<ul> <li>policies and procedures adopted for the induction and training of trustees;</li> </ul>	was a high risk of vandalism and deterioration of the building fabric. Empty property insurance was taken out to cover this period, the conditions of which were that the property was heated,
<ul> <li>the charity's organisational structure and any wider network with which the charity works;</li> </ul>	alarmed and visited weekly. Our Managing Agent was instructed in April 2018 to either rent or, if that wasn't possible, to sell the property. This was not possible until then because a small part of the land was owned by the Council and wasn't transferred to the Charity until then. The managing Agent found a new tenant to start

Such equipment to enhance their wellbeing/education and to be available to educational establishments and/or individuals in need.

### Section D

Achievements and performance

Summary of the main achievements of the charity during the year

#### Year Highlights

#### **Transfer of Land**

The previous tenant illegally extended the nursery building onto land that they owned. The plot of land in question was transferred to the Trust against dilapidations in April 2018 using the Land Registry's process for transferring Title Deeds.

#### **New Tenant**

In May 2018 a new tenant took the property on a 15 year lease and runs a nursery school business from it. The property was vacant from July 2017 to May 2018.

The rental agreement entered into with the new tenant meant that they occupied the property rent free for the first 3 months of their tenancy.

Because of the resulting extended period of no rent coming in and the extra costs associated with renting the property the Trustees were unable to spend any money on needy children during the year.

#### **Visits to Local Schools**

2 Trustees visited local schools as a result of which received requests for equipment for needy children which were considered and put on hold.

Section E	Financial review
Brief statement of the charity's policy on reserves	There was a recognition that there was a need to build up reserves to cover building costs but the immediate priority for 2019 – 2020 was to use funds for charitable purposes. Because the charity has no paid staff there is no need to hold reserves for redundancy payments in the event of wind up.
Details of any funds materially in deficit	None
Further financial review details	(Optional information)
<ul> <li>You may choose to include additional information, where relevant about:</li> <li>the charity's principal sources of funds (including any fundraising);</li> </ul>	Our only source of funds is rental income from the property owned by the Trust. Our expenditure comprises fees paid to our property managing agent.
<ul> <li>how expenditure has supported the key objectives of the charity;</li> </ul>	
<ul> <li>investment policy and objectives including any ethical investment policy adopted.</li> </ul>
