I have pleasure in introducing this annual report on DOCA's work in 2019/20, as you will see we are a relatively small organisation, delivering a big punch! Our activities delight the townsfolk and attract many visitors who enjoy the tremendous artistic programme which adds significantly to the vibrancy of Devizes.

We live in a time where the only constant is change. We see this wherever we look, and it is the bold innovators that thrive. The last 12 months have been an interesting and successful year for a bold DOCA.

DOCA established a highly professional staff team this year who produced events such as;

Carnival in July that increased children and school's participation with some schools reporting a 100% turnout for their carnival clubs. DOCA aims to increase community participation to include a range of groups from within the community.

A spectacular Confetti Battle and Colour Rush that we moved to a Saturday. The result was most definitely an increase in numbers and gave many more people the opportunity to come along to this unique event... local people who couldn't come before because of work or school restraints and visitors who had more time to travel.

All of this is made possible by our wonderful team of Festival Makers, led by the DOCA staff and trustees, together with our funders, sponsors, advertisers and partners, who provide a mix of financial and in-kind support, my thanks go to everyone involved.

Our Team

THE TRUSTEES

I love seeing the fruits of DOCA's creative energies, like seeing children's faces light up with excitement when they first sighted Big Beryl and the Woolly Mammoth.

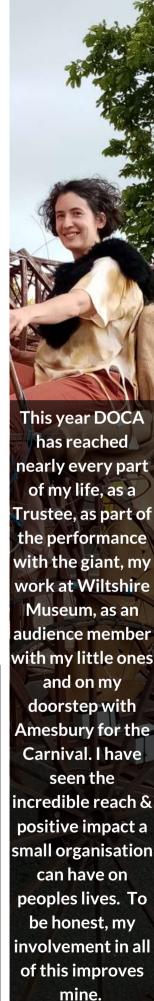

I love watching parents at Lantern making workshops finding out how much they enjoy it themselves, it is nice to create a chance to laugh and just be in the moment.

It's great to see the community coming together to enjoy & be part of the events we put on.
You just have to see the smiles to see how much it brings to young and old alike.

that this year
DOCA has further
extended its
partnerships with
other arts
organisations. We
are becoming an
important 'go-to'
organisation in the
area for groups
seeking support
and guidance in
outdoor arts.

Loz Samuels Artistic Director

Loz joined DOCA in 2016 & has been driving it forward ever since with a real passion for the work, ensuring the quality & ambition of our work continues to grow, taking on new projects & bringing in essential funding.

Liz Lavender - Event Support & Project Development

Liz likes food, she seems to be able to persuade most people to do things with cake. She joined DOCA in 2020 and has been enthusiastically evaluating, tweaking & warmly recruiting new volunteers ever since. She has years of events experience & is a real asset to the team.

Our Team

VOLUNTEERS
FESTIVAL MAKERS

The DOCA Festival Makers are generous individuals who make the events the fantastic happenings they are.

They help artists, laugh, give visitors warm welcomes, sell tickets & programmes, collect donations, share, put up gazebos, run bars, laugh, manage traffic, cook, clean, smile.

They are the heart beat of DOCA. The main thing they all have in common is enthusiasm.

'I love seeing the pleasure that others get from what we do'

Ken

'It's great to be in the DOCA team, it gives thousands of people great joy and pleasure.'

Roger, loves the interaction with the Community, Brenda loves seeing the smiles on families faces.

'DOCA is such an important element of the community spirit of Devizes, it's great fun being a volunteer.'

Julia

OUR WORK

DOCA has a long-standing history of organising and managing large scale outdoor events in Devizes. We work with and for the community and the wider Arts Sector. We have taken traditional events and reinvigorated them. We have introduced new events and added a sprinkling of indoor work. All our work is people-powered, by volunteers, participants, artists and audiences. Here you'll find a summary of our work this year.

DEVIZES CARNIVAL

Through the Ages

The Carnival attracted over **3,000 people** who watched the parade led by Beryl, a 6 metre high neolithic woman with her baby and the Mammoth. They were accompanied by young people who had participated in **14** workshops to create costumes reflecting the 'Through the Ages' theme which had been led by Carnival artist Abi Kennedy.

The parade was supported by 90 volunteers.

