DIRECTORS AND TRUSTEES REPORT (INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 31 MARCH 2020

The directors and trustees present their report and accounts for the year ended 31 March 2020.

The accounts have been prepared in accordance with the accounting policies set out in note 1-to-the accounts and comply with the Trust's Constitution, the Charities Act 2011, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016).

Objectives and activities

The Berwick Swan and Wildlife Trust (the Trust) was founded in the wake of a chemical spillage on the Tweed. By establishing a local treatment centre it is hoped to be better equipped to deal with any similar problems as well as day to day cases.

The Trust objectives include:

- Relieving the suffering of swans and other wildlife of any species who are in need of care and attention and to provide and maintain facilities for the reception and care of wildlife;
- The provision of training for volunteers;
- Maintaining the Trust's profile through local press, local events and their website; and
- Increasing membership levels.

The directors and trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the Trust should undertake.

Achievements and performance

Since 2018, when we had to stop going out on so many rescues due to the lack of fit volunteers, the number of casualties we have dealt with has continued to rise.

The biggest challenge we have faced during the year has been the loss of the wildlife Vet David Knight, who was our designated vet. He was aware that we were able to use the anaesthetic machine and were careful with the use of Euthatol to euthanise badly injured wildlife. When David left the area, other vets were not happy for us to use either the anaesthetic machine or euthanise any animal brought to us.

This means that some animals are left in agonising pain much longer than they need to, and more importantly that we are unable to properly examine hedgehogs that refuse to uncurl for injuries and ticks. Every injured animal now must be referred to the Local Vets who are often inexperienced in dealing with wildlife. We were good at checking and medicating wounds which we are now unable to do and we sometimes must work with a vet that we are instructing on treatment, because they have never encountered such injuries before.

This is something that we have to come to terms with, however it does take a lot of pressure off the three main volunteers at the Trust, who in the past had to decide the fate of injured animals. It means that the Trust is now a rehabilitation Centre only.

DIRECTORS AND TRUSTEES REPORT (CONTINUED)(INCLUDING DIRECTORS' REPORT)

FOR THE YEAR ENDED 31 MARCH 2020

Financial review

The total ordinary income for the year amounted to £22,281 (2019: £21,482), however we were very fortunate to have been left a legacy of £34,310 (2019: £Nil) which means that our total income for the year was £56,591 (2019: £21,482). Running costs for the year totalled £37,395 (2019: £36,745) which resulted in us recording a surplus of £19,196. It must be noted however, that without the receipt of the legacy we would have had a deficit of £15,114 (2019: £15,263 deficit).

Capital expenditure was £1,621 (2019: £3,537)

The balance of free funds at 31 March 2020 was £41,201 (2019: £19,341). The Unrestricted Designated balance represents the value of land and buildings together with the emergency reserve, totalling £130,677 (2019: £133,329) The Restricted Fund totals £72 (2019: £84) and is specifically for use in the educational outreach project.

Reserves policy

The directors and trustees have reviewed the reserves of the Trust in relation to current and future requirements, and the nature of the reserves held and consider the levels held adequately allow the Trust to continue to meet its charitable objectives in the short term.

The Trust continues to undertake the feasibility project to look at its future, amongst other things, and future plans are being formulated with regard to the level of reserves.

In the meantime the funds are invested in a deposit account in order to obtain a reasonable level of interest without taking any risk as to the value of the deposit.

The Trust, as mentioned elsewhere, is looking to safeguard its future and wish to ensure the legacy reserves are used to do this.

Risk review

The directors and trustees have assessed the major risks to which the Trust is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Plans for the future

Our volunteers are very loyal, but all are getting older and are slowly falling by the wayside. We have discussed the fact that we cannot seem to be able to recruit volunteers of a younger age and we see no way to solve this.

At the end of the year we also had to deal with COVID-19 which meant we lost several volunteers who after three months in lockdown have not returned. We are very thankful that our one employee has worked her socks off throughout the whole year often in exceedingly difficult circumstances.

With our available funds only keeping us going for another three plus years we think that by then it will be time to consider closing rather than try to operate in a way that is not following our very high standards.

We can only hope for a more optimistic year ahead.

