TRUSTEES' REPORT
FOR THE YEAR ENDED 31 MARCH 2020

The Trustees (who are also directors of the charity for the purposes of the Companies Act) present their annual report together with the audited financial statements of DIPEX (the charity) for the year ended 31 March 2020.

The Trustees confirm that the annual report and financial statements of the charity comply with the Charities Act 2011, the Companies Act 2006, the requirements of the governing documents and Accounting and Reporting by Charities: Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

Since the charity qualifies as small under section 383, the strategic report required of medium and large companies under The Companies Act 2006 (Strategic Report and Director's Report) Regulations 2013 is not required.

OBJECTIVES AND ACTIVITIES

Objectives and principal activities

The objects of the charity are the advancement of education for the public benefit in the promotion of good health, and in particular for the benefit of persons diagnosed with a disease, by, but not limited to:

1. Creating a database of patients' experiences of illness;
2. Disseminating information to patients, health professionals, and the general public;
3. Conducting research (primarily evidence based research) and publishing the useful results thereof in order to help patients make informed decisions about their healthcare; and
4. Promoting effective collaboration between patients and health professionals.

The Trustees have had regard to the Charity Commission's guidance on public benefit.

Achievements and performance

A summary of the charity's achievements for the year is as follows:

- We have completely overhauled and redesigned the website healthtalk.org, making a faster, easier to use site.
- We have increased our work with overseas partners in both the US and Australia
- Visits to the [healthtalk](http://healthtalk.org) website remain strong, with the resource used roughly 6 million times in 2019.
- The charity is now collaborating with more organisations than ever before around the UK on topics such as dementia and loneliness.
- A new website dedicated to promoting research in social care has been created by the charity and is part of a research project before going live.
- We continue to be a member of Dipex International (DI) and our CEO Adam Barnett is a board member. DI is an international membership organisation of research groups using the methodology developed by the University of Oxford's Health Experiences Research Group (HERG), for the exchange of ideas, training and research and dissemination practices.
- The Dipex partnership and collaboration with HERG at the Nuffield Department of Primary Care Health Sciences, continues to be at the heart of the work of the charity.

In the final weeks of the reporting year the threat posed by the Corona virus pandemic became apparent and the UK lockdown commenced one week before the year-end. The Trustees asked the CEO to set up a regular reporting mechanism to review the changing risk profiles (and their levels) associated with the pandemic.

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 MARCH 2020

FINANCIAL REVIEW

Income, expenditure and results

For the year ending 31 March 2020 the charity experienced a cash out flow of £76,998 (2019: £37,163) and an accounting deficit of £71,575 (2019: deficit of £23,753).

The trustees review the financial position of the charity at every trustees meeting, using a 2 year ahead cash flow forecast and up to date management accounts. They are satisfied that the charity is equipped to continue its activities over the next 2 year period.

Reserves policy

The charity's policy is to maintain reserves at a level sufficient to cover the liabilities relating to all outstanding research modules, to support the development of the charity in areas such as website design and support, marketing and management infrastructure and to guard against future contingencies. Having assessed these factors, the Trustees have determined that the charity should hold available unrestricted 'minimum' cash reserves of 12 months web expenditure and six months of other operating expenditure. Reserves are underpinned by the available cash funds and by the value of the charity's assets, including its website.

The level of available unrestricted cash reserves at 31 March 2020 was approximately £105,189. The Trustees are satisfied that – when considered in conjunction with cash flow forecasts and confirmed projects – those reserves are sufficient to allow the charity to continue its operations and deliver all projects to the end of the financial year ending March 2021.

Investment Policy

The charity's investment policy is to maintain all cash funds in current and deposit accounts, including fixed term accounts, with its appointed bankers.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is a registered charity, number 1087019, and was incorporated on 13 March 2001 as a company limited by guarantee. The charity is governed by its Memorandum and Articles of Association.

Appointment and training of Trustees

The management of the charity is the responsibility of the Trustees who are elected and co-opted under the terms of the Articles of Association. Trustees undergo an annual review with the Chairman. The charity reviews periodically the skills and composition of the Board of Trustees so as to identify any skills gaps within the Board.

Newly appointed Trustees receive an induction including face to face training and information to support their effective performance as Trustees. Succession planning is in place for those trustees who plan to retire or leave, with a handover period established whenever possible.

Organisational structure

The overall responsibility for the charity rests with the Board of Trustees, who are also appointed as directors of the charitable company. The Board of Trustees meets regularly throughout the year to review the charity's strategy and operational performance and to agree operational plans and budgets.

The Board of Trustees delegates the authority of the day to day management of the charity to the Chief Executive Officer.

DIPEX
(A company limited by guarantee)

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 MARCH 2020

Remuneration for the Chief Executive Officer and other staff members is set by the trustees having considered the remuneration in similar organisations.

Risk Management

The Trustees have assessed the major risks to which the charity is exposed, in particular those related to the operations and finances of the charity, and are satisfied that systems and procedures are in place to mitigate exposure to the major risks. Major risks are reviewed at every Trustees' meeting, covering areas in Governance & Management, Operations, Finance, Environmental/External Factors and Compliance.