To enable us to secure funding and work with local schools we moved the date of the Carnival after 106 years. A controversial decision which enabled us to work with 150 children in local schools. The decision also enabled us to partner with Amesbury Carnival through a project commissioned by Bloor Homes which came through Gingko Projects and meant we had a spectacular addition to our carnival.

THE NEW KINGS CARNIVAL PROJECT COMMISSION

Beryl and the baby created by Beautiful Creatures Theatre

The Mammoth created by 'And Now'

Ginkgo Projects commissioned DOCA to create a community project for the Kings Gate community which would help connect new residents with the existing community.

DOCA generated almost £20,000 to add to the £11,000 investment already on the table from Bloor homes and created the New Kings Carnival Project.

The project created two expenses-paid bursary opportunities for artists who were interested in working on large scale work and community arts.

The project reached 435 participants through 30 workshops in Amesbury and more in Devizes. 5,000 people saw Beryl and the Mammoth. The Mammoth was inspired by a collection at Wiltshire Museum and enabled them the chance to talk about their work to new groups of people in the area.

The Festival Fortnight ran over 3 weekends starting with Picnic in the Park, followed by the International Street Festival and finishing with the Confetti Battle and the Colour Rush is smattered with fringe events and indoor shows.

PICNIC IN THE PARK

An audience of 1,000 enjoyed music and performance from 17 Artists

This is year marked 20 years of the International Street Festival, so party games, music and party themed picnics were enjoyed. The event saw a large gathering of 1,000 people in Hillworth Park.

Flag painting workshops were running through the day along with entertainment from bands and The Desperate Men who led the mammoth Balloon Toss.

INTERNATIONAL STREET FESTIVAL

Sunday on The Green

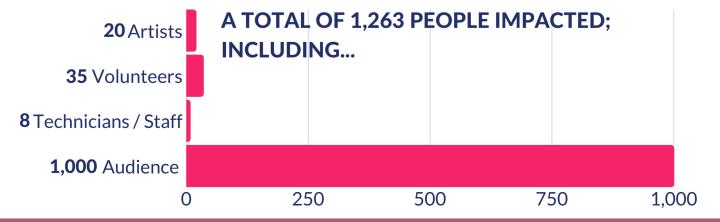

A gloriously hot day saw audiences melting into the Green, fed and watered by a host of delicious offerings from our food stalls and entertained by top quality International circus, music and street performance along with the traditional Jennings Fair.

It was possible to bring

Artists

Apocolyptic Circus, Circus Raj, Dansi, Hocus Pocus Theatre, Hot House Combo, Jon Hicks, Wet Picnic, Los Galindos, Ian Deadly, Rin Tins, Dansi and the Hot House Combo. Los Galindos to Devizes
because we worked
partnership with Hull
Freedom Festival.

INTERNATIONAL STREET FESTIVAL

Monday in The Market Place

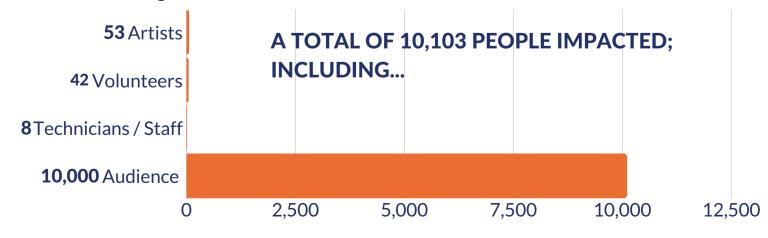

Monday saw the introduction a local music stage, programmed by Vinyl Realm. With 8 different pitches including a new busking pitch on Snuff Street, the Festival feels spread further across Devizes Town Centre.

Artists

Hocus Pocus Theatre, Jon Hicks, Ockhams Razor, Ian Deadly, Company Satchok, Ticker Tape Parade, Pangottic, Johnny Macaulay, Strange Folk, Tom Littlefair, Ben Borril, Usaf, Daydream Runaways, Cracked Machine, Kongo Dia Ntotlia, Fromage En Feu, Mankala.

INTERNATIONAL STREET FESTIVAL

Indoor Shows

DOCA regularly programme events alongside the traditional Street Festival Fortnight programme, including ticketed shows and special one-off events.