Public benefit

In considering the operation, achievements and performance and finances of the Trust, the directors and trustees are satisfied that public benefit has been provided in accordance with the Charities Act 2011 and the guidance provided by the Charity Commission.

DIRECTORS AND TRUSTEES REPORT (CONTINUED)(INCLUDING DIRECTORS' REPORT)

FOR THE YEAR ENDED 31 MARCH 2020

Structure, governance and management

The Trust is an association which together with its property shall be administered and managed in accordance with its Constitution adopted on 28 May 1992 by the members of the Executive Committee (directors and trustees). The Trust is a limited company with no share capital, being limited by guarantee.

The directors and trustees who served during the year were:

Professor David Bellamy (President)

(Deceased 11 December 2019)

Mr. R. Goff

Mr. W. Curtis (Chairman to 3 August 2019)

Mr. D. Roughton (Treasurer)

Mr. L. Campbell

Mrs. P. Goff

Mr. M. Greener (Chairman from 3 August 2019)

Mr. R.E. Shaw Mrs. K.A. Keenan

Appointment of directors and trustees

The members of the Executive Committee are responsible for the policy and general management of the affairs of the Trust. Committee members are elected at the Annual General Meeting and serve for 5 years, one third retiring annually. The Committee may co-opt up to four further members to hold office up to the conclusion of the next Annual General Meeting. The Chairman and Honorary Officers are elected annually for a maximum of five consecutive years.

All directors and trustees are required to declare their eligibility to fulfil the legal responsibilities of the role, with introduction training and appropriate documentation offered to all new directors and trustees covering health and safety and wildlife care issues.

DIRECTORS AND TRUSTEES REPORT (CONTINUED)(INCLUDING DIRECTORS' REPORT)

FOR THE YEAR ENDED 31 MARCH 2020

Statement of directors and trustees responsibilities

The trustees, who are also the directors of the Trust for the purpose of company law, are responsible for preparing the Directors and Trustees Report and the accounts in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the directors and trustees to prepare accounts for each financial year which give a true and fair view of the state of affairs of the Trust and of the incoming resources and application of resources, including the income and expenditure, of the Trust for that year.

In preparing these accounts, the directors and trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the accounts; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the Trust will continue in operation.

The directors and trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the Trust and enable them to ensure that the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Trust and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors and trustees report was approved by the Board of Directors and Trustees.

Mrs. P. Goff

Trustee

Dated: 17 August 2020

INDEPENDENT EXAMINER'S REPORT

TO THE DIRECTORS AND TRUSTEES OF BERWICK SWAN AND WILDLIFE TRUST

I report to the directors and trustees on my examination of the financial statements of Berwick Swan and Wildlife Trust (the Trust) for the year ended 31 March 2020.

Responsibilities and basis of report

As the directors and trustees of the Trust (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 (the 2006 Act).

Having satisfied myself that the financial statements of the Trust are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the Trust's financial statements carried out under section 145 of the Charities Act 2011 (the 2011 Act). In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

The impact of uncertainties due to the UK leaving the European Union

Leaving the European Union is a significant economic event for the UK, and at the date of this report its effects are subject to various possible outcomes, with the full range of possible effects unknown. However, it is not possible to predict all of the possible effects on the Trust of the UK leaving the European Union.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the Trust as required by section 386 of the 2006 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
- the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

Aside from the above paragraph regarding the impact of uncertainties due to the UK leaving the European Union, I have no other concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

The charitable company is entitled to the exemption from the audit requirement contained in section 477 of the Companies Act 2006, for the year ended 31 March 2020. No member of the charitable company has deposited a notice, pursuant to section 476, requiring an audit of these accounts.

The directors and trustees acknowledge their responsibilities for ensuring that the charitable company keeps accounting records which comply with section 386 of the Act and for preparing accounts which give a true and fair view of the state of affairs of the charitable company as at the end of the financial year and of its incoming resources and application of resources, including its income and expenditure, for the financial year in accordance with the requirements of sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to accounts, so far as applicable to the charitable company.

These financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies regime.