The charity is primarily dependent on grant funding to publish research into personal health experiences. Such grant funding is received either directly by the charity or via the University of Oxford and is based on joint applications by both organisations. The Trustees review forecast grant funding on a quarterly basis, which covers a period of 18-24 months, upon which they determine the future level of affordable costs and required cash reserves. The Trustees also ensure that projects are adequately resourced before project initiation, and verify that there are sufficient projects in hand to support the following year of activities.

The charity's financial policies provide full cash reconciliation of all income and expenses on a monthly basis and preparation of annual budgets, management accounts every 4 months and quarterly cash forecasts.

FUTURE PLANS

1. Healthtalk projects on gender, nurses and allied health professionals, health & weight, 100k Genomes project
2. Development of digital resources for other research projects
3. Creation of a dedicated section for professional use.
4. Review of the strategy and opportunities for the charity in the post-Corona virus environment

Acknowledgements

In addition to grant income derived from research modules, DIPEX relies currently on donations and partnership revenues to support our work. Details of funding can be found on our websites on the credits page of each condition. We gratefully acknowledge the support we have received from everyone in the past year, be it financial; through provision of information; membership of an advisory panel or general support from enthusiasts and friends. Our thanks go also to our colleagues at the Health Experiences Research Group of Oxford University and other academic partners.

TRUSTEES' RESPONSIBILITIES STATEMENT

The Trustees (who are also directors of DIPEX for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year. Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

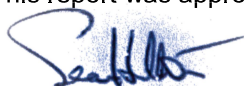

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies

**INDEPENDENT EXAMINER'S REPORT
FOR THE YEAR ENDED 31 MARCH 2020**

Independent Examiner's Report to the Trustees of DIPEX ('the charitable company')

I report to the charity Trustees on my examination of the accounts of the charitable company for the year ended 31 March 2020.

Responsibilities and Basis of Report

As the Trustees of the charitable company (and its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the charitable company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charitable company's accounts carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent Examiner's Statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charitable company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

This report is made solely to the charitable company's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the charitable company's Trustees those matters I am required to state to them in an Independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charitable company and the charitable company's Trustees as a body, for my work or for this report

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2020

1. Accounting policies

1.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

DIPEX meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

1.2 Company status

The Charity is a company limited by guarantee. It is incorporated in the UK and registered in England and Wales. The members of the company are the Trustees named on page 1. In the event of the Charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the Charity.

The financial statements are presented in Sterling, which is the functional currency of the Charity, and rounded to the nearest pound.

1.3 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the charitable company and which have not been designated for other purposes.

1.4 Going concern

The Trustees believe that there are no material uncertainties related to the Charity's ability to continue as a going concern. This is due to several modules planned in the next financial year and other future plans as outlines in the Trustees' Report. The Charity also has sufficient cash reserves to fund its operations for the foreseeable future. Therefore these financial statements have been prepared on a going concern basis.

1.5 Income

All income is recognised once the charitable company has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Other income is recognised in the period in which it is receivable and to the extent the goods have been provided or on completion of the service.

DIPEX
(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2020

1. Accounting policies (continued)

1.6 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on raising funds includes all expenditure incurred by the charitable company to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the charitable company's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT.

1.7 Intangible assets and amortisation

Intangible assets are capitalised and recognised when future economic benefits are probable and the cost or value of the asset can be measured reliably. Intangible assets are initially recognised at cost and are subsequently measured at cost net of amortisation and any provision for impairment. Intangible fixed assets are amortised over 3 years on a straight line basis.

1.8 Tangible fixed assets and depreciation

Tangible fixed assets costing £1,000 or more are capitalised and recognised when future economic benefits are probable and the cost or value of the asset can be measured reliably.

Tangible fixed assets are initially recognised at cost. After recognition, under the cost model, tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. All costs incurred to bring a tangible fixed asset into its intended working condition should be included in the measurement of cost.

Depreciation is charged so as to allocate the cost of tangible fixed assets less their residual value over their estimated useful lives, using the straight-line method.

Depreciation is provided on the following basis:

Computer equipment	- 3 years
--------------------	-----------

1.9 Investments

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the Balance sheet date, unless the value cannot be measured reliably in which case it is measured at cost less impairment. Investment gains and losses, whether realised or unrealised, are combined and presented as 'Gains/(Losses) on investments' in the Statement of financial activities.

DIPEX
(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2020

1. Accounting policies (continued)

1.10 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the Bank.

1.11 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

1.12 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

1.13 Liabilities

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the charitable company anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

1.14 Financial instruments

The charitable company only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

1.15 Pensions

The Charity does not currently operate a pension scheme, but makes contributions to the personal pension scheme of staff members.

1.16 Critical accounting estimates and areas of judgment

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported for assets and liabilities at the Balance Sheet date and the amounts reported for income and expenditure during the year. However, the nature of the estimation means that actual outcomes could differ from those estimates. There are no particular areas of judgments or estimation uncertainty that are material to the financial statements.