PUBLICK TRANSPORT

Seasoned street performers Angus Barr and Sarah Corbett brought their leftfield look at the works of Bronte to St. Mary's Church which was packed to the rafters for a sell out performance.

UDUL

One of only two appearances in the U.K, Udul's visit to Devizes was made possible by a partnership arrangement with Hull Freedom Festival. They delighted audiences of all ages with their unique approach to contemporary circus.

MAN OF 1000 FARCES

Johnny Macaulay is a long standing circus/street performer who brought his shock cabaret to the Black Swan as an independently promoted show.

COLOUR RUSH

353 people took part in Colour Rush Collectively running 1,765 KM Raising £1500

Starting at the Green Lane Playing fields, leading to the Market Place, the 5km fun run attracted **353** to take part.

The fundraiser is dependant on a team of **45** volunteers who marshal the route, throw paint and encourage participants.

The Route 2 Fitness coaches led a warm up for the runners and got them in the zone. The Colour Rush finished in the Market Place in time for all to enjoy the Confetti Battle.

Confetti — Magi The Confetti Battle took place on a Saturday, breaking with a long standing tradition, aiming to enable more people to attend this unique Devizes event.

The change resulted in over 50% more people with 5,010 attendees compared to 2,500 in 2018.

Designs in Air's three inflatables created more colour and excitement for the crowds as they blew up at the start of the battle.

A huge thanks to Pizza Express and Times Square for allowing us to plug into their power and fire confetti Cannons from their windows. To Jennings Fair for helping us with the countdown and to all those who helped with the mammoth

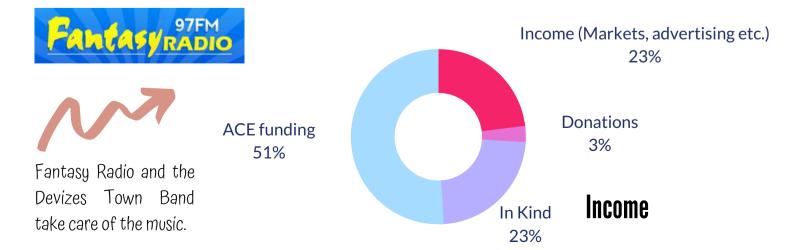

clean up.

LANTERN PARADE

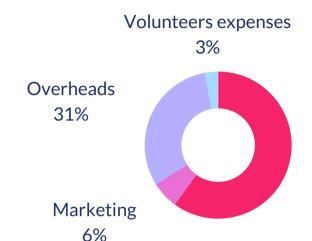

Devizes Lantern Parade is delivered with our partners Devizes Town Council, who look after all things to do with the roads and related event management, they also seamlessly connect the event to their traditional Christmas Light Switch on. DOCA organise workshops for the community and local schools, bring in lighting installations, coordinate the indoor and outdoor markets and co-ordinate the parade on the day.

5675 people attended Lantern Parade up 1500 on 2019

Word gets around about our amazing animated lanterns and as a result we were commissioned to make a large lantern for OpenReach. We took our large lanterns to Salisbury for their parade with a team of delighted Festival Makers who enjoyed a fish and chip supper after the event.

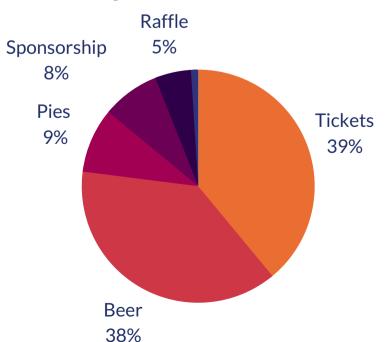

FESTIVAL OF WINTER ALES

2020 was our fourth year of running the Festival of Winter Ales with our partners Stealth Brew, who ably curate our beers, bring in the stillage, find our bar staff and chose the bands for us.

We are supported by an enthusiastic bunch of Festival Makers who heat pies, man doors, add wrist bands, clear tables, sell programmes, arrange flowers, put bunting up, move furniture, sell raffle tickets and more over 3 long shifts.

DOCA adds a street style cabaret act, co-ordinates publicity & ticketing & generally oversees this valuable fundraising event.