The accounts were approved by the Directors and Trustees on 17 August 2020

Mr. M. Greener (Chairman from 3 August 2019)

Trustee

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2020

1 Accounting policies

Charity information

Berwick Swan and Wildlife Trust (the Trust) is a private company limited by guarantee incorporated in England and Wales. The registered office is The Swan Shed, Windmill Way East, Ramparts Business Park, Berwick upon Tweed, Northumberland, TD15 1TU.

1.1 Accounting convention

The accounts have been prepared in accordance with the Trust's Constitution, the Charities Act 2011, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016). The Trust is a Public Benefit Entity as defined by FRS 102.

The Trust has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the Trust. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the directors and trustees have a reasonable expectation that the Trust has adequate resources to continue in operational existence for the foreseeable future. Thus the directors and trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

The General Fund is an unrestricted fund, which is available for use at the discretion of the directors and trustees in furtherance of the general activities of the Trust.

Designated funds comprise unrestricted funds that have been set aside by the directors and trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Trust for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

1.4 Income

Income is recognised when the Trust is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the Trust has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2020

1 Accounting policies

(Continued)

Legacies are recognised on receipt or otherwise if the Trust has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

Membership subscriptions are recognised in the year in which they are received.

1.5 Expenditure

All expenditure is accounted for on an accruals basis and has been aggregated under appropriate headings.

Costs of raising funds are the expenses incurred in connection with fund raising events.

Governance costs are those incurred in connection with the administration of the Trust and compliance with the constitutional and statutory requirements.

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Individual items are capitalised at cost, where the purchase price exceeds £200.

Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

Buildings

2% Straight line

Land

Nil

Equipment

15% Reducing balance

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in net income/(expenditure) for the year.

1.7 Impairment of fixed assets

At each reporting end date, the Trust reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.8 Stocks

Stocks are stated at the lower of cost and net realisable value.

Net realisable value is the estimated selling price less all estimated costs of completion and costs to be incurred in marketing, selling and distribution.

1.9 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2020

1 Accounting policies

(Continued)

1.10 Financial instruments

The Trust has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the Trust's balance sheet when the Trust becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the Trust's contractual obligations expire or are discharged or cancelled.

1.11 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the Trust is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.12 Taxation

The Trust, being a registered charity, is not liable to UK income tax, corporation tax or capital gains tax as long as the income is applied to charitable purposes. There are therefore no tax charges in the accounts.

1.13 Donated goods and services

Gifts of goods and services are included in donations at the estimated cost of the items provided to the Trust.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2020

1 Accounting policies

(Continued)

1.14 Limited by guarantee

Every member undertakes to contribute such amounts as may be required (not exceeding £1) to the Trust's assets if it should be wound up whilst he or she is a member or within one year after he or she ceased to be a member, for payment of the Trust's debt and liabilities contracted before he or she ceases to be a member, and of the costs, charges and expenses of winding up and the adjustment of rights of the contributories amongst themselves.

2 Critical accounting estimates and judgements

In the application of the Trust's accounting policies, the directors and trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

16 Restricted funds

The income funds of the Trust include restricted funds comprising the following unexpended balances of donations and grants held on trust for specific purposes:

	Balance at 1 April 2018 £	Outgoing expended £	Balance at 1 April 2019 £	Outgoing expended £	Balance at 31 March 2020 £
Educational Outreach Project	99	(15)	84	(12)	72

Donations and grants have been received for the Educational Outreach Project, which aims to provide a building and purchase educational aids. This will provide facilities for young people to visit and find out more about the work of the Trust. The aim is to encourage interest and participation by young people to ensure the continued survival of the Trust.

17 Designated funds

The income funds of the Trust include the following designated funds which have been set aside out of unrestricted funds by the directors and trustees for specific purposes:

	Balance at 1 April 2018 £	Resources expended £	Balance at 1 April 2019 £	Resources expended £	Balance at 31 March 2020 £
Land and Buildings Fund	104,981	(2,652)	102,329	(2,652)	99,677
Emergency Reserve Fund	31,000	-	31,000		31,000
	135,981	(2,652)	133,329	(2,652)	130,677

The Land and Buildings fund represents the net book value of the land and buildings owned by the Trust. Depreciation on the building is charged against this fund.

The Emergency Reserve was created to ensure sufficient money is available to fund emergencies such as the chemical spill into the Tweed which was the catalyst for the Trust's creation.
