in all areas and to ensure all groups of pupils achieve and perform equally well
- To establish the optimum development platform for TGAT to enable its growth
- To ensure the long-term financial stability of TGAT and develop systems and procedures to support this
- To develop the best team through recruitment, training and retention of high calibre staff at all levels
- To create a culture of excellent governance.

The Trustees in making their decision have had due regard to the Charity Commission's Public Benefit guidance.

Haberdashers' Aske's Federation Trust (HAFT)

The Trust supports HAFT by nominating two Governors and providing funding for the primary phases. HAFT currently manages four school clusters:

- Haberdashers' Aske's Hatcham College, Hatcham Temple Grove Free School and Hatcham Temple Grove School at New Cross, London;
- Haberdashers' Aske's Knights Academy with its single primary school, Knights Temple Grove, at Bromley, Kent;
- Haberdashers' Aske's Crayford Academy at Crayford, Kent with its two primary schools, Crayford Temple Grove North and Slade Green Temple Grove; and
- Haberdashers' Aske's Borough Academy, a new secondary school opened in September 2019.

HAFT has made a change to the legal status of its schools. Previously most of the clusters were legally constituted as single all-through schools. From 1 September 2019 each school is a separate legal entity within its cluster and the wider Federation Trust. This change of status means that the schools do not all have current Ofsted inspections. At the beginning of the academic year 2019/20, of the Federation's nine academies, one was judged to be outstanding by Ofsted, two were judged to be good and one was judged to require improvement. Five had not been inspected.

The Federation's performance in key stage 1 attainment remains above the national average. The Federation's

progress at key stage two improved significantly in 2019 compared to 2018 across the Federation and in each school, demonstrating the continued impact of making this a priority over the last twelve months. Progress at Hatcham Temple Grove was exceptionally high. The Federation is on course to meet its ambitious 2023 targets for KS2 progress.

Financial review

The Trust made grants of £137,500 during the year (2018: £123,872):

- £50,000 was donated to TGAT (2018: £15,000)
- £17,200 was donated to TGA (2018: £18,410)
- £70,300 was donated to HAFT (2018: £90,462, of which £66,508 related to the year to 31 August 2018 and £23,954 related to the previous year, a timing difference).

The Trust incurred costs (staff and establishment costs) of £2,839 during the year (2018: £9,335).

Income plus gains on revaluations of investment assets totalled £255,890 (2018: £158,686) resulting in an increase in the Trust's funds of £115,551 during the year (2018: £25,479).

Investment policy and performance

The Trustees continued with their policy for the long-term investment of their assets, placing the Trust's liquid resources in the hands of carefully selected investment managers, one for the Restricted Fund and another for the Unrestricted Fund, and retaining only minimal cash funds to service short term liabilities. They believe that this policy best matches the requirements and risks of their activities. The policy is reviewed annually.

The Trustees use the income earned from its Unrestricted Funds in defraying the cost of furthering its overall objectives. Income earned on its Restricted Fund is used for that endowment only and is now paid over to the beneficiary during the same year.

Future developments

The Trustees' primary focus continues to be the support given to the HAFT and to TGAT. The Trustees remain committed towards raising awareness of the importance of primary education and will support initiatives to that effect.

Trustees' responsibilities statement

The Trustees (who are also directors of Temple Grove Schools Trust Limited for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;

- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In preparing this report, the Trustees have taken advantage of the small companies' exemptions provided by section 415A of the Companies Act 2006.