MARKETS

At DOCA we pride ourselves on the high quality offer we promote from our Market Traders, supporting local food traders, charities, craft people and makers to promote their services and sell their products. Our markets have become an important part of our event experience.

Traders Feedback

"Did quite good trade, but more importantly had a knock on effect on the weekend, felt that people returned. Also bought in new customers to the market which was good"

Buttons Shop

"Many thanks for letting us have a stall on Friday. We had a very good day – lots of people to talk to and we took some money too. We are always grateful of any opportunity to promote the Museum."

Devizes Museum

"I enjoyed my first market and it all seemed to go really smoothly. I also got some really good feedback on my prints, got some good tips from the other lovely traders and made some good sales."

Free Mile Style

"Did even better than usual on a Friday. Good to see new faces in the market. Décor and atmosphere much benefited from DOCA's presence. Great that DOCA also good at marketing and promoting the event."

Annon

131 traders attended DOCA events in 2019/20

MARKETS

As a new initiate for 2019 we introduced 'The Makery', supporting local contemporary makers and crafts people. The idea was piloted successfully at both the International Street Festival and Lantern Parade.

This is an initiative we will develop in the future, building on our reputation for bringing unique high quality products to our audiences and supporting small scale creative businesses in the area.

INVESTING IN OUR FUTURE

CULTURE DECLARES

Along with many other cultural organisations DOCA joined the movement to declare Climate Emergency and look at what we could do to improve our impact on the environment. We have made many improvements to our working methods to reduce waste, use less plastic and reduce the impact our events have on the environment.

Just before the Covid 19 Lockdown was implemented the DOCA team and the Parks staff from the Town Council managed to plant 35 trees at Roundway Hill in the Leipzig Plantation to begin a project that we hope will continue as long as we do and leave a legacy for all those who have been part of our work.

Thanks to the Woodland Trust for supplying trees, Devizes Town Council for the land and help with planting, to Avon Trophies for number tags and discounted engraving and Gaigers for the posts. Special thanks to Roger Short and Ken Hulbert for their help with this project.

FINANCIAL REVIEW

DOCA are hugely grateful for investment we receive from Arts Council England for our artistic content and for the funding we receive from Devizes Town Council which goes towards our management costs.

We have been lucky enough to receive funding from Devizes Area Board.
Our ability to generate income from events like Winter Ales, the Colour Rush, from advertising, traders, ticket sales and donations is crucial to our continuation.

47%

OF OUR RESOURCES COME AS 'SUPPORT IN KIND'

Support 'in kind' means, equipment lent by local companies, time given by volunteers, services donated, reductions in fees from suppliers, expertise provided, food served for free, parking spaces donated, rooms lent for no fee and more. If you want to help DOCA it doesn't have to be financial - In Kind Support helps make everything possible. We can't do it all without this valuable contribution.

OUR REACH

Artists travelled from all these countries to Devizes in 2019!

Devizes may be a small market town in Wiltshire but our reach is International

DOCA brings people of all ages into contact with artists from all over the world, audiences from all over the Country and neighbours from all

around the region.

Our events were listed in the 2019 Rough Guides book on the 'Great West Way' - we can be proud of our International reputation.

Data collected from our audiences show's our National reach.

WHAT NEXT?

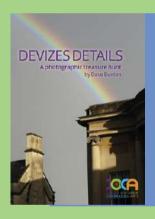

Supporting Creativity

Nurturing groups of local people who will explore and showcase their creative efforts, share expertise and experience and make meaningful connections.

Becoming Greener

Acknowledging the current Climate Emergency means DOCA will work to minimise the impact events have on the environment. The team will continue working with partners and searching for ways to reduce our impact whilst improving our offer.

Growing our income improving our sustainabiltiy

We will continue to seek initiatives that generate income to support our work, reducing our reliance on external funding. Projects will be creatively relevant and will build on our ethos of connecting people to increase their sense of place and their appreciation of and participation in arts.

Programme Inspiring Events

We will continue to improve and develop our existing events responding to all the challenges that the ever changing world throws at us. We will explore how we can grow newer events such as Colour Rush and 31 Trees and Counting, keeping our audiences inspired by new experiences.

Supporting Artists

Not only does working with a broad range of artists improve our offer but it also helps support the sector. We want to be an active part of developing creative industries in the area and beyond.
