Trustees' Annual Report (continued)

Year ended 1 January 2020

Structure, governance and management

The trustees present their report with the financial statements of the charity for the year ended 01 January 2020. The financial statements have been prepared in accordance with the accounting policies set out in notes to the accounts and comply with the charity's governing document, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the United Kingdom.

During the current financial year, the refurbishment work continued and should be finished towards the latter part of the year. Major refurbishment work has nearly finished and only the final finishing is left. All the middle walls have been removed and ladies' section has been finalised at the rear end of the Mosque. A separate entrance and wadu facility have been made for ladies.

The mosque has been equipped with CCTV camera, fire safety equipment and remote powered skylight. Few final modifications are required in the premises such as construction of the Mimbar, laying the new carpet etc.

Fridays- it is the showcase of our week. We continue to have variety of visiting Imams and scholars every week who deliver speeches on relevant subjects that are applicable to everyone. We aim to ensure that those attending in large numbers fully benefit from the Friday talks. This has been well received by our general public and we continue to receive positive feedback in this regard.

The Madrasah has continued to progress, and we will be starting a new class for young children over age 14 to 18 during weekdays madrassah from January 2020 term. We have total 110 students in the weekday Madrassah and 30 in weekend girls-only madrassah. During the year we have continued to organise events such as regular religious talks & seminars with guest speakers, regular charity and fundraising events for special causes, football and cricket sessions for the youth and interfaith programmes such as open days and hosting school visits.

The month of Ramadhan is always one of the highlights of the year, unlike all previous years, this year we performed tarawih prayers in our mosque as the capacity has increased due to refurbishment. This saved mosque's fund which we used to hire a hall during Ramadan timings. We continued to provide meals for the local homeless, vulnerable and needy persons.

Trustees' Annual Report (continued)

Year ended 1 January 2020

Objectives and activities

We continue to focus on the aims and objectives of the charity, all the above activities are in line with the aims of the charity as outlined in the constitution (Point C).

Significant activities

- Part time Islamic education for children between the ages of 5 and 16 years for children
- · Congregational prayers
- Sadagah collection and distribution
- · Marriage counselling provided by our religious scholars
- Advice and counselling

Volunteers

Most of the charity's activities involve volunteers in the delivery of its activities. We are, as always, grateful to these volunteers in making the activities of our centre a spiritual and pleasant experience for the public.

Achievements and performance

One of our main achievements in this current year, is that we have helped and supported local communities in Northolt and Rayners Lane area. Like previous year we have continued our support in the areas such as Greenford Central & Gurnell Grove, where we arranged the Friday prayer facility throughout the year. We have also supported Northolt Islamic Centre in raising finances for their building construction.

Financial review

Donations from the public and cash raised from fund raising events continue to be the source of the Charity's general fund to meet on-going and future projects and activities. Sound financial management and generous support of volunteers continues to be the cornerstone of the charity. We have implemented Xero accounting software in the organisation to keep our accounting records up to date.

Risk Management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error. The Trustees have examined the major strategic, business and operational risks which the charity faces and confirm that the systems have been established to enable regular reports to be produced so that the necessary steps can be taken to lessen these risks.

The trustees' annual report was approved on 14 October 2020 and signed on behalf of the board of trustees by:

Mr Sharjeel Ahmar

Trustee

Notes to the Financial Statements

Year ended 1 January 2020

1. General information

The charity is a public benefit entity and a registered charity in England and Wales and is unincorporated. The address of the principal office is 82-86 Horsenden Lane North, Greenford, Middlesex, UB6 7QH.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Disclosure exemptions

Disclosures in respect of financial instruments have not been presented.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

Notes to the Financial Statements (continued)

Year ended 1 January 2020

3. Accounting policies (continued)

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the
 contracted service. This is classified as unrestricted funds unless there is a contractual
 requirement for it to be spent on a particular purpose and returned if unspent, in which case
 it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking
 activities that further its charitable aims for the benefit of its beneficiaries, including those
 support costs and costs relating to the governance of the charity apportioned to charitable
 activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

All fixed assets are initially recorded at cost.

Notes to the Financial Statements (continued)

Year ended 1 January 2020

Accounting policies (continued)

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Fixtures and Fittings

25% straight line

25% straight line
